5) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. In answering this item, please include the following:

- A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

Our business plan to seek a merger has many uncertainties which pose risks to investors.

We intend to seek, investigate and, if such investigation warrants, acquire an interest in business opportunities presented to us by persons or firms which desire to seek the advantages of an issuer who has complied with the Securities Act of 1934 (the "1934 Act"). We will not restrict our search to any specific business, industry or geographical location, and we may participate in business ventures of virtually any nature. This discussion of our proposed business is purposefully general and is not meant to be restrictive of our unlimited discretion to search for and enter into potential business opportunities. We anticipate that we may be able to participate in only one potential business venture because of our lack of financial resources. We may seek a business opportunity with entities which have recently commenced operations, or that desire to utilize the public marketplace in order to raise additional capital in order to expand into new products or markets, to develop a new product or service, or for other corporate purposes. All of these activities have risk to investors including dilution and management.

We expect that the selection of a business opportunity will be complex. Due to general economic conditions, rapid technological advances being made in some industries and shortages of available capital, we believe that there are numerous firms seeking the benefits of an issuer who has complied with the 1934 Act. Such benefits may include facilitating or improving the terms on which additional equity financing may be sought, providing liquidity for incentive stock options or similar benefits to key employees, providing liquidity (subject to restrictions of applicable statutes) for all stockholders and other factors. Potentially, available business opportunities may occur in many different industries and at various stages of development, all of which will make the task of comparative investigation and analysis of such business opportunities extremely difficult and complex. We have, and will continue to have, essentially no assets to provide the owners of business opportunities. However, we will be able to offer owners of acquisition candidates the opportunity to acquire a controlling ownership interest in an issuer who has complied with the 1934 Act without incurring the cost and time required to conduct an initial public offering.

The analysis of new business opportunities will be undertaken by, or under the supervision of, our Board of Directors. We intend to concentrate on identifying preliminary prospective business opportunities which may be brought to our attention through present associations of our director, professional advisors or by our stockholders. In analyzing prospective business opportunities, we will consider such matters as (i) available technical, financial and managerial resources; (ii) working capital

⁴ The financial statements requested pursuant to this item must be prepared in accordance with US GAAP or IFRS by persons with sufficient financial skills.

and other financial requirements; (iii) history of operations, if any, and prospects for the future; (iv) nature of present and expected competition; (v) quality, experience and depth of management services; (vi) potential for further research, development or exploration; (vii) specific risk factors not now foreseeable but that may be anticipated to impact the proposed activities of the company; (viii) potential for growth or expansion; (ix) potential for profit; (x) public recognition and acceptance of products, services or trades; (xi) name identification; and (xii) other factors that we consider relevant. As part of our investigation of the business opportunity, we expect to meet personally with management and key personnel. To the extent possible, we intend to utilize written reports and personal investigation to evaluate the above factors.

We will not acquire or merge with any company for which audited financial statements cannot be obtained within a reasonable period of time after closing of the proposed transaction.

Acquisition Interest

In implementing a structure for a particular business acquisition, we may become a party to a merger, consolidation, reorganization, joint venture, or licensing agreement with another company or entity. We may also acquire stock or assets of an existing business. Upon consummation of a transaction, it is probable that our present management and stockholders will no longer be in control of us. In addition, our sole director may, as part of the terms of the acquisition transaction, resign and be replaced by new directors without a vote of our stockholders, or sell his stock in us. Any such sale will only be made in compliance with the securities laws of the United States and any applicable state.

It is anticipated that any securities issued in any such reorganization would be issued in reliance upon exemption from registration under application federal and state securities laws. In some circumstances, as a negotiated element of the transaction, we may agree to register all or a part of such securities immediately after the transaction is consummated or at specified times thereafter. If such registration occurs, it will be undertaken by the surviving entity after it has successfully consummated a merger or acquisition and is no longer considered an inactive company.

The issuance of substantial additional securities and their potential sale into any trading market which may develop in our securities may have a depressive effect on the value of our securities in the future. There is no assurance that such a trading market will develop.

While the actual terms of a transaction cannot be predicted, it is expected that the parties to any business transaction will find it desirable to avoid the creation of a taxable event and thereby structure the business transaction in a so-called "tax-free" reorganization under Sections 368(a)(1) or 351 of the Internal Revenue Code (the "Code"). In order to obtain tax-free treatment under the Code, it may be necessary for the owner of the acquired business to own 80% or more of the voting stock of the surviving entity. In such event, our stockholders would retain less than 20% of the issued and outstanding shares of the surviving entity. This would result in significant dilution in the equity of our stockholders.

As part of our investigation, we expect to meet personally with management and key personnel, visit and inspect material facilities, obtain independent analysis of verification of certain information provided, check references of management and key personnel, and take other reasonable investigative measures, to the extent of our limited financial resources and management expertise. The manner in which we participate in an opportunity will depend on the nature of the opportunity, the respective needs and desires of both parties, and the management of the opportunity.

With respect to any merger or acquisition, and depending upon, among other things, the target company's assets and liabilities, our stockholders will in all likelihood hold a substantially lesser percentage ownership interest in us following any merger or acquisition. The percentage ownership may be subject to significant reduction in the event we acquire a target company with assets and expectations of growth. Any merger or acquisition can be expected to have a significant dilutive effect on the percentage of shares held by our stockholders.

We will participate in a business opportunity only after the negotiation and execution of appropriate written business agreements. Although the terms of such agreements cannot be predicted, generally we anticipate that such agreements will (i) require specific representations and warranties by all of the parties; (ii) specify certain events of default; (iii) detail the terms of closing and the conditions which must be satisfied by each of the parties prior to and after such closing; (iv) outline the manner of bearing costs, including costs associated with the Company's attorneys and accountants; (v) set forth remedies on defaults; and (vi) include miscellaneous other terms.

As stated above, we will not acquire or merge with any entity which cannot provide independent audited financial statements within a reasonable period of time after closing of the proposed transaction. If such audited financial statements are not available at closing, or within time parameters necessary to insure our compliance within the requirements of the 1934 Act, or if the audited financial statements provided do not conform to the representations made by that business to be acquired, the definitive closing documents will provide that the proposed transaction will be voidable, at the discretion of our present management. If such transaction is voided, the definitive closing documents will also contain a provision providing for reimbursement for our costs associated with the proposed transaction.

Competition

We believe we are an insignificant participant among the firms which engage in the acquisition of business opportunities. There are many established venture capital and financial concerns that have significantly greater financial and personnel resources and technical expertise than we have. In view of our limited financial resources and limited management availability, we will continue to be at a significant competitive disadvantage compared to our competitors.

Investment Company Act 1940

Although we will be subject to regulation under the Securities Act of 1933, as amended, and the 1934 Act, we believe we will not be subject to regulation under the Investment Company Act of 1940 (the "1940 Act") insofar as we will not be engaged in the business of investing or trading in securities. In the event we engage in business combinations that result in us holding passive investment interests in a number of entities, we could be subject to regulation under the 1940 Act. In such event, we would be required to register as an investment company and incur significant registration and compliance costs. We have obtained no formal determination from the SEC as to our status under the 1940 Act and, consequently, any violation of the 1940 Act would subject us to material adverse consequences. We believe that, currently, we are exempt under Regulation 3a-2 of the 1940 Act.

