NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED FEBRUARY 28, 2021 AND FEBRUARY 29, 2020
(Unaudited)

Note 1 – Organization and basis of accounting

Organization

S.A.M. Trade Asia Pte Limited formerly known as Paperfree Medical Solutions, Inc ("SMFX" or the "Company") was incorporated in Nevada on January 29, 2002. PaperFree is engaged, through its subsidiaries, in providing paper-free turnkey medical solutions for small to large multi-physician, and multi-specialty offices. The company ceased operations in 2008.

On July 11, 2019, Custodian Ventures LLC, applied for appointment as Custodian of Paperfree Medical Solutions, Inc with the eight judicial District Court of Nevada.

On October 30, 2020, The Company created 50,000,000 of Series A-1 preferred stock. On October 31, 2019, the Company issued 20,000,000 shares of Series A-1 Preferred stock to Custodian Ventures, LLC at \$0.0001 par for shares valued at \$200 in exchange for settlement of a portion of a related party loan for amounts advanced to the Company in the amount of \$200.

On January 05, 2021, Custodian Ventures, LLC sold the 20,000,000 shares of Series A-1 Preferred Stock to S.A.M. Trade (SEA) Pte Limited (Goh Nai De) for an aggregate purchase price of \$180,000. At this point there was a change of control of the Company and David Lazar resigned as President, Secretary, Treasurer and Director and Goh Nai De was appointed as President, Secretary, Treasurer and Director. On that same date, David Lazar forgave all amounts outstanding to Custodian Ventures from the Company totaling \$42,430

On February 25, 2021, the Company board of directors approved a 1 for 750 reverse stock split. On that same date the company changed its name to SAM Trade Asia Pte Limited.

Note 2 – Summary of significant accounting policies

Basis of presentation

The accompanying unaudited annual financial statements have been prepared in accordance with generally accepted accounting principles for financial information and with the instructions to OTC Markets Alternative Reporting Standard.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The management makes its best estimate of the outcome for these items based on information available when the financial statements are prepared. Actual results could vary.

Basic and Diluted Loss Per Share

The Company computes earnings (loss) per share in accordance with ASC 260-10-45 "Earnings per Share", which requires presentation of both basic and diluted earnings per share on the face of the statement of operations. Basic earnings (loss) per share is computed by dividing net earnings (loss) available to common stockholders by the weighted average number of outstanding common shares during the period. Diluted earnings (loss) per share gives effect to all dilutive potential common shares outstanding during the period. Dilutive earnings (loss) per share excludes all potential common shares if their effect is anti-dilutive. The Company has no potential dilutive instruments, and therefore, basic and diluted earnings (loss) per share are equal.

Income Taxes

We use the asset and liability method of accounting for income taxes in accordance with ASC Topic 740, "Income Taxes." Under this method, income tax expense is recognized for the amount of: (i) taxes payable or refundable for the current year and (ii) deferred tax consequences of temporary differences resulting from matters that have been recognized in an entity's financial statements or tax returns. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the results of operations in the period that includes the enactment date. A valuation allowance is provided to reduce the deferred tax assets reported if based on the weight of the available positive and negative evidence, it is more likely than not some portion or all of the deferred tax assets will not be realized.

ASC Topic 740-10-30 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC Topic 740-10-40 provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. We have no material uncertain tax positions for any of the reporting periods presented.

The Company has evaluated Staff Accounting Bulletin No. 118 regarding the impact of the decreased tax rates of the Tax Cuts & Jobs Act. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. The U.S. federal income tax rate of 21% is being used due to the new tax law recently enacted.

Stock Based Compensation

The Company measures the cost of services received in exchange for an award of equity instruments based on the fair value of the award. For employees and directors and non-employees (effective January 1, 2019), the fair value of the award is measured on the grant date. The fair value amount is then recognized over the period during which services are required to be provided in exchange for the award, usually the vesting period. Stock-based compensation expense is recorded by the Company in the same expense classifications in the consolidated statements of operations, as if such amounts were paid in cash.

Subsequent Event

The Company evaluated subsequent events through the date when financial statements are issued for disclosure consideration.

