4) Financial Statements

A. The following financial statements were prepared in accordance with:

U.S. GAAP

IFRS

B. The financial statements for this reporting period were prepared by (name of individual)⁴:

Name: Don Quarterman
Title: CEO
Relationship to Issuer: Officer

Provide the financial statements described below for the most recent fiscal year or quarter. For the initial disclosure statement (qualifying for Pink Current Information for the first time) please provide reports for the two previous fiscal years and any subsequent interim periods.

- C. Balance Sheet;
- D. Statement of Income;
- E. Statement of Cash Flows;
- F. Statement of Retained Earnings (Statement of Changes in Stockholders' Equity)
- G. Financial notes; and
- H. Audit letter, if audited

You may either (i) attach/append the financial statements to this disclosure statement or (ii) file the financial statements through OTCIQ as a separate report using the appropriate report name for the applicable period end. ("Annual Report," "Quarterly Report" or "Interim Report").

If you choose to publish the financial statements in a separate report as described above, you must state in the accompanying disclosure statement that such financial statements are incorporated by reference. You may reference the document(s) containing the required financial statements by indicating the document name, period end date, and the date that it was posted to OTCIQ in the field below. Financial Statements must be compiled in one document.

Financial statement information is considered current until the due date for the subsequent report (as set forth in the qualifications section above). To remain qualified for Current Information, a company must post its Annual Report within 90 days from its fiscal year-end date and Quarterly Reports within 45 days of each fiscal quarter-end date.

The Company's unaudited consolidated financial statements for the years ended December 31, 2021 and 2020 are included in this document.

5) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. In answering this item, please include the following:

- A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

Universal Tracking Solutions, Inc. was incorporated on July 11, 2006 in the state of Nevada ("UTS", or the "Company"). UTS is an application based solutions provider of telemetry tracking systems. UTS specialize in fleet management, law enforcement, and finance applications as well as the motorcycle and auto industries.

- B. Please list any subsidiaries, parents, or affiliated companies.

N/A

- C. Describe the issuers' principal products or services.

⁴ The financial statements requested pursuant to this item must be prepared in accordance with US GAAP or IFRS by persons with sufficient financial skills.

UTS sells GPS tracking units and provides ongoing services and support related to the units. UTS is a provider of Global Positioning Satellite ("GPS") asset tracking systems. Our systems are typically applied to monitor fleets of motor vehicles.

UTS produces and services a web-based asset tracking technology primarily designed to track the location, speed, and heading of a customer's motor vehicle in real time. Customers purchase and install our monitoring device in their motor vehicle. Using integrated GPS and wireless communications technologies, the device broadcasts data to UTS. Customers then use our proprietary web site to remotely monitor and control their motor vehicle containing the UTS device, whether the vehicle is in authorized or unauthorized use.

6) Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer and the extent in which the facilities are utilized.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and the terms of their leases.

1602 N 21st Street, Tampa, FL 33605

UNIVERSAL TRACKING SOLUTIONS, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Note 1 – ORGANIZATION AND NATURE OF BUSINESS

Universal Tracking Solutions, Inc. was incorporated on July 11, 2006 in the state of Nevada (“UTS”, or the “Company”). UTS is an application based solutions provider of telemetry tracking systems. UTS specialize in fleet management, law enforcement, and finance applications as well as the motorcycle and auto industries.

Note 2 – GOING CONCERN

These consolidated financial statements have been prepared on a going concern basis, which assumes the Company will be able to realize its assets and discharge its liabilities in the normal course of business for the foreseeable future. Based on its historical rate of expenditures, the Company expects to expend its available cash in less than three month from September 15, 2021. Management’s plans include raising capital through the equity markets to fund operations. At December 31, 2021, the Company had a working capital deficit of \$40,872. The Company is in immediate need of further working capital and is seeking options, with respect to financing, in the form of debt, equity or a combination thereof.

Failure to raise adequate capital and generate adequate revenues could result in the Company having to curtail or cease operations. The Company’s ability to raise additional capital through the future issuances of the common stock is unknown. Additionally, even if the Company does raise sufficient capital to support its operating expenses and generate adequate revenues, there can be no assurances that the revenue will be sufficient to enable it to develop to a level where it will generate profits and cash flows from operations. These matters raise substantial doubt about the Company’s ability to continue as a going concern; however, the accompanying consolidated financial statements have been prepared on a going concern basis, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business. These consolidated financial statements do not include any adjustments relating to the recovery of the recorded assets or the classifications of the liabilities that might be necessary should the Company be unable to continue as a going concern.