Please list any subsidiaries, parents, or affiliated companies.

We have no subsidiaries, parents or affiliated companies.

B. Describe the issuers' principal products or services.

Opinion on the Financial Statements

We have audited the accompanying balance sheet of Myson, Inc. (the "Company") as of July 31, 2021, the related statement of operations, stockholders' equity (deficit), and cash flows for the period July 8, 2021 (Inception) through July 31, 2021 and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of July 31, 2021, and the results of its operations and its cash flows for the period July 8, 2021 (Inception) through July 31, 2021, in conformity with accounting principles generally accepted in the United States.

Substantial Doubt about the Company's Ability to Continue as a Going Concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 3 to the financial statements, the Company's significant operating losses raise substantial doubt about its ability to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

MYSON, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – NATURE OF OPERATIONS

Myson, Inc. (“Myson”, or the “Company”) is an Oklahoma corporation formed on July 8, 2021. As of July 31, 2021, the Company did not have any subsidiaries.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation

The financial statements include the accounts of Myson, Inc. from July 8, 2021 (Inception) through July 31, 2021).

The Company prepares its financial statements in accordance with accounting principles generally accepted in the United States of America. Significant accounting policies are as follows:

Use of Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States ("GAAP") requires management to make estimates and assumptions that affect (i) the reported amounts of assets and liabilities, (ii) the disclosure of contingent assets and liabilities known to exist as of the date the financial statements are published, and (iii) the reported amount of net revenues and expenses recognized during the periods presented. Adjustments made with respect to the use of estimates often relate to improved information not previously available. Uncertainties with respect to such estimates and assumptions are inherent in the preparation of financial statements; accordingly, actual results could differ from these estimates. The Company's most significant estimates relate to the valuation of its contingent liabilities and the valuation of its common stock.

Cash and Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Income Taxes

We account for income taxes under the asset and liability method. Deferred tax assets and liabilities are recognized for future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Valuation allowances are recorded, when necessary, to reduce deferred tax assets to the amount expected to be realized.

As a result of the implementation of certain provisions of ASC 740, Income Taxes ("ASC 740"), which clarifies the accounting and disclosure for uncertainty in tax positions, as defined, ASC 740 seeks to reduce the diversity in practice associated with certain aspects of the recognition and measurement related to accounting for income taxes. We adopted the provisions of ASC 740 and have analyzed filing positions in each of the federal and state jurisdictions where we are required to file income tax returns, as well as all open tax years in these jurisdictions. We have identified the U.S. federal as our "major" tax jurisdictions. However, we have certain tax attribute carryforwards which will remain subject to review and adjustment by the relevant tax authorities until the statute of limitations closes with respect to the year in which such attributes are utilized.

Basic and Diluted Loss Per Share

Basic loss per share is computed using the weighted average number of shares outstanding during the period. Diluted loss per share has not been provided as it would be anti-dilutive.

Stock-Based Compensation

We periodically issue stock options and warrants to employees and non-employees in non-capital raising transactions for services and for financing costs. We account for stock option and warrant grants issued and vesting to employees based on Financial Accounting Standards Board (FASB) ASC Topic 718, "Compensation-Stock Compensation", whereas the award is measured at its fair value at the date of grant and is amortized ratably over the service period. We account for stock option and warrant grants issued and vesting to non-employees in accordance with ASC Topic 505, "Equity", whereas the value of the stock compensation is based upon the measurement date as determined at either (a) the date at which a performance commitment is reached, or (b) at the date at which the necessary performance to earn the equity instruments is complete.

Fair Value of Financial Instruments

The Company's financial instruments consist primarily of accounts payable and accrued expenses. The carrying amounts of such financial instruments approximate their respective estimated fair value due to the short-term maturities and approximate market interest rates of these instruments.

The Company adopted ASC Topic 820, *Fair Value Measurements* ("ASC Topic 820"), which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The standard provides a consistent definition of fair value which focuses on an exit price that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The standard also prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information and establishes a three-level hierarchy for fair value measurements based on the nature of inputs used in the valuation of an asset or liability as of the measurement date.

The three-level hierarchy for fair value measurements is defined as follows:

- Level 1 - inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets; liabilities in active markets;
- Level 2 - inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability other than quoted prices, either directly or indirectly, including inputs in markets that are not considered to be active; or directly or indirectly including inputs in markets that are not considered to be active;
- Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement

Recent Accounting Pronouncements

In March 2016, the FASB issued ASU 2016-09, "Compensation-Stock Compensation (Topic 718): Improvements to Employee Share-Based Payment Accounting". The amendments are effective for public companies for annual periods beginning after December 15, 2016, and interim periods within those annual periods. Several aspects of the accounting for share-based payment award transactions are simplified, including: (a) income tax consequences; (b) classification of awards as either equity or liabilities; and (c) classification on the statement of cash flows. The Company is currently in the process of evaluating the impact of the adoption on its financial statements.

In February 2016, the FASB issued ASU No. 2016-02, "Leases (Topic 842)" ("ASU 2016-02"). ASU 2016-02 requires an entity to recognize assets and liabilities arising from a lease for both financing and operating leases. The ASU will also require new qualitative and quantitative disclosures to help investors and other financial statement users better understand the amount, timing, and uncertainty of cash flows arising from leases. ASU 2016-02 is effective for fiscal years beginning after December 15, 2018, with early adoption permitted. The Company is currently evaluating the impact of adopting this guidance.

In January 2016, the FASB issued ASU 2016-01, which amends the guidance in U.S. GAAP on the classification and measurement of financial instruments. Changes to the current guidance primarily affect the accounting for equity investments, financial liabilities under the fair value option, and the presentation and disclosure requirements

for financial instruments. In addition, the ASU clarifies guidance related to the valuation allowance assessment when recognizing deferred tax assets resulting from unrealized losses on available-for-sale debt securities. The new standard is effective for fiscal years and interim periods beginning after December 15, 2017, and upon adoption, an entity should apply the amendments by means of a cumulative-effect adjustment to the balance sheet at the beginning of the first reporting period in which the guidance is effective. Early adoption is not permitted except for the provision to record fair value changes for financial liabilities under the fair value option resulting from instrument-specific credit risk in other comprehensive income. The Company is currently evaluating the impact of adopting this guidance.

In September 2015, the FASB issued ASU 2015-16, "Simplifying the Accounting for Measurement -Period Adjustments." Changes to accounting for measurement-period adjustments relate to business combinations. Currently, an acquiring entity is required to retrospectively adjust the balance sheet amounts of the acquiree recognized at the acquisition date with a corresponding adjustment to goodwill as a result of changes made to the balance sheet amounts of the acquiree. The measurement period is the period after the acquisition date during which the acquirer may adjust the balance sheet amounts recognized for a business combination (generally up to one year from the date of acquisition). The changes eliminate the requirement to make such retrospective adjustments, and, instead require the acquiring entity to record these adjustments in the reporting period they are determined. The new standard is effective

for both public and private companies for periods beginning after December 15, 2015. The Company is currently evaluating the impact of adopting this guidance.

