Re: Adequate Current Information for Kimber-X Resources Corporation

To Whom It May Concern:

This firm has been retained by Kimber-X Resources Corporation (the "Issuer") for the purpose of rendering this opinion as to whether there is adequate current information available on the Pink Sheets New Service regarding the Issuer and related matters. As such, Pink Sheets is entitled to rely on such opinion in determining whether the issuer has made adequate current information publicly available within the meaning of Rule 144(c).

To begin, I, the undersigned attorney, am a U.S. resident, and my firm has been retained by the Issuer for the purpose of rendering this opinion and related matters. This law firm has been retained for the purpose of reviewing the current information supplied by the Issuer, but may be retained as regular disclosure counsel. Further, I am licensed to practice law in the State of Texas, and this opinion is limited to the laws of the United States. I am permitted to practice before the Securities and Exchange Commission and have not been prohibited from practice thereunder.

In rendering this opinion, I have examined such corporate records and other documents and such questions of law as counsel considered necessary or appropriate for purposes of rendering this opinion, including but not limited to the following documents:

- (a) Certificate of Incorporation of the Issuer, as filed with the Secretary of State of the state of Delaware on April 26, 2006, as Digital Information & Virtual Access, Inc.;
- (b) Bylaws of the Issuer;
- (c) Minutes of meetings of shareholders the Issuer and its directors, as well as resolutions of the board of directors;
- (d) Subscription Agreements and other private placement documents;
- (e) Certified Shareholder List of the Issuer;

- (f) The Issuer's *Information Statement for Broker-Dealer Due Diligence pursuant to Rule 15c2-(11)(a)(5) under the Securities Exchange Act of 1934* for the quarter ending May 31, 2007 with accompanying financial statements;
- (g) Material contracts of the Issuer including management contracts with James Neil and Amy Ng;
- (h) Affidavits of Officers and Director of the Issuer with respect to criminal and litigation history;
- (i) News releases, website, and other substantive materials which document the operations of the Issuer;

I have assumed that (i) all information contained in all documents reviewed by me is true and correct, (ii) all signatures on all documents reviewed by me are genuine, (iii) all documents submitted to me as originals are true and complete, (iv) all documents submitted to me as copies are true and complete copies of the originals thereof, and (v) each natural person signing any document reviewed by me had the legal capacity to do so. As to matters of fact, I have relied on information obtained from public officials, officers of the Issuer and other sources, and these sources are believed to be reliable.

The Issuer has posted its most recent *Information Statement for Broker-Dealer Due Diligence pursuant to Rule 15c2-(11)(a)(5) under the Securities Exchange Act of 1934* to the Pink Sheets news Service July 23, 2007 along with its Quarterly Financials, Articles of Incorporation, Bylaws, and Material Contracts ("Information"). I have reviewed the Information published by the Issuer on the Pink Sheets News Service on July 23, 2007, and, after a reasonable investigation, including meeting personally with management and the majority of the directors of the Issuer to discuss the Information, I have no reason to believe that, at the time such Information was published on the Pink Sheets News Service, the Information contains an untrue statement of material fact or omits to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

It is my opinion that that the Information (i) constitutes "adequate current information" concerning the Issuer's securities is "publicly available", within the meaning of Rule 144(c) under the United States Securities Act of 1933, as amended, (ii) the Information includes all of the information that a broker-dealer would be required to obtain from the issuer to publish a quotation for such issuer's securities under Rule 15c2-11 under the United States Securities Exchange Act of 1934, as amended, (iii) the Information complies in all material respects with the *Pink Sheets Guidelines for Providing Adequate Current Information*, and (iv) the Information has been posted on the Pink Sheets News Service.

Other related matters relating to this opinion as required are as follows:

1. The person responsible for preparation of the unaudited financial statements contained in the Information is Tracey St. Denis. Ms. St. Denis is the senior partner of T.A. St. Denis & Associates and is a Certified General Accountant with years of accounting and financing experience.
2. The Issuer's transfer agent is Atlas Stock Transfer Corp., which is registered with the SEC. I relied on information provided to me by the transfer agent in the form of shareholders lists and verbal communication and stock issuance documents of the company, including subscription agreements and resolutions, to confirm the number of outstanding shares set forth in the Information.
3. To the best of my knowledge, after inquiry of management and the directors of the Issuer, neither the Issuer of the securities, any 5% holder of such securities, nor counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

No person other than Pink Sheets is entitled to rely on this opinion, and I hereby grant Pink Sheets full and complete permission and rights to publish this opinion on the Pink Sheets News Service for viewing by the public and regulators.

Kind Regards,

Aaron D. McGeary
