Endocan Corporation also known as Thermic Science International Corporation (OTC: ENDO) has recently acquired Cannabis Science Inc., (CSi-EDP), Thermic Coating Systems Ltd. (UK), and now, Litcoat Electroluminescent Paint Systems. The Company has voted to change its name to Thermic Science International. A conglomerate SPAC Group designed to bring affordable and free education, traditional and entrepreneurial job creation, and cannabinoid drug development internationally.

We are currently developing new natural hemp-based products based on innovative formulations to utilize the unique and potent benefits of the hemp plant. With the aid of scientific research, Endocan also known as Thermic Science International Corporation is translating such knowledge into development of effective hemp formulation-based health and wellness solutions as well as cosmeceutical, nutraceutical, and food brands throughout the world. The Company's health and wellness, nutritional, and cosmetics lines will address personal needs and will evolve with the introduction of new formulations and products, advancing the Company within the expanding multibillion-dollar global market.

We currently have a licensing agreement for Live Negotiator. Live Negotiator provides powerful online tools to buyers and sellers of industrial hemp products, services, supplies. Live Negotiator allows users to find and track inventory, purchase, and negotiate live worldwide. The system provides private, one on one, and one to many negotiations while dynamically loading and matching inventory changes while instantly updating new inventory and opportunities in real time. The Live Negotiator software provides advanced and key tools in the saturated industrial hemp market. This version of the Live Negotiator technology includes industrial, medical, wholesale, and retail hemp products worldwide.

B. Please list any subsidiaries, parents, or affiliated companies.