NOTE 3 – GOING CONCERN

These financial statements have been prepared in accordance with generally accepted accounting principles applicable to a going concern, which assumes that the Company will be able to meet its obligations and continue its operations for its next fiscal year. Realization values may be substantially different from carrying values as shown and these financial statements do not give effect to adjustments that would be necessary to the carrying values and classification of assets and liabilities should the Company be unable to continue as a going concern. At July 31, 2021, the Company had not yet achieved profitable operations, has accumulated losses of \$101 since its inception, has no working capital and expects to incur further losses in the development of its business, all of which raise substantial doubt about the Company's ability to continue as a going concern. The Company's ability to continue as a going concern is dependent upon its ability to generate future profitable operations and/or to obtain the necessary financing to meet its obligations and repay its liabilities arising from normal business operations when they come due. Management has no formal plan in place to address this concern but considers that the Company will be able to obtain additional funds by equity financing and/or related party advances, however, there is no assurance of additional funding being available or on terms acceptable to the Company.

NOTE 4 - RELATED PARTY TRANSACTIONS

As of July 31, 2021, a related party has paid various expenses on behalf of the Company. The related party does not expect to be reimbursed for those expenses.

As the Company's office space needs are limited at the current time, the officer and director is currently providing space to the Company at no cost.

NOTE 5 - EQUITY

The total number of shares of stock which the corporation shall have authority to issue is 500,000,000 shares, all par value \$.00001 per share, of which 480,000,000 shares are designated as Common Stock and 20,000,000 shares are designated as Preferred Stock. The Preferred Stock authorized by these Articles of Incorporation may be issued in one or more series. The Board of Directors of the Corporation is authorized to determine or alter the rights, preferences, privileges, and restrictions granted or imposed upon any wholly unissued series of Preferred Stock, and within the limitations or restrictions stated in any resolution or resolutions of the Board of Directors originally fixing the number of shares constituting any series, to increase or decrease (but not below the number of shares of any such series then outstanding) the number of shares of any such series subsequent to the issue of shares of that series, to determine the designation and par value of any series and to fix the numbers of shares of any series. The Company has 69,778 shares of Common Stock and 10,000 shares of Series A Convertible Preferred Stock outstanding. Each share of Series A Convertible Preferred Stock is convertible into 10,000 shares of Common Stock and has 100,000 voting rights per share. The number of shares of Common Stock outstanding could increase slightly as a result of rounding shares issued in lieu of fractional shares.

NOTE 6 - SUBSEQUENT EVENTS

The Company has evaluated all events that occurred after the balance sheet date through the date when financial statements were issued to determine if they must be reported. The management of the Company determined that there were no reportable subsequent events to be disclosed.

These Articles of Incorporation shall be effective upon filing with the Oklahoma Secretary of State.

The period of existence of the corporation shall be perpetual.

Article 6

The registered agent of the corporation shall be Registered Agents Inc., and the corporation's registered office address shall be 3030 Northwest Expressway, Suite 200B, Oklahoma City, Oklahoma 73112. The Board of Directors shall have the power to change the corporation's registered agent and its registered office address at any time.

Article 7

7.1. Authorized Shares. The number of authorized shares which the corporation shall have authority to issue is 480,000,000 shares of common stock and 20,000,000 shares of preferred stock, all par value \$.000100. The preferred stock may be issued in one or more series, and with such voting powers, designations, limitations, restrictions and relative rights as may be established by resolution of the Board of Directors acting pursuant to §1032(A) of the Oklahoma General Corporation Act.

7.2. Creation of Series A Convertible Preferred Stock. There is hereby created a series of preferred stock consisting of 1,000,000 shares and designated as the Series A Convertible Preferred Stock, having the voting powers, preferences, relative, participating, optional and other special rights and the qualifications, limitations and restrictions thereof that are set forth below. No shares of Series A Convertible Preferred Stock may be issued in fractions of less than one whole share.

7.2.1. Dividend Provisions. The holders of shares of Series A Convertible Preferred Stock shall be entitled to receive, when and as declared by the Board of Directors out of any funds at the time legally available therefor, dividends at the same time and on a parity with holders of common stock, as if on the date immediately prior to the record date for such dividend, the Series A Convertible Preferred Stock had been converted into

common stock at the Conversion Rate. Each share of Series A Convertible Preferred Stock shall rank on a parity with each other share of Series A Convertible Preferred Stock with respect to dividends.

7.2.2. Redemption Provisions. The Series A Convertible Preferred Stock is not redeemable.

7.2.3. Liquidation Provisions. In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the Series A Convertible Preferred Stock shall be entitled to receive an amount at the same time and on a parity with holders of common stock, as if on the date immediately prior to the record date for such dividend, the Series A Convertible Preferred Stock had been converted into common stock at the Conversion Rate. A reorganization or any other consolidation or merger of the Corporation with or into any other corporation, or any other sale of all or substantially all of the assets of the Corporation, shall not be deemed to be a liquidation, dissolution or winding up of the Corporation within the meaning of this Section 7.2.3, and the Series A Convertible Preferred Stock shall be entitled only to (i) the right provided in any agreement of plan governing the reorganization or other consolidation, merger or sale of assets transaction, (ii) the rights contained in the Wyoming Business Corporation Act and (iii) the rights contained in other Sections hereof.

7.2.4. Conversion Provisions. The holders of shares of Series A Convertible Preferred Stock shall have conversion rights as follows (the "Conversion Rights"):

(a) Right to Convert.

(1) Each share of Series A Convertible Preferred Stock (the "Preferred Shares") shall be convertible, at the option of the holder thereof, into a number of shares of common stock of the Company at the initial conversion rate (the "Conversion Rate") defined below:

The initial Conversion Rate, subject to the adjustments described below, shall be ten thousand (10,000) shares of common stock for each one share of Series A Convertible Preferred Stock.

Such conversion shall be effectuated by surrendering the Preferred Shares to be converted (with a copy, by facsimile or courier, to the Company) to the Company's registrar and transfer agent. The date on which such conversion is effected shall be the earlier of (i) such date of physical delivery to the registrar and transfer agent, or (ii) at the election of the holder, the date that the holder gives notice of such conversion by electronic or facsimile transmission to the registrar and transfer agent provided that physical delivery follows within five business days thereafter, and shall be referred to as the "Conversion Date."

(b) Adjustments to Conversion Rate.

(1) Reclassification, Exchange and Substitution. If the common stock issuable on conversion of the Series A Convertible Preferred Stock shall be changed into the same or a different number of shares of any other class or classes of stock, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares provided for above), the holders of the Series A Convertible Preferred Stock shall, upon its conversion, be entitled to receive, in lieu of the common stock which the holders would have become entitled to receive but for such change, a number of shares of such other class or classes of stock that would have been subject to receipt by the holders if they had exercised their rights of conversion of the Series A Convertible Preferred Stock immediately before that change.

