(B) Business of the Issuer.

WW Energy Inc. is a holding company that was created to acquire oil and gas related companies and services. Currently, WW Energy Inc. has one subsidiary; WW Trucking Inc. WW Trucking, Inc. is a leading transport company in the oil field services industry in the four states of Utah, Colorado, New Mexico and Arizona (The Four Corners Area).

Existing business operations includes transporting fresh production water for oil and gas drilling and exploration and waste water for disposal. The company

also provides services for heavy hauling of drill and well equipment needed in the oil and gas production and exploration industry and has several long-term relationships with the majority of oil and gas companies in Western New Mexico, Southern Colorado, Southern Utah, and Northern Arizona.

The company started out with 2 water transport trucks in 1999 and has grown to a fleet of 17 in 2005. Since 2002 the company has boosted revenue by about a half million dollars a year and expects to exceed \$3 million in revenue in 2006. The trucking fleet is currently running at full capacity. Plans for future expansion will greatly increase both the revenue and profit potential.

The Corporate headquarters is located in Farmington, New Mexico and houses all the necessary facilities to keep the fleet running 24 hours a day as well as conducting all day-to-day corporate functions. A satellite office is being considered for Southern Colorado which would add several new trucks and significantly increase revenues.

1. Please indicate the Issuer's primary and secondary SIC codes.

The Primary SIC Code for the Issuer is 4214

2. Has the Issuer never conducted operations, is in the development stage, or is currently conducting operations?

The Issuer is an operating company.

3. State the name of any parent, subsidiary or affiliated company.

WW Trucking, Inc is a subsidiary

4. The effect of existing or probable governmental regulation the business;

There could be a time in the future when new Government Regulations may cause the issuer to re-evaluate portions of its business plan.

5. An estimate of the amount spent during each of the last two fiscal years on research and development activities, and, if applicable, the extent to which the cost of such activities are borne directly by customers;

None

6. Costs and effects of compliance with environmental laws (federal, state and local);

None

7. Number of total employees and number of full time employees.

The Company currently has 20 full time employees

(C) Investment Policies

1. Investments in real estate or interest in real estate.

The Issuer does not intend to invest in any real estate properties.

2. Investments in real estate mortgages.

The Issuer does not intend to invest in any type of real estate mortgages.

3. Securities of or interests in persons primarily engaged in real estate activities.

The issuer does not intend to invest in any persons primarily engaged in real estate activities.

Item (9): The nature of products or services offered.

Issuer will abide with the above guideline

CERTIFICATION

The preparation of the audited financial statements of the Company are in conformity with accounting principles generally accepted in the United States of America (GAAP) which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

I, Olin Glover, President of WW Energy, Inc on this 1st Day of October 2007 hereby certify that the financial statements filed herewith and all the notes thereto, fairly represent in all aspects, the financial position and results of operations for the periods presented in conformity with accounting principles generally accepted (GAAP) in the United States.

The undersigned hereby states that he has read the information set forth herein above, and attests hereby to the best of his knowledge and belief; such information is true and correct.

Signed this 1st Day of October 2007

WW Energy, Inc

Olin Glover
President
