(Unaudited)

NOTE 1 - ORGANIZATION AND DESCRIPTION OF BUSINESS

BioCube, Inc. (the "Company") is a Delaware registered company. The Company was incorporated in July 2007.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Company's unaudited financial statements have been prepared in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP"), and pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC") and reflect all adjustments, consisting of normal recurring adjustments, which management believes are necessary to fairly present the financial position, results of operations and cash flows of the Company as of and for the six month period ending July 31, 2022 and not necessarily indicative of the results to be expected for the full year ending January 31, 2023.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the

Recent Accounting Pronouncements

The Company has implemented all applicable accounting pronouncements that are in effect. The Company has no revenue and has an accumulated a deficit as of July 31, 2022. The Company requires capital for its contemplated operational and marketing activities. The Company's ability to raise additional capital through the future issuances of common stock is unknown. The obtainment of additional financing, the successful development of the Company's contemplated plan of operations, and its transition, ultimately, to the attainment of profitable operations are necessary for the Company to continue operations. These conditions and the ability to successfully resolve these factors raise substantial doubt about the Company's ability to continue as a going concern. The financial statements of the Company do not include any adjustments that may result from the outcome of these uncertainties.