Adoption of Recent Accounting Pronouncements

The Company has implemented all new accounting pronouncements that are in effect and that may impact its financial statements and does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

Note 3- Going Concern

The accompanying financial statements have been prepared assuming the continuation of the Company as a going concern. The Company has not yet established an ongoing source of revenues sufficient to cover its operating costs and is dependent on debt and equity financing to fund its operations. The accompanying financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that may result from the possible inability of the Company to continue as a going concern.

Management anticipates that the Company will be dependent, for the near future, on borrowings from related party to fund operating expenses. In light of management's efforts, there are no assurances that the Company will be successful in any of its endeavors or become financially viable and continue as a going concern. These financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts, or amounts and classification of liabilities that might result from this uncertainty.

Note 4 – Discontinued Operations

The Company has fully impaired all assets since the shutdown of its operations in 2009 and had recorded the effects of this impairment as part of its discontinued operations. With the absence of a substantial amount of the old records and the passage of the statute of limitations the company has recorded a discontinued operations gain of \$3,956,682 in 2009 the most current year since operations shutdown based on the accumulated records obtained to date through the year ended February 28, 2021.

In addition, the state of Nevada Revised Statutes (NRS 11.190) establishes a statute of limitations on enforcement of any contract, obligation or liability founded upon an instrument, to be done in writing within six years of establishment of such obligation or debt. To date, no written acknowledgement nor any partial payments has been delivered to the Company by a creditor within six years from the date of this annual report.

Note 5 – Related Party Transactions

On July 11, 2019, Custodian Ventures LLC, applied for appointment as Custodian of Paperfree Medical Solutions, Inc. with the eight judicial District Court of Nevada.

On August 24, 2019, the eight judicial District Court of Nevada appointed Custodian Ventures, LLC as custodian for Paperfree Medical Solutions, Inc., proper notice having been given to the officers and directors of Paperfree Medical Solutions, Inc.. There was no opposition.

On August 26, 2019, the Company filed a certificate of revival with the state of Nevada, appointing David Lazar as, President, Secretary, Treasurer and Director.

On October 31, 2019, the Company issued 20,000,000 shares of Series A-1 Preferred stock to Custodian Ventures, LLC at \$0.0001 par for shares valued at \$200 in exchange for settlement of a portion of a related party loan for amounts advanced to the Company in the amount of \$200.

During the fiscal year ended February 29, 2020, Custodian Ventures LLC, paid a total of \$22,807 for registration, legal and accounting fees on behalf of the Company. As of February 29, 2020, \$22,607 remains outstanding as a loan payable to Custodian Ventures, LLC.

Note 6 – Income Taxes

The Company provides for income taxes under FASB ASC 740, Accounting for Income Taxes. FASB ASC 740 requires the use of an asset and liability approach in accounting for income taxes. Deferred tax assets and liabilities are recorded based on the differences between the financial statement and tax bases of assets and liabilities and the tax rates in effect currently.

FASB ASC 740 requires the reduction of deferred tax assets by a valuation allowance, if, based on the weight of available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. In the Company's opinion, it is uncertain whether they will generate sufficient taxable income in the future to fully utilize the net deferred tax asset. Accordingly, a valuation allowance equal to the deferred tax asset has been recorded. The total deferred tax asset is \$3,205 which is calculated by multiplying a 21% estimated tax rate by the cumulative net operating loss (NOL) adjusted for the following items:

<u>For the period ended February 28,</u>	<u>2021</u>
Book loss for the year	\$ (15,264)
Adjustments:	
	<u>-</u>
Tax loss for the year	(15,264)

Estimated effective tax rate		21%
Deferred tax asset	\$	<u>(3,205)</u>

Details for the last period are as follows:

For the period ended February 28,		2021
Deferred tax asset	\$	3,205
Valuation allowance		(3,205)
Current taxes payable		<u>-</u>
Income tax expense	\$	<u>-</u>

Below is a chart showing the estimated corporate federal net operating loss (NOL) and the year in which it will expire. The total NOL carry forward as of February 28, 2021 was \$3,205 as itemized below:

Year	Amount	Expiration