(2) Reorganizations, Mergers, Consolidations or Sale of Assets. If at any time there shall be a capital reorganization of the Corporation's common stock (other than a subdivision, combination, reclassification or exchange of shares provided for elsewhere in this Section (b) or merger of the Corporation into another corporation, or the sale of the Corporation's properties and assets as, or substantially as, an entirety to any other person), then, as a part of such reorganization, merger or sale, lawful provision shall be made so that the holders of the Series A Convertible Preferred Stock shall thereafter be entitled to receive upon conversion of the Series A Convertible Preferred Stock, the number of shares of stock or other securities or property of the Corporation, or of the successor corporation resulting from such merger, to which holders of the common stock deliverable upon conversion of the Series A Convertible Preferred Stock would have been entitled on such capital reorganization, merger or sale if the Series A Convertible Preferred Stock had been converted immediately before that capital reorganization, merger or sale to the end that the provisions of this paragraph (b)(3) (including adjustment of the Conversion Rate then in effect and number of shares purchasable upon conversion of the Series A Convertible Preferred Stock) shall be applicable after that event as nearly equivalently as may be practicable.

(c) No Impairment. The Corporation will not, by amendment of its Articles of Incorporation or through any reorganization, recapitalization, transfer of assets, merger, dissolution, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provision of this Section 7.2.5 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series A Convertible Preferred Stock against impairment.

(d) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Rate for any shares of Series A Convertible Preferred Stock, the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of Series A Convertible Preferred Stock effected thereby a certificate setting forth such adjustment or readjustment and showing in detail the

facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Series A Convertible Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Conversion Rate at the time in effect, and (iii) the number of shares of common stock and the amount, if any, of other property which at the time would be received upon the conversion of such holder's shares of Series A Convertible Preferred Stock.

(e) Notices of Record Date. In the event of the establishment by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend (other than a cash dividend) or other distribution, the Corporation shall mail to each holder of Series Preferred Stock at least twenty (20) days prior to the date specified therein, a notice specifying the date on which any such record is to be taken for the purpose of such dividend or distribution and the amount and character of such dividend or distribution.

(f) Reservation of Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of common stock solely for the purpose of effecting the conversion of the shares of the Series A Convertible Preferred Stock such number of its shares of common stock as shall from time to time be sufficient to effect the conversion of all then outstanding shares of the Series Preferred Stock; and if at any time the number of authorized but unissued shares of common stock shall not be sufficient to effect the conversion of all then outstanding shares of the Preferred Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of common stock to such number of shares as shall be sufficient for such purpose.

(g) Notices. Any notices required by the provisions of this Section 7.2 to be given to the holders of shares of Series A Convertible Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at its address appearing on the books of the Corporation.

7.2.5. Voting Provisions. In addition to such rights as are expressly provided or required by law, the Series A Convertible Preferred Stock shall vote as a class with the Common Stock. The holders of Series A Convertible Preferred Stock will have such number of voting rights per share as if such holder had converted its shares into Common Stock at the Conversion Rate in effect on the record date for the shareholder meeting or consent action, times ten (10).

Article 8

No capital stock issued by the corporation shall be assessable following payment of the subscription price or par value therefor.

Article 9

9.1 Indemnification. Every person who was or is a party or is threatened to be a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or a person of whom he is the legal representative is or was a director, officer, employee, agent or other person of the corporation, or is or was serving at the request of the corporation or for its benefit as a director, officer employee or other person of another corporation, partnership, joint venture, trust or enterprise, shall be indemnified and held harmless to the fullest extent legally permissible under the §1031 of the Oklahoma General Corporation Act, or as it may be amended or recodified from time to time against all expenses, liability and loss (including attorneys' fees, judgments, fines and amounts paid or to be paid in settlement) reasonably incurred or suffered by him in connection therewith. The expenses of officers and directors incurred in defending a civil or criminal action, suit or proceeding must be paid by the corporation as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he is not entitled to be indemnified by the corporation. Such right of indemnification shall be a contract right which may be enforced in any manner desired by such person. Such right of indemnification shall not be exclusive of any other right which such directors, officers, employees, agents or other persons may have or hereafter acquire and, without limiting the generality of such statement they shall be entitled to their respective rights or indemnification under any bylaw, agreement, vote of stockholders, provisions of law or otherwise, as well as their rights under this Article.

9.2 Bylaws and Insurance. Without limiting the application of the foregoing, the board of directors may adopt bylaws from time to time with respect to indemnification permitted by the law of the State of Oklahoma and may cause the corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, agent or other person of the corporation, or is or was serving at the request of the corporation as a director, officer, employee, agent or other person of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred in any such capacity or arising out of such status whether or not the corporation would have the power to indemnify such person.

Article 10

A director or officer of the corporation shall not be personally liable to this corporation or its stockholders for damages for breach of fiduciary duty as a director or officer, but this Article shall not eliminate or limit the liability of a director or officer for (a) acts or omissions which involve intentional misconduct, fraud or knowing violation of law or (b) the unlawful payment of dividends. Any repeal or modification of this Article by the stockholders of the corporation shall be prospective only, and shall not adversely affect any limitation on the personal liability of the director or officer of the corporation for acts or omissions prior to such repeal or modification.

Article 11

11.1. No Disqualification. A director or officer of the corporation shall not be disqualified by his office from dealing or contracting with the corporation as a vendor, purchaser, employee, agent or otherwise.

11.2. Interested Transactions. No transaction, contract or act of the corporation shall be void or voidable or in any way affected or invalidated by reason of the fact that any director or officer of any corporation is a member of any firm, a shareholder, director or officer of the corporation or trustee or beneficiary of any trust that is in any way interested in such transaction, contract or act. No director or officer shall be accountable or responsible to the corporation for or in respect to any transaction, contract or act of the corporation for any gain or profit directly or indirectly realized by him by reason of the fact that he or any firm in which he is a member or any corporation of which he is a trustee, or beneficiary, is interested in such transaction, contract, or act; provided the fact that such director or officer or such firm, corporation or trust is so interested shall have been disclosed or shall have been known to the members of the Board of Directors as shall be present at any meeting at which action upon such contract, transaction or act shall have been taken. Any director may be counted in determining the existence of a quorum at any meeting of the Board of Directors which shall authorize or take action in respect to any such contract, transaction or act, and may vote thereat to authorize, ratify or approve any such contract, transaction or act, and any officer of the corporation may take any action within the scope of his authority, respecting such contract, transaction or act, and any officer of the corporation of which he is a shareholder, director or officer, or any trust of which he is a trustee or beneficiary, were not interested in such transaction, contract or act. Without limiting or qualifying the foregoing, if in any judicial or other inquiry, suit, cause or proceeding, the question of whether a director or officer of the corporation has acted in good faith is material, and notwithstanding any statute or rule of law or equity to the contrary (if any there be), his good faith shall be presumed in the absence of proof to the contrary by clear and convincing evidence.

