About The Delek Group

The Delek Group, Israel's dominant integrated energy company, is the pioneering leader of the natural gas exploration and production activities that are transforming the Eastern Mediterranean's Levant Basin into one of the energy industry's most promising emerging regions. Having discovered Tamar and Leviathan, two of the world's largest natural gas finds since 2000, Delek and its partners are now developing a balanced, world-class portfolio of exploration, development and production assets with total gross natural gas resources discovered since 2009 of approximately 33 TCF.

Delek is Israel's largest and sole domestic supplier of natural gas. In addition, Delek has built an extensive network of global downstream assets, including 1,900 gas stations and convenience stores in the U.S., Europe and Israel; petroleum refineries in the U.S. with 140,000 barrel per day of nameplate production; and pipelines and storage facilities in the US, Europe and Israel. Delek also holds significant interests in leading water desalination, power generation, insurance and automotive companies.
