ENVIROMENTALTECHNOLOGIES INTERNATIONAL, INC. (formerly HEALTHNOSTICS, INC.)
NOTES TO THE CONSOLIDATED UNAUDITED FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2017 AND 2016

1. ORGANIZATION AND LINE OF BUSINESS

Organization

EnviroTechnologies International, Inc., (formerly Healthnostics, Inc.), was originally organized on July 3, 1996, as a Delaware corporation under the name IHS of Virginia, Inc. The Company was acquired on December 29, 2000 by Ultraque, LLC, a Delaware limited liability company, owned by our former Chairman and Chief Financial Officer. On August 28, 2001, Ultraque, LLC was merged into the Company and the Company's name was changed to Healthnostics, Inc. The Company underwent a change of ownership with the acquisition of Vida Green, Inc., effective July 1, 2016.

Going Concern

The accompanying financial statements have been prepared on a going concern basis of accounting, which contemplates continuity of operations, realization of assets and liabilities and commitments in the normal course of business. The accompanying financial statements do not reflect any adjustments that might result if the Company is unable to continue as a going concern. The Company does not generate significant revenue, and has negative cash flows from operations, which raise substantial doubt about the Company's ability to continue as a going concern. The ability of the Company to continue as a going concern and appropriateness of using the going concern basis is dependent upon, among other things, additional cash infusion. Management believes the existing shareholders and the prospective new investors will provide the additional cash needed to meet the Company's obligations as they become due, and will allow the development of its core business.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of EnviroTechnologies International, Inc., (formerly Healthnostics, Inc.) are presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Principles of Consolidation

The accompanying unaudited consolidated financial statements of the Company include the accounts of its subsidiaries. In the opinion of management all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial statements for the years herein have been made.

Accounts receivable

The Company does not have any uncollectible accounts and there were no doubtful accounts for the years ended December 31, 2017 and December 31, 2016 respectively.

Revenue Recognition

The Company recognizes revenue when there is persuasive evidence of an arrangement, delivery has occurred, the fee is determinable, collectability is reasonably assured and there are no significant remaining performance obligations.

Cash and Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the accompanying financial statements. Significant estimates made in preparing these financial statements. Actual results could differ from those estimates.

Property and Equipment

Property and equipment are stated at cost and are depreciated using the straight line and modified accelerated cost recovery system (MACRS) method over 3-10 years.

Intangible Assets

Valuation of Intangible assets include significant estimates and assumptions such as estimating future cash flows from sales, developing appropriate discount rates, estimating probability rates for successful completing of projects, continuation of customer relationships and renewal of customer contracts, and approximating the useful life of the intangible assets acquired.

Fair Value of Financial Instruments

As of December 31, 2017 and December 31, 2016 respectively, the amounts reported for cash, accounts receivable, accounts payable, accrued interest and other expenses, and notes payable approximate the fair value because of their short maturities.

Income Taxes

The Company uses the liability method of accounting for income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to financial statements carrying amounts of existing assets and liabilities and their respective tax bases and operating loss and tax credit carry forwards. The measurement of deferred tax assets and liabilities is based on provisions of applicable tax law. The measurement of deferred tax assets is reduced, if necessary, by a valuation allowance based on the amount of tax benefits that, based on available evidence is not expected to be realized.

Recently issued Accounting Pronouncements

The Company has evaluated recent accounting pronouncements and their adoption has not had or is not expected to have a material impact on the Company's financial position or statements.

3. CAPITAL STOCK

At December 31, 2017, the Company's authorized stock consist of 250,000,000 shares of Class A common stock, par value \$0.00001 per share after amending its certificate of Incorporation to adjust for a 10,000 to 1 reverse stock split effective on September 8, 2016 and a reduction in the authorized Class A Common Shares to 250 million. 6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

A. a description of the issuer's business operations;

We were incorporated in Delaware on July 3, 1996, under the name IHS of Virginia, Inc., as a wholly owned subsidiary of Integrated Healthcare Systems, Inc. We were their primary operating subsidiary until September 30, 1999. On December 29, 2000 Ultraque, LLC, a Delaware limited liability company owned by Michael J. Black, our Chairman, President and Chief Financial Officer, purchased all of our outstanding common stock. On August 28, 2001, Ultraque was merged into our Company and our name was changed to Healthnostics, Inc. by amendment to the Certificate of Incorporation, as a new Delaware corporation.

From 2001 until July 2010, we operated as a healthcare software and internet information company, and in June 2010, management decided to expand the Company's operations and change its strategic direction by diversifying its business interests. During the period from June 2010 to October 2010 we acquired technology rights and assets from two companies. In July 2010 we acquired the manufacturing rights and assets of Medical Products Corporation and marketing rights for Worldwide Wipes Corp. In October 2010 we acquired the rights to manufacture Micro-Fill 2160 and the MobileCleanRoom technology from its inventor.

In April 2011 we formalized our management consulting and investment group into the HNS Fund Co., in order to expand upon our investment and outreach strategy and a majority of our revenue from 2011 through June 30, 2016 was generated through this operation.

Effective July 1, 2016, the Company acquired Vida Green, Inc., a Utah based corporation in the environmental sciences field in exchange for 6,000,000 shares of Series B Preferred Stock, which has conversion rights on a 26 for 1 basis into Class A Common Stock. The Series B Preferred Stock was issued to the Vida Green, Inc., shareholders for 100% of the issued and outstanding shares of Vida Green, Inc.

Vida Green, Inc., markets environmentally safe products and solutions to the Oil and Gas, the Agriculture and consumer product industries utilizing proprietary technologies. Vida Green's management has worked together for many years and been involved in bringing "green" products and services to commercial fruition. Its management has worked in the cleaning, restoration, oil and gas, commercial drinking water, agriculture and management industries and founded Vida Green to change the essential foundation of cleaning and sanitizing homes and businesses, reviving agricultural environments and cleaning up the oil and gas industry to by bringing together "green," proprietary products that act symbiotically with nature and the environment.

B. Date and State (or Jurisdiction) of Incorporation:

Incorporated on July 3, 1996 in Delaware. Please refer to Section 6 A. above.

C. the issuer's primary and secondary SIC Codes;

. The Company's primary and secondary SIC Codes are 7371 and 7389.

D. the issuer's fiscal year end date;

December 31

E. principal products or services, and their markets;

A. Until June 30, 2016, our business is comprised of three segments; Internet Portal Services, Patient Care

Monitoring Systems and Management Consulting Services. These business operations, including our key products, services and markets are described in prior filings. Effective July 1, 2016, our new operations.

- B. After our acquisition of Vida Green, we modified our business to develop and market green products to three primary industries: oil and gas, agriculture and consumer products. Distribution of these products is through channel partners and defined distribution joint venture-based networks.

7) Describe the Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer.