For each meeting of stockholders written notice shall be given stating the place, date and hour, and, in the case of a special meeting, the purpose or purposes for which the meeting is called and, if the list of stockholders required by Section 6 is not to be at the place of said meeting at least 10 days prior to the meeting, the place where said list will be. Except as otherwise provided by Oklahoma law, the written notice of any meeting shall be given not less than 10 nor more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting. If mailed, notice shall be deemed to be given when deposited in the United States mail, postage prepaid, directed to the stockholder at his address as it appears on the records of the Corporation.

Section 6. List of Stockholders Entitled to Vote. At least 10 days before every meeting of stockholders a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder, shall be prepared and shall be open to the examination of any stockholder for any purpose germane to the meeting, during ordinary business hours, for a period of at least 10 days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. Such list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

Section 7. Special Meetings. A special meeting of stockholders may be called at any time by the Chairman or by a majority of the directors then in office, and shall be called by the Chairman upon receipt of a written request to do so specifying the matter or matters, appropriate for action at such meeting, proposed to be presented at the meeting and signed by holders of record of two-thirds of the shares of stock that would be entitled to be voted on such matter or matters if the meeting was held on the day such request is received and the record date for such meeting was the close of business on the preceding day. Any such meeting shall be held at such time and at such place, within or without the State of Oklahoma, as shall be determined by the body or person calling such meeting and as shall be stated in the notice of such meeting.”

Section 8. Chairman and Secretary at Meeting. At each meeting of stockholders, the Chairman of the Board of Directors or, in the absence or inability to serve by the Chairman of the Board of Directors, the Vice Chairman of the Board of Directors or, in the absence or inability to serve by both the Chairman of the Board of Directors and the Vice Chairman of the Board of Directors, the President or, in the absence or inability to serve by the Chairman of the Board of Directors, Vice Chairman of the Board of Directors and the President, the person designated in writing by the President or, if no person is so designated, then a person designated by the Board of Directors shall preside as Chairman of the meeting; if no person is so designated, then the Board of Directors shall choose a Chairman by plurality vote. The Secretary or in his absence a person designated by the Chairman of the meeting shall act as Secretary of the meeting.

Section 9. Adjourned Meetings. A meeting of stockholders may be adjourned to another time or place as provided in Sections 3 or 4(d) of this Article III. Unless the Board of Directors fixes a new record date, stockholders of record for an adjourned meeting shall be as originally determined for the meeting from which the adjournment was taken. If the adjournment is for more than 30 days, or if after the adjournment, a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote. At the adjourned meeting any business may be transacted that might have been transacted at the meeting as originally called.

Section 10. Consent of Stockholders in Lieu of Meeting.

10.1 Action by Written Consent. Any action which is required to be or may be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote, if consents in writing, setting forth the action so taken, shall have been signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or to take such action at a meeting at which all shares entitled to vote thereon were present and voted; provided however, that prompt notice of the taking of the corporate action without a meeting and by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

10.2 Determination of Record Date of Action by Written Consent. In order to inform the Corporation’s stockholders and the investing public in advance that a record date for action by consent will occur and to comply with the procedures contained in the New York Stock Exchange (or such other exchange on which the Corporation’s securities are listed for trading)

policies and rules, the record date for determining stockholders entitled to express consent to corporate action in writing without a meeting is fixed by the Board of Directors of the Corporation pursuant to Section 213 of the Oklahoma General Corporation Law as follows: The Board of Directors shall set as the record date the 10th day after (i) any stockholder of record seeking to have the stockholders authorize or take corporate action by written consent without a meeting shall, by written notice to the Secretary which may be given by telex or telecopy, advise the Corporation of the corporate action proposed for which consents will be sought and request from the Board of Directors a record date unless a later date is specified by such stockholder, or (ii) the Board of Directors determines that the Corporation should seek corporate action by written consent, unless a later record date is specified in the resolution of the Board of Directors containing such determination. In the event that the record date set as provided falls on a Saturday, Sunday or legal holiday, the record date shall be the first day next following such date that is not a Saturday, Sunday or legal holiday. Any record date determined pursuant to this Subsection 10.2 shall be announced by a press release prior to the opening of trading on the New York Stock Exchange (or such other exchange on which the Corporation's securities are listed for trading) on the next trading day after a request for a record date pursuant to clause (i) above is received by the Secretary or a Board of Directors' determination pursuant to clause (ii) above.

10.3 Duration and Revocation of Consents. The stockholders of the Corporation shall be given at least 10 days from the record date to give or revoke written consents. Consents to corporate action shall be valid for a maximum of 60 days after the record date. Consents may be revoked by written notice (i) to the Corporation, (ii) to the stockholder or stockholders soliciting consents or soliciting revocations in opposition to action by consent proposed by the Corporation (the "Soliciting Stockholders"), or (iii) to a proxy solicitor or other agent designated by the Corporation of the Soliciting Stockholder(s).

10.4 Retention and Duties of Inspectors of Election. Within two business days after receipt of a request by a stockholder for the setting of a record date or a determination by the Board of Directors that the Corporation should seek corporate action by written consent, as the case may be, the Secretary of the Corporation shall engage nationally recognized independent inspectors of elections for the purpose of performing a ministerial review of the validity of the consents and revocations. The inspectors shall review all consents and revocations, determine whether the requisite number of valid and unrevoked consents has been obtained to authorize or take the action specified in the consents, and forthwith certify such determination for entry in the records of the Corporation kept for the purpose of recording the proceedings of meetings of stockholders. The cost of retaining inspectors of elections shall be borne by the party proposing the action by consent.

10.5 Procedures for Counting and Challenging Consents. Consents and revocations shall be delivered to the inspectors upon receipt by the Corporation, the Soliciting Stockholders or their proxy solicitors or other designated agents. As soon as consents and revocations are received, the inspectors shall review the consents and revocations and shall maintain a count of the number of valid and unrevoked consents. The inspectors shall keep such count confidential and shall not reveal the count to the Corporation, the Soliciting Stockholders or their representatives. As soon

as practicable after the earlier of (i) 60 days after the record date for the consents or (ii) a request therefore by the Corporation or the Soliciting Stockholders (whichever is soliciting consents) made after expiration of the period for giving or revoking consents under

Subsection 10.3 above, notice of which request shall be given to the party opposing the solicitation of consents, which request shall state that the Corporation or Soliciting Stockholder(s) (as the case may be) in good faith believe that it or they have received the requisite number of valid and unrevoked consents to authorize or take the action specified in the consents, the inspectors shall issue a preliminary report to the Corporation and the Soliciting Stockholders stating:

- (i) The number of valid consents;
- (ii) The number of valid revocations;
- (iii) The number of valid and unrevoked consents;
- (iv) The number of invalid consents;
- (v) The number of invalid revocations;
- (vi) Whether, based on their preliminary count, the requisite number of valid and unrevoked consents has been obtained to authorize or take the action specified in the consents.

