----------------------	--------------------

Baristas Coffee Company, Inc. (the "Company") will be late in filing its Quarterly Report for the three and six months ended June 30, 2022 and 2021.

The reasons the Company will be late in the filing of its Quarterly Report are as follows:

Despite diligent efforts, the work necessary to complete the Company's preparation of its Quarterly financial statements and assemble all of the necessary business information to complete required disclosures has caused delay in preparation and completion of the Company's Quarterly Report and its attachments for the three and six months ended June 30, 2022 and 2021. Accordingly, the Company is unable to file its Quarterly Report for the period ending June 30, 2022 within the prescribed time period without unreasonable effort or expense.

The Company expects that it will be able to post its Quarterly Report containing financial statements for the three and six months ended June 30, 2022 and 2021 on or prior to August 22, 2022.

The Company has caused this notification to be signed on its behalf by the undersigned thereunto duly authorized.
