GRILLIT, INC.
NOTES TO THE UNAUDITED FINANCIAL STATEMENTS

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Company’s unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). The accompanying unaudited financial statements reflect all adjustments, consisting of only normal recurring items, which, in the opinion of management, are necessary for a fair presentation of the results of operations for the periods shown.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Revenue Recognition

The Company recognizes revenue in accordance with Accounting Standard Update (“ASU”) No. 2014-09. This standard provides authoritative guidance clarifying the principles for recognizing revenue and developing a common revenue standard for U.S. generally accepted accounting principles. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods and services to customers in an amount that reflects the consideration to which the entity expects to be entitled in the exchange for those goods or services.

Under this guidance, revenue is recognized when control of promised goods or services is transferred to the Company’s customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services. The Company reviews its sales transactions to identify contractual rights, performance obligations, and transaction prices, including the allocation of prices to separate performance obligations, if applicable. Revenue and costs of sales are recognized once products are delivered to the customer’s control and performance obligations are satisfied.

Recent Accounting Pronouncements

The Company has implemented all new accounting pronouncements that are in effect and that may impact its financial statements and does not believe that there are any other new pronouncements that have been issued that might have a material impact on its financial position or results of operations.

NOTE 4 – LOANS AND CREDIT ADVANCES

On February 3, 2022, the Company closed on a fixed rate note of \$140,000 with BHG. The majority of these proceeds were used to refinance and consolidate the debt accumulated during the construction and buildout of the Palm Harbor location and Carrollwood locations that took place in Q3 & Q4 2021.

On January 19, 2022, the Company closed out the Crowd Funding campaign from Honeycomb Credit. The final note from Honeycomb was \$18,130 and interest only payments are being made from the operational account of The Pretzel Haus.

On June 8, 2021, the Company closed on a fixed rate \$500,000 note with Mammoth Corporation. The Company received the initial tranche of \$50,000 on June 3, 2021, and, upon consent of the lender, the Company will be able to access additional funds on the same terms up to \$500,000. This note is not convertible into common stock unless there is a default on the monthly installment payments. The Company also negotiated that with each tranche, the installment payments are deferred 90 days to allow for a buildout period of each future Pretzel Haus location.

The management of the Company has reviewed the \$700,000 loan with TCA Global Credit Fund. TCA Global Credit Fund was placed under the receivership of Jonathan E Perlman for the estates of the Receivership Entities and retained Genovese Joblove & Battista as counsel. The Company provide information to the SEC related to the distribution of the TCA funds. It is the opinion of the current management of the Company that TCA Management is responsible for not performing their due diligence and distributed funds to individuals and companies who did not contribute to future growth of the Company as the use of proceeds paid previous debts and would not create a viable pathway to build a business with the ability to repay the debt. It is the opinion of the current Management that the debt should be eliminated, and Genovese Joblove & Battista pursue legal action to recover the funds distributed from the TCA note from the entities identified in the disbursement letter dated June 14, 2016. The \$700,000 will remain as a debt until this is resolved with a formal elimination of the Debt by TCA Global Fund and their receivers per GAAP. It is estimated that of the \$700,000, \$54,458 of the proceeds were used to fund the ongoing and future operations of the Company and could be reasonably estimated to be a debt of the Company. As was communicated in previous press releases, the Company will continue to work with the SEC, State Attorney Generals, and any additional legal and official requests for information.