Unless the Corporation and the Soliciting Stockholder(s) shall agree to a shorter or longer period, the Corporation and the Soliciting Stockholder(s) shall have 48 hours to review the consents and revocations and to advise the inspectors and the opposing party in writing as to whether they intend to challenge the preliminary report of the inspectors. If no written notice of an intention to challenge the preliminary report is received within 48 hours after the inspector's issuance of the preliminary report, the inspectors shall issue to the Corporation and the Soliciting Stockholder(s) their final report containing the information from the inspectors' determination with respect to whether the requisite number of valid and unrevoked consents was obtained to authorize and take the action specified in the consents. If the Corporation or the Soliciting Stockholder(s) issue written notice of an intention to challenge the inspectors' preliminary report within 48 hours after the issuance of that report, a challenge session shall be scheduled by the inspectors as promptly as practicable. A transcript of the challenge session shall be recorded by a certified court reporter. Following completion of the challenge session, the inspectors shall as promptly as practicable issue their final report to the Corporation and the Soliciting Stockholder(s) containing the information included in the preliminary report, plus all changes in the vote totals as a result of the challenges and a certification of whether the requisite number of valid and unrevoked consents was obtained to authorize or take the action specified in the consents.

10.6 Notice of Results. The Corporation shall give prompt notice to the stockholders of the results of any consent solicitation or the taking of the corporate action without a meeting and by less than unanimous written consent.

Section 11. Fixing of Record Date. In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or to express consent to corporate action in writing without a meeting, or entitled receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which shall not be more than 60 nor less than 10 days before the date of such meeting, nor more than 60 days prior to any other action. If no record date is fixed, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held; the record date for determining stockholders entitled to express consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is necessary, shall be the day on which the first written consent is expressed; and the record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 12. Business to be Conducted at the Annual or Special Meeting of the Stockholders; Notice of Proposals. At any annual meeting of the stockholders, only such business shall be conducted as shall have been brought before the meeting (i) by or at the direction of the Board of Directors, or (ii) by any stockholder of the Corporation who is entitled to vote with respect thereto and who: (a) was a stockholder of record (and, with respect to any beneficial owner, if different, on whose behalf such business as proposed, only if such beneficial owner was the beneficial owner of shares of the Corporation) both at the time of giving notice provided for in this Section 12 and at the time of the meeting; and (b) complies with the notice procedures set forth in this Section 12.

Except for proposals properly made in accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (as so amended and inclusive of such rules as regulations, the "Exchange Act") and included in the notice of the meeting given by or at the direction of the Board of Directors, the foregoing clause (ii) will be the exclusive means for a stockholder to propose business to be brought before the annual meeting of stockholders.

For business to be properly brought before the annual meeting by a stockholder, the Proposing Person (as defined below) must have given timely notice thereof in writing to the Secretary of the Corporation. The Proposing Person's notice will be timely if delivered or mailed to and received at the principal executive offices at the Corporation not less than 120 nor more than 150 days before the date on which the Corporation first mailed its proxy materials for the prior year's annual meeting of stockholders; provided however, that if the date of the annual meeting is more than 30 days before or more than 60 days after such date, notice by the stockholder timely must be so delivered, or mailed and received not later than the 90th day prior to such annual meeting, or if later, the 10th day following the date on which the public disclosure of the date of such

annual meeting was such made. Any adjournment of an annual meeting or the announcement hereof will not commence a new time period for giving the notice described above.

The Proposing Person's notice to the Secretary shall set forth as to each matter such stockholder proposes to bring before the annual meeting, the following:

(i) the name and address, as they appear on the Corporation books, of the stockholder proposing such business;

(ii) the class or series and number of shares of the Corporation's securities that are, directly or indirectly, owned of record or beneficially owned (within the meaning of Rule 13d-3 under the Exchange Act) by the Proposing Person, except the Proposing Person will be deemed to beneficially own any shares or class or series of the Corporation's securities which the Proposing Person has a right to acquire beneficially ownership at any time in the future (collectively, the "Stockholder Information");

(iii) as to each item of business that the stockholder proposes to bring before the annual meeting, (A) a reasonably brief description of the business desired to be brought before the annual meeting, the reasons for conducting such business at the annual meeting and any material interest in such business of each Proposing Person, (B) the text of the proposal or business (including the text of any resolutions proposed for consideration), and

(iv) a reasonably detailed description of all agreements, arrangements and understandings, oral or in writing (x) between or among any of the Proposing Persons or (y) between or among any Proposing Person and any other record or beneficial holder of the shares of any class or series of the Corporation (including their names) in connection with the proposal of such business by such stockholder or (z) between or among any Proposing Person and any other persons or entities (including their names) acting in concert with the Proposing Person.

For purposes of this Section 12, the term "Proposing Person" shall mean (i) the stockholder providing the notice of business proposed to be brought before an annual meeting, (ii) the beneficial owner or beneficial owners, if different, on whose behalf the notice of the business proposed to be brought before the annual meeting is made, and (iii) any affiliate or associate (each within the meaning of Rule 12b-2 under the Exchange Act for purposes of these Bylaws) of such stockholder or beneficial owner; and (iv) any material interest of such stockholder with respect to such business.

Notwithstanding anything in these Bylaws to the contrary, no business (other than nominations of directors, which must be made in compliance with, and shall be exclusively governed by, Article III, Section 13 of these Bylaws) shall be brought before or conducted at the annual meeting except in accordance with the provisions of this Section 12. The officer of the Corporation or other person presiding over the annual meeting shall, if the facts so warrant, determine and declare to the meeting that business was not properly brought before the meeting in accordance with the provisions of this Section 12 and, if he should so determine, he shall so declare to the meeting and any such business so determined to be not properly brought before the meeting shall not be transacted.

A stockholder providing notice of business proposed to be brought before an annual meeting shall further update and supplement such notice, as needed, so that the information provided or required to be provided in such notice pursuant to this Section 12 shall be true and correct as of the record date for the meeting and as of the date that is 10 business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to, or mailed and received by, the Secretary of the Corporation at the principal executive offices of the Corporation not later than five business days after the record date for the meeting (in the case of the update and supplement required to be made as of the record date), and not later than eight business days prior to the date for the meeting (in the case of the update and supplement required to be made as of 10 business days prior to the meeting or any adjournment or postponement thereof).

This Section 12 is expressly intended to apply to any business proposed to be brought before an annual meeting of stockholders; except this Section 12 shall not apply to any proposal made pursuant to Rule 14a-8 of the Exchange Act, or to the nomination of persons for election to the Corporation's Board of Directors at a meeting of stockholders at which directors are to be elected which shall be governed by Article III, Section 13 of these Bylaws. In addition to the requirements of this Section 12 with respect to any business proposed to be brought before an annual meeting, each Proposing Person shall comply with all applicable requirements of the Exchange Act with respect to any such business. Nothing in this Section 12 shall be deemed to affect the rights of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

For purposes of these Bylaws, "public disclosure" shall mean disclosure in a press release reported by a national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act.

The officer of the Corporation or other person presiding at the meeting shall, if the facts so warrant, determine that business was not properly brought before the meeting in accordance with the procedures set forth in this Section 12, and, if he or she should so determine, he or she shall so declare to the meeting and any such business not properly brought before the meeting shall not be transacted.

