A. Description of the Issuer's business operations:

CaliPharms Inc., trading under the symbol (KGET) which trades under its former name "Kleangas Energy Technologies, Inc." is a medical marijuana-cannabis business.. The Company currently is focused within the medical marijuana-cannabis industry. The second tier of development for the company will be to expand into other sectors that support the legalized cannabis industry. The company intends to expand its operations as the laws for each individual State change and allow.

B. Date and State (or Jurisdiction) of Incorporation:

We were incorporated in Delaware on January 8, 2008, for the purpose of being the vehicle whereby Redmond Capital Corp., a Florida corporation ("Redmond") would change its corporate domicile to Delaware. Redmond was incorporated effective September 12, 1996, in the State of Florida under the corporate name Minex Minerals, Inc. On February 3, 1999, it changed its corporate name to Redmond Capital Corp. Redmond's sole business, which terminated prior to the end of 2004, was the production of an animated television series.

On June 14, 2007, the Circuit Court of the Eleventh Circuit in and for Miami-Dade County, Florida, appointed a receiver over the business of Redmond (Case No. 06-21128 CA 10) and on August 28, 2007, that court issued an order releasing the receiver, closing the case and approving certain actions specified in the receiver's report, including the issuance of 32,000,000 shares of the common stock of Redmond to Mark Renschler to compensate him for services theretofore rendered to Redmond. Shortly thereafter, he was elected as Redmond's president, secretary and sole director.

On January 8, 2008, Redmond changed its corporate domicile from Florida to Delaware through a process known as "conversion" as permitted by Florida and Delaware law. In the conversion, we were incorporated in Delaware and we effected the conversion with Redmond by filing certificates of conversion in Delaware and Florida, respectively.

Immediately prior to the merger described below and since our inception in January 2008, we were, and from at least October 2004 until our acquisition by conversion in January 2008, a shell company, with nominal assets and no operations.

KNGS Merger

On August 15, 2012, we entered into a Plan and Agreement of Merger by and among KNGS Acquisition, Inc., a Florida corporation and our wholly owned subsidiary ("Acquisition"), and Kleangas Energy Technologies, Inc., a private Florida corporation ("KET") under which Acquisition was merged with and into KET with KET being the surviving corporation (the "Merger"). As a result of the Merger, we are no longer considered a shell company.

On December 3, 2013, our Board of Directors authorized the return to treasury of 1,052,000,000 shares of our restricted common stock. As a result of the Merger, we had issued 2,100,000,000 shares of our common stock to the holders of the common stock of KET.

On July 22, 2014 our Board of Directors authorized the issuance of 8,000,000 shares of preferred E to Eric Gregory Holdings, Inc. which changed voting control to Eric Gregory Holdings, Inc.