Covid-19 Disclosure

The Company’s operations may be adversely affected by the ongoing outbreak of the coronavirus disease 2019 (“COVID-19”) which was declared a pandemic by the World Health Organization (“WHO”) in March 2020. The ultimate disruption which may be caused by the outbreak is uncertain; however, it may result in a material adverse impact on UTS’ financial position, operations and cash flows.

Additionally, it is possible that the Company may face additional challenges in obtaining financing due to COVID-19’s effects on the general economy and the capital markets. If the Company is not able to obtain financing due to COVID-19, then it is highly likely that it will be forced to cease operations. The impact on smaller companies such as UTS of having to cease operations due to the effects of COVID-19 would likely result in the Company not being able to survive and would cause a complete loss of all capital invested in the Company.

To date UTS has not suffered any significant setback due to COVID-19 interfering with operations.

Note 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying December 31, 2021 and 2020 consolidated financial statements have been prepared by the Company without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present the financial position, results of operations and cash flows for the years ended December 31, 2021 and 2020 and for all periods presented have been made.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the consolidated statements of cash flows, the Company considers all highly liquid investments and short-term debt instruments with original maturities of three months or less to be cash equivalents.

There were no cash equivalents at December 31, 2021 and 2020. Financial instruments that potentially subject the Company to concentration of credit risk consist principally of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. As of December 30, 2020, the Company had \$0 in excess of the FDIC insured limit.

Research and Development Expenses

Expenditures for research and development are expensed as incurred.

Revenue Recognition

Product and service revenue and the related labor costs and payroll are recorded in the period in which services are performed or products are delivered. All revenues are accounted for once they are earned. Unit Sales are reported upon delivery of the product and the monthly maintenance fees are recognized when service is provided. Customers typically pay for monitoring services on a monthly basis.

Accounts Receivable

UTS' trade accounts receivable result from the sale of its products and services, and consist of private and public companies. UTS uses the allowance method to account for uncollectible accounts. Bad debt expense for the years ended December 31, 2021 and 2020 was \$0.

Income (Loss) Per Share

Net income (loss) per share is computed based upon the weighted average number of outstanding shares of the Company's common stock for each period presented.

Financial Instruments

UTS estimates that the fair value of all financial instruments at December 31, 2021 and 2020 do not differ materially from the aggregate carrying value of its financial instruments recorded in the accompanying balance sheets.

Fixed Assets

Property and equipment are recorded at historical cost and include expenditures, which substantially increase the useful lives of existing property and equipment. Maintenance and repairs are charged to operations when incurred.

Depreciation of property and equipment is computed primarily using the straight-line method based on estimated useful lives (furniture and fixtures, 6 to 7 years, office equipment 5 to 7 years, and computers and software, 3 to 5 years). Depreciation for income tax purposes is computed principally using the straight line method and estimated useful lives.

Accounting for Stock-based Compensation

The Company recognizes all share-based payments to employees and service providers, including grants of employee stock options, as compensation expense in the consolidated financial statements based on their fair values. That expense will be recognized over the period during which an employee is required to provide services in exchange for the award, known as the requisite service period (usually the vesting period) or immediately if the share-based payments vest immediately.

Income Taxes

Income taxes are computed using the asset and liability method. Under the asset and liability method, deferred income tax assets and liabilities are determined based on the differences between the financial reporting and tax bases of assets and liabilities and are measured using the currently enacted tax rates and laws. A valuation allowance is provided for the amount of deferred tax assets that, based on available evidence, are not expected to be realized.

Recent Accounting Pronouncements

All other recent accounting pronouncements issued by the FASB, including its Emerging Issues Task Force, the American Institute of Certified Public Accountants, and the Securities and Exchange Commission did not or are not believed by management to have a material impact on the Company's present or future financial statements.

Note 4 - NOTES PAYABLE***Related Party Loan***

As of December 31, 2021 and 2020, an officer of the Company has provided a loan to UTS. The promissory note is unsecured, non-interest bearing and due on demand. The balance due to the officer was \$16,047 as of December 31, 2021, and \$11,948 as of December 31, 2020.

Note 4 - INCOME TAXES

For income tax purposes UTS had an accumulated deficit of \$627,791 as of December 31, 2021, which can be used to offset future federal and state taxable income. No income tax benefit has been recorded in the accompanying financial statements since the recoverability of such assets is not reasonably assured through known future revenue sources.

Note D - CASH FLOW SUPPLEMENTAL INFORMATION

Cash paid for interest during the years ended December 31, 2021 and 2020 was \$421 and \$0, respectively.

Note E - STOCKHOLDERS EQUITY***Issuance of Common Stock***
