1) Name and address(es) of the issuer and its predecessors (if any)

In answering this item, provide the current name of the issuer any names used by predecessor entities, along with the dates of the name changes.

The Company was originally established as Construction Products International, Inc. a Nevada corporation, on September 15, 2004. On September 24, 2004, Construction Products International, Inc. merged with Sports Pouch Beverage Company, Inc., a California corporation. According to the Plan and Articles of Merger of between Construction Products International, Inc. (aka Construction Products International Inc.) and Sports Pouch Beverage Company dated September 2, 2004, Construction Products International was erroneously labeled as the merging entity and Sports Pouch Beverage Company, Inc. was erroneously labeled as the surviving entity.

On May 3, 2005, a Certificate of Correction was filed with the Secretary of State of Nevada to correct the inaccuracy or defect of the previously filed Articles of Merger by stating the name of the merging entity as Sports Pouch Beverage Company, Inc., a California corporation, and the name of the surviving entity as Construction Products International, Inc., a Nevada corporation. The Certificate of Correction also amended Article I of the Articles of the Surviving Entity to change the corporate name of the surviving entity to "Sports Pouch Beverage Company, Inc." (SPBV), a Nevada corporation.

Sports Pouch Beverage Company was devoted to the sales, marketing and development of a new manufacturing technology to produce an innovative beverage container in a user-friendly packaging that would be less costly, require less storage space and eliminate the need for empty cases of plastic or glass bottles waiting to be filled.

Using a new patent pending pull-push spout technology, and flexible film packaging technology, Sports Pouch Beverage Company sought to become one of the leaders in flexible pouch beverage packaging in the United States and then to expand into international markets.

This unique patent manufacturing process was exclusive to Sports Pouch Beverage Company, Inc. with automated beverage filling equipment and spout technology controlled by Sports Pouch Beverage Company, Inc. and the Company would be well positioned to provide the marketplace with a product as a manufacturer and also as a co-packer.

The product would be produced at a competitive price with attractive profitability. Sports Pouch Beverage Company, Inc. intended to produce products that would be environmentally conscious and our packaging pouch would leave less than 10% of the footprint of a plastic bottle, offering landfills significant relief.

However, due the prolonged illness and the subsequent death of the Company's late President Mr. Gilbert Arvizu on January 28, 2020, the Company decided to redirect its business focus.

On March 26, 2021, the Company filed a Certificate of Reinstatement/Revival in Nevada, to resurrect the dormant corporation, using the Sports Pouch Beverage Company, Inc. name.

Earlier, on March 19, 2021 the company had entered into a Corporate Combination Agreement with Glink Apps International, Inc., a Wyoming corporation. According to the Corporate Combination Agreement, on the Closing Date the shareholders of Glink Apps International would exchange all of the issued and outstanding shares of GLINK for 91,082,073 shares of SPBV (the "SPBV Shares"), which number of SPBV Shares assumes the effectuation of a 500-for-1 reverse stock split. The SPBV SHARES would be restricted against resale pursuant to the provisions of Federal and state securities laws.

Notwithstanding the foregoing, certain minority shareholders of GLINK may, for whatever reason, not tender their shares for exchange. Any shares not tendered will remain issued and outstanding as to GLINK, which will in turn become a subsidiary of SPBV. The GLINK stock to be tendered (91,082,073 shares) will represent all of the issued and outstanding

stock of GLINK, (the "GLINK Shares"). To the extent any holders of GLINK shares do not tender their GLINK shares for exchange, the number of SPBV Shares to be issued shall be reduced.

On May 26, 2021 the Company changed its corporate name to Glink Arts Global Group, Inc. Then, to expedite the due diligence review process by the OTC Markets, the Company changed its name back to Sports Pouch Beverage Company Inc. on August 2, 2021. After the due diligence review process by the OTC Markets was completed, the Company changed its name back to Glink Arts Global Group, Inc., effective October 20, 2021. On April 20, 2023 the Company decided to revert back to its previous name as Sports Pouch Beverage Company, Inc. for ease of administrative workload.

Following the signing of the Corporate Combination Agreement with Glink Apps International, Inc., the company has focused its core business activities on engaging in the creating, selling, distributing, and franchising art paintings.

SPORTS POUCH BEVERAGE COMPANY, INC.
NOTES TO FINANCIAL STATEMENTS (UN-AUDITED)
FOR THE THREE MONTHS ENDED MARCH 31, 2023

NOTE 1. ORGANIZATION AND NATURE OF BUSINESS

The Company was originally established as Construction Products International, Inc. a Nevada corporation, on September 15, 2004. On September 24, 2004, Construction Products International, Inc. merged with Sports Pouch Beverage Company, Inc., a California corporation. According to the Plan and Articles of Merger of between Construction Products International, Inc. (aka Construction Products International Inc.) and Sports Pouch Beverage Company dated September 2, 2004, Construction Products International was erroneously labeled as the merging entity and Sports Pouch Beverage Company, Inc. was erroneously labeled as the surviving entity.

On May 3, 2005, a Certificate of Correction was filed with the Secretary of State of Nevada to correct the inaccuracy or defect of the previously filed Articles of Merger by stating the name of the merging entity as Sports Pouch Beverage Company, Inc., a California corporation, and the name of the surviving entity as Construction Products International, Inc., a Nevada corporation. The Certificate of Correction also amended Article I of the Articles of the Surviving Entity to change the corporate name of the surviving entity to "Sports Pouch Beverage Company, Inc." (SPBV), a Nevada corporation.

Sports Pouch Beverage Company was devoted to the sales, marketing and development of a new manufacturing technology to produce an innovative beverage container in a user-friendly packaging that would be less costly, require less storage space and eliminate the need for empty cases of plastic or glass bottles waiting to be filled.