At any special meeting of the stockholders, only such business shall be conducted as shall have been brought before the meeting by or at the direction of the Board of Directors.

Section 13. Election to the Board of Directors.

13.1 Only persons who are nominated in accordance with the procedures set forth in these Bylaws shall be eligible for election as directors of the Corporation. Nominations of persons for election to the Board of Directors of the Corporation may be made at a meeting of stockholders at which directors are to be elected only:

- (i) By or at the direction of the Board of Directors; or
- (ii) By any stockholder of the Corporation entitled to vote for the election of directors at the meeting who complies with the notice procedures set forth in Subsection 13.2 below.

The foregoing clause (ii) will be the exclusive means by which a stockholder may nominate a person for election to the Board of Directors.

13.2 Nominations of election as a director of the Corporation, other than those made by or at the direction of the Board of Directors, shall be made by timely notice in writing to the Secretary of the Corporation. To be timely, a stockholder's notice shall be delivered or mailed to and received at the principal executive offices of the Corporation not less than 120 nor more than 150 days prior to the anniversary date of the meeting Corporation's immediately preceding annual meeting of stockholders; provided, however, that in the event the date of the annual meeting is more than 30 days before or more than 60 days after such date, notice by the stockholder to be timely must be so delivered, or mailed and received not later than the 90th day prior to such annual meeting, or if later, the 10th day following the date on which the public disclosure of the date of such annual meeting was so made. Any adjournment of an annual meeting or the announcement hereof will not commence a new time period for giving the timely notice described above. Such stockholder's notice shall set forth:

(i) As to each person whom such stockholder proposes to nominate for election or reelection as a director, (x) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected, and (y) a representation that such a person shall also provide any other information reasonably requested by the Corporation within 10 business days after such request); and

(ii) As to the stockholder giving the notice (x) the name and address, as they appear on the Corporation's books, of such stockholder, and (y) the class and number of shares of the Corporation's voting capital stock that are beneficially owned by such stockholder.

At the request of the Board of Directors, any person nominated by the Board of Directors for election as a director shall furnish to the Secretary of the Corporation that information required to be set forth in a stockholder's notice of nomination which pertains to the nominee.

No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the provisions of this Section 13, and, if the stockholder desires or requests access to the Corporation's Proxy Statement with respect to the election of a director, Article III, Section 14 of these Bylaws.

The officer of the Corporation or other person presiding at the meeting shall, if the facts so warrant, determine that a nomination was not made in accordance with such provisions and, if he or she should so determine, he or she shall so declare to the meeting and the defective nomination shall be disregarded.

Section 14. Stockholder Access to Corporation's Proxy Statement.

(a) Whenever the Corporation solicits proxies with respect to an election of directors at an annual meeting (an "Election"), it shall include in its proxy statement and on its proxy card, in addition

to individuals nominated by the Board of Directors, up to the Permitted Number of individuals nominated in compliance with these Bylaws by one or more Eligible Stockholders. Any Eligible Stockholder seeking to have its nominee included in the Corporation's proxy statement and on the Corporation's proxy card shall comply with all provisions of these Bylaws otherwise applicable to shareholder nominations and furnish to the Secretary of the Corporation, no later than the last day on which stockholder nominations for consideration in the Election may be made under Article III, Section 13.2 of these Bylaws (the "Advance Notice Date"),

- (i) the information set forth in Sections 13.2 of these Bylaws,
- (ii) the written undertakings described in subsections (d) and (e) below, and

(iii) any accompanying statement from the Eligible Stockholder to be included in the Corporation's proxy statement, which statement in order to be so included shall not exceed 500 words and must fully comply with Section 14 of the Exchange Act and the rules and regulations promulgated thereunder, including without limitation Rule 14a-9.

(b) For purposes of this Section:

(i) The "Permitted Number" means one seat on the Corporation's Board of Directors to be filled in the Election; provided, however, that the Permitted Number shall be reduced, but not below zero, by the sum of (i) number of such director candidates for which the Corporation shall have received from Eligible Stockholders by the Advance Notice Date one or more valid stockholder notices nominating director candidates, and (ii) the number of directors in office and serving in the class of directors to be considered at the Election for whom access to the Corporation's proxy materials was provided pursuant to this Section ("Access Director"), other than any who has served as a director continuously for at least six years. In no event will the number of nominees nominated by an Eligible Stockholder for which access to the Corporation's proxy materials may be provided in the Election plus the number of Access Directors serving on the Board at the time of the Election exceed 25% of the total number of directors that shall constitute the whole board.

(ii) An "Eligible Stockholder" means a stockholder of the Corporation that, together with its Affiliates, has continuously held Beneficial Ownership and Economic Interest of not less than the Required Interest for at least one year preceding the Advance Notice Date, and that complies with all applicable provisions of these Bylaws.

(iii) "Beneficial Ownership" means the power to vote or direct the voting of, or to dispose or direct the disposition of, the securities in question.

(iv) An "Economic Interest" in a security means having or sharing the opportunity, directly or indirectly, to profit or share in any profit (or loss) derived from a transaction in the security, including through options, swaps or other derivative securities or synthetic arrangements.

(v) "Independent" with respect to a nominee for director pursuant to this Section 14 shall mean (a) that the nominee would be considered an independent director in accordance with

the listing standards of the principal U.S. securities market in which the common stock of the Corporation trades or, if no such listing standards are applicable at the time, in accordance with the standards used by the Board of Directors or a duly authorized committee thereof in determining and disclosing the independence of the Corporation's directors in accordance with the rules of the SEC and (b) the nominee is not an employee or officer of, or consultant to, the Eligible Stockholder or any of its Affiliates and has no other material association, by agreement, understanding or familial or other relationship, with the Eligible Stockholder or any of its Affiliates.

(vi) A "Disqualified Repeat Nominee" in respect of an election shall mean an individual as to whom access to the Corporation's proxy materials for the immediately preceding election was provided and who (i) withdrew from or became ineligible or unavailable for election at the meeting, or (ii) received at such meeting votes in favor of his or her election representing less than 50% of the total votes cast for or withheld from his or her election.

(vii) The "Required Interest" means 5% of the voting power of the outstanding voting securities of the Corporation entitled to vote in the Election, based upon the number of outstanding voting securities of the Corporation most recently disclosed prior to the Advance Notice Date by the Corporation in a filing with the Securities and Exchange Commission.

(viii)

"Affiliate" of a specified person means a person that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with, the specified person, and, with respect to any investment company (as defined in the Investment Company Act of 1940, whether or not exempt from registration thereunder), shall also include all other investment companies managed by the same investment adviser or any of its Affiliates.

(c) Subject to the following sentence and any undertaking previously provided by an Eligible Stockholder pursuant to Section 14(d) below, each Eligible Stockholder, together with its Affiliates, may nominate one, and not more than one, individual under this Section for inclusion in the Corporation's proxy statement and on its proxy card. If the Corporation shall receive more than the Permitted Number of proposed nominations from Eligible Stockholders in compliance with these Bylaws, then the nominee nominated by the Eligible Stockholder possessing the largest Beneficial Ownership of voting securities of the Corporation as of the Advance Notice Date shall be the only nominee for purposes of this Section 14.

