¹ Restricted Shares means securities that are subject to resale restrictions for any reason. Your transfer agent should be able to provide the total number of restricted securities.

² Public Float means the total number of unrestricted shares not held directly or indirectly by an officer, director, any person who is the beneficial owner of more than 10 percent of the total shares outstanding (a "10 percent Control Person"), or any Affiliates thereof, or any Family Members of officers, directors, and control persons. Family Member shall mean a Person's spouse, parents, children, and siblings, whether by blood, marriage or adoption, or anyone residing in such Person's home. OTCQB traded securities are required to have a freely traded public float of at least 10% of the shares outstanding unless an exemption applies.

³ Beneficial Shareholder means any person who, directly or indirectly has or shares voting power of such security or investment power, which includes the power to dispose, or to direct the disposition of, such security. OTCQB traded securities are required to have at least 50 beneficial shareholders unless an exemption applies.

5. Convertible Debt:

The following is a complete list of all promissory notes, convertible notes, convertible debentures, or any other debt instruments that may be converted into a class of the issuer's equity securities that were issued or outstanding at any time during the last complete fiscal year and any interim period between the last fiscal year end and the date of this OTCQB Certification:

☐ Check this box if there were no promissory notes, convertible notes, or other convertible debt arrangements issued or outstanding at any point during this time period.

Use the space below to provide any additional details, including footnotes to the table above:

See Exhibit A attached

6. The following is a complete list of any law firm(s) and attorney(s) that acted as the Company's primary legal counsel in preparing its most recent annual report. Include the firm and attorney(s) name if outside counsel, or name and title if internal counsel. (If no attorney assisted in putting together the disclosure, identify the person(s) who prepared the disclosure and their relationship to the company.) Please also identify any other attorney, if different than the primary legal counsel, that assisted the company during the prior fiscal year on any matter including but not limited to, preparation of disclosure, press releases, consulting services, corporate action or merger assistance, etc.

The Doney Law Firm – Scott Doney
Lucosky Brookman – Raymond Ressey

⁴ The Outstanding Balance is to include accrued interest.

⁵ The total number of shares that can be issued upon full conversion of the Outstanding Balance. The number should not factor any "blockers" or limitations on the percentage of outstanding shares that can be owned by the Noteholder at a particular time. For purposes of this calculation, please use the current market pricing (e.g. most recent closing price, bid, etc.) of the security if conversion is based on a variable market rate.

⁶ International Reporting Companies may elect not to disclose the names of noteholders who are non-affiliates of the company. "Affiliate" is a Person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, an officer, a director, or a shareholder beneficially owning 10 percent or more of the Company's outstanding shares.

7. The following is a complete list of third-party providers, including firm names and addresses, and primary contact names, engaged by the Company, its officers, directors or controlling shareholders, at any time during the last complete fiscal year and any interim period between the last fiscal year end and the date of this OTCQB Certification, to provide investor relations services, public relations services, marketing, brand awareness, consulting, stock promotion, or any other related services to the Company. Please describe the services provided by each third-party provider listed below. If none, please state "None".

Exhibit A

Promissory Notes

All Notes subject to the same conversion terms

Voluntary Conversion. at any time after nine (9) months, convert all or any portion of the accrued interest and unpaid principal balance of this Note into fully paid and non- assessable shares of common stock of the Company at the conversion price of \$1.15 per share

On September 1, 2022 the note holders of the convertible promissory note issued June 30, 2021 and November 5, 2021 passed, by a majority to an amendment of Section 6 of the Notes.

Section 6 of each of the Notes is hereby amended and restated in its entirety as follows:

Voluntary Conversion. Investor may, at his/her/its sole option, at any time after nine (9) months, convert all or any portion of the accrued interest and unpaid principal balance of this Note into fully paid and non- assessable shares of common stock, par value \$0.01 per share, of the Company at the conversion price of \$1.15 per share (the “Conversion Price”). A notice of Conversion is included as Exhibit “A.” If the Company shall at any time or from time to time after issuance of this Note, effect a stock split of the outstanding common stock, the applicable Conversion Price in effect immediately prior to the stock split shall be proportionately decreased. If the Company shall at any time or from time to time after the issuance of this Note, combine the outstanding shares of common stock, the applicable Conversion Price in effect immediately prior to the combination shall be proportionately increased. Any adjustments under this Section 6 shall be effective at the close of business on the date the stock split or combination occurs.

On December 15, 2022 the note holders of the convertible promissory note issued June 30, 2021 and November 5, 2021 passed, by a majority to an amendment of Section 6 of the Notes.

Section 6 of each of the Notes is hereby amended and restated in its entirety as follows:

Voluntary Conversion. Investor may, at his/her/its sole option, at any time after nine (9) months, convert all or any portion of the accrued interest and unpaid principal balance of this Note into fully paid and non-assessable shares of common stock, par value \$0.01 per share, of the Company at the conversion price of \$0.50 per share (the “Conversion Price”). A notice of Conversion is included as Exhibit “A.” If the Company shall at any time or from time to time after issuance of this Note, effect a stock split of the outstanding common stock, the applicable Conversion Price in effect immediately prior to the stock split shall be proportionately decreased. If the Company shall at any time or from time to time after the issuance of this Note, combine the outstanding shares of common stock, the applicable Conversion Price in effect immediately prior to the combination shall be proportionately increased. Any adjustments under this Section 6 shall be effective at the close of business on the date the stock split or combination occurs.”

Mandatory Conversion. Upon sixty (60) days from the date the Company files a Form 10 registration statement with the Securities and Exchange Commission (the “SEC”), all of the accrued interest and unpaid principal balance of this Note shall automatically convert into fully paid and non- assessable shares of common stock of the Company at the conversion price of \$1.15 per share.