(d) Any Eligible Stockholder nominating an individual for director in accordance with this Section shall execute and deliver to the Corporation no later than the Advance Notice Date an undertaking, in a form to be provided by the Secretary of the Corporation, that it will, and will cause its Affiliates to,

(i) not sell or otherwise dispose of its Beneficial Ownership and Economic Interest of voting securities of the Corporation so as to reduce the Beneficial Ownership and Economic Interest held by such Eligible Stockholder, together with its Affiliates, below the Required Interest on or prior to the date of the Election (and representing that they have no present

intention of reducing, within one year following the Election, their aggregate Beneficial Ownership and Economic Interest below the greater of (x) the Required Interest and (y) 75% of their aggregate Beneficial and Economic Interest as of the Advance Notice Date),

(ii) comply with the provisions of the Corporation's Certificate of Incorporation and Bylaws and all laws and regulations relating to the accompanying statement submitted by the Eligible Stockholder and any solicitation or communications with stockholders of the Corporation in connection with such nomination,

(iii) indemnify the Corporation and its agents and representatives in respect of any and all liabilities that may arise out of the accompanying statement submitted by the Eligible Stockholder or any solicitation or communications with stockholders of the Corporation by such Eligible Stockholder, its Affiliates or their respective agents or representatives in connection with such nomination, including as a result of any violation of law or regulation by such Eligible Stockholder, its Affiliates or their respective agents or representatives in connection therewith,

(iv) not use any proxy card other than the Corporation's proxy card in soliciting stockholders in connection with the matters to be voted on at the meeting at which the Election is held,

(v) file all solicitation materials used by it or on its behalf with the Securities and Exchange Commission under cover of Schedule 14A promulgated under the Exchange Act, and

(vi) for a period of one year from the date of the Election, not (x) nominate any individual to be a director of the Corporation or conduct any solicitation with respect to an election for directors of the Corporation other than with respect to the Election and in accordance with this Section, or (y) acquire or propose to acquire Beneficial Ownership of or an Economic Interest in any voting securities of the Corporation such that such Eligible Stockholder, together with its Affiliates, would have aggregate Beneficial Ownership of, and/or an Economic Interest in, more than the greater of (I) 10% of the voting power of the outstanding voting securities of the Corporation or (II) an additional 5% of the voting power of the Corporation's outstanding voting securities in excess of the aggregate Beneficial Ownership and Economic Interest held by such Eligible Stockholder, together with its Affiliates, as of the Advance Notice Date (the "Aggregate Beneficial Ownership"); provided that the Aggregate Beneficial Ownership shall not equal or exceed the amount that would equal or exceed the beneficial ownership threshold necessary to trigger the Corporation preferred share rights plan as may be in effect during such time.

(e) Any Eligible Stockholder nominating an individual for director in accordance with this Section shall also deliver to the Corporation no later than the Advance Notice Date a signed undertaking of its nominee agreeing that he or she will tender his or her resignation from the Board of Directors if

(i) any of the information provided to the Corporation by the Eligible Stockholder or the nominee pursuant to this Bylaw is determined to be inaccurate in any material respect, or

(ii) the Eligible Stockholder or any of its Affiliates shall breach their obligations under the undertakings described in subsection (d) above in any material respect.

(f) The Nominating and Governance Committee shall consider a nomination pursuant to this Section 14, and shall determine if the Access Nominee is Independent and may, in its discretion, make a recommendation to the Board of Directors as to whether the Access Nominee should be nominated by the Board of Directors for election at the Annual Meeting of Stockholders.

If the Board of Directors nominates an Access Nominee as part of the Board's slate of nominees, the Notice of Access will be deemed withdrawn and the former Access Nominee shall be presented to the stockholders in the same manner as any other nominee of the Board of Directors. If the Board of Directors does not so nominate the Access Nominee, access to the Corporation's proxy materials shall be provided in accordance with the terms and subject to the conditions of this Section.

The Board of Directors or a committee thereof may adopt such rules or guidelines for applying the provisions of this Section as it determines are appropriate. These may include timing and other such adjustments as may be appropriate in the event an Access Nominee for whom Notice of Access has been provided becomes unavailable or unwilling to serve or becomes ineligible.

(g) This Section shall provide the exclusive method for stockholders to include nominees for director in the Corporation's proxy statement and on the Corporation's proxy card.

ARTICLE IV

Directors

Section 1. Number, Term, Qualifications and Vacancies. The property, business and affairs of the Corporation shall be managed by or under the direction of its Board of Directors.

The number of directors that shall constitute the whole Board of Directors may be fixed from time to time pursuant to a resolution adopted by a vote of two-thirds of the entire Board of Directors and may consist of no fewer than three nor more than ten members. The directors shall be divided into three classes. Each class shall consist, as nearly as possible, of one-third of the whole number of the Board of Directors. At each annual election of the successors to the class of directors whose terms have expired in that year shall be elected to hold office for a term of three years. Each director elected shall hold office until his successor is elected and qualified or until his earlier resignation or removal. Directors and officers need not be stockholders.

Vacancies and newly created directorships resulting from any increase in the authorized number of directors shall be filled only by a majority of the directors then in office, although less than a quorum, or by the sole remaining director. Each director chosen to fill a vacancy or newly created directorship shall hold office until the next election of the class for which such directors

shall have been chosen and until his successor is duly elected and qualified or until his earlier resignation or removal.

Section 2. Offices and Books. The directors may have one or more offices, and keep the books of the Corporation at the offices of the Corporation in Salt Lake City, Utah, or at such other places as they may from time to time determine.

Section 3. Resignation. Any director of the Corporation may resign at any time by giving written notice of such resignation to the Board of Directors, the Chairman of the Board of Directors, the President or the Secretary of the Corporation. Any such resignation shall take effect at the time specified therein or, if no time be specified, upon receipt thereof by the Board of Directors, or one of the above-named officers; and, unless specified therein, the acceptance of such resignation shall not be necessary to make it effective. When one or more directors shall resign from the Board of Directors, such vacancy shall be filled only by a majority of the directors then in office, although less than a quorum, or by the sole remaining director. Each director so chosen shall hold office until the next election of the class for which such director shall have been chosen and until his successor is duly elected and qualified or until his earlier resignation or removal.

Section 4. Removal. Any one or more directors may be removed only for cause by the vote or written consent of the holders of a majority of the issued and outstanding shares of stock of the Corporation entitled to vote for the election of all directors. For purposes of this Article IV, Section 4, cause for removal shall be deemed to exist only if the director whose removal is proposed has been convicted of a felony by a court of competent jurisdiction or has been adjudged by a court of competent jurisdiction to be liable for intentional misconduct or knowing violation of law in the performance of such director's duty to the Corporation and, in each case, such adjudication is no longer subject to direct appeal.