Using a new patent pending pull-push spout technology, and flexible film packaging technology, Sports Pouch Beverage Company sought to become one of the leaders in flexible pouch beverage packaging in the United States and then to expand into international markets.

This unique patent manufacturing process was exclusive to Sports Pouch Beverage Company, Inc. with automated beverage filling equipment and spout technology controlled by Sports Pouch Beverage Company, Inc. and the Company would be well positioned to provide the marketplace with a product as a manufacturer and also as a co-packer.

The product would be produced at a competitive price with attractive profitability. Sports Pouch Beverage Company, Inc. intended to produce products that would be environmentally conscious and our packaging pouch would leave less than 10% of the footprint of a plastic bottle, offering landfills significant relief.

However, due the prolonged illness and the subsequent death of the Company's late President Mr. Gilbert Arvizu on January 28, 2020, the Company decided to redirect its business focus.

On March 19, 2021 the company entered into a Corporate Combination Agreement with Glink Apps International, Inc., a Wyoming corporation. According to the Corporate Combination Agreement, on the Closing Date the shareholders of Glink Apps International would exchange all of the issued and outstanding shares of GLINK for 91,082,073 shares of SPBV (the "SPBV Shares"), which number of SPBV Shares assumes the effectuation of a 500-for-1 reverse stock split. The SPBV SHARES would be restricted against resale pursuant to the provisions of Federal and state securities law.

Notwithstanding the foregoing, certain minority shareholders of GLINK may, for whatever reason, not tender their shares for exchange. Any shares not tendered will remain issued and outstanding as to GLINK, which will in turn become a subsidiary of SPBV. The GLINK stock to be tendered (91,082,073 shares) will represent all of the issued and outstanding stock of GLINK, (the "GLINK Shares"). To the extent any holders of GLINK shares do not tender their GLINK shares for exchange, the number of SPBV Shares to be issued shall be reduced.

On March 26, 2021, the Company filed a Certificate of Reinstatement/Revival in Nevada, to resurrect the dormant corporation, using the Sports Pouch Beverage Company, Inc. name.

On May 26, 2021 the Company changed its corporate name to Glink Arts Global Group, Inc. Then, to expedite the due diligence review process by the OTC Markets, the Company changed its name back to Sports Pouch Beverage Company Inc. on August 2, 2021. (n/k/a Glink Arts Global Group, Inc), Glink Apps International, Inc. and the Sports Pouch Beverage Company, Inc.'s then Majority Shareholders signed an agreement to rescind the referenced Corporate Combination Agreement in its entirety to be retroactively effective March 19, 2021. Notwithstanding certain provisions contained therein, said Corporate Combination Agreement and its terms and conditions are null and void retroactively effective March 19, 2021.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

REVENUE RECOGNITION

The company applies paragraph 605-10-S99-1 of the FASB Accounting Standards Codification for revenue recognition. The company recognizes revenue when it is realized or realizable and earned. The Company considers revenue realized or realizable and earned when all of the following criteria are met: (i) persuasive evidence of an arrangement exists, (ii) the sale price is fixed or determinable, (iii) collectability is reasonable assured and (iv) goods have been shipped and/or services rendered.

ACCOUNTS RECEIVABLE

Accounts receivable is reported at the customers' outstanding balances, less any allowance for doubtful accounts. Interest is not accrued on overdue accounts receivable.

ALLOWANCE FOR DOUBTFUL ACCOUNTS

An allowance for doubtful accounts on accounts receivable is charged to operations in amounts sufficient to maintain the allowance for uncollectible accounts at a level management believes is adequate to cover any probable losses. Management determines the adequacy of the allowance based on historical write off percentages and information

collected from individual customers. Accounts receivable are charged off against the allowances when collectability is determined to be permanently impaired.

CONCENTRATIONS OF CREDIT RISK

Typically, the Company maintains its cash in bank deposit accounts in a bank which participates in the Federal Deposit Insurance Corporation (FDIC) Program. As of March 31, 2023, the Company had no balances in excess of federally insured limits.

STOCK BASED COMPENSATION

When applicable, the Company will account for stock-based payments to employees in accordance with ASC 718, "Stock Compensation" ("ASC 718"). Stock-based payments to employees include grants of stocks, grants of stock options and issuance of warrants that are recognized in the consolidated statement of operations based on their fair values at the date of grant. The company account for stock-based payments to non-employees in accordance with ASC 505-50, "Equity-Based Payments to Non-Employees." Stock-based payments to non-employees include grants of stock, grants of stock options and issuances of warrants that are recognized in the consolidated statements of operation based on the value of the vested portion of the award over the requisite service period as measured at its then-current fair value as of each financial reporting date. The Company calculates the fair value of option grants and warrant issuances utilizing the Binomial pricing model. The amount of stock-based compensation recognized during a period is based on the value of the portion of the awards that are ultimately expected to vest. ASC 718 requires forfeitures to be estimated at the time stock options are granted and warrants are issued to employees and non-employees, and revised, if necessary, in subsequent periods if actual forfeitures differ from those estimates. The term "forfeiture" is distinct from "cancellations" or "expirations" and represents only the unvested portion of the surrendered stock option or warrant. The Company estimates forfeiture rates for all unvested awards when calculating the expenses for the period. In estimating the forfeiture rate, the Company monitors both stock option and warrant exercises as well as employee termination patterns. The resulting stock-based compensation expense for both employee and non-employee awards is generally recognized on a straight-line basis over the period in which the Company expects to receive the benefit, which is generally the vesting period.

EARNINGS (LOSS) PER SHARE

The Company reports earnings (loss) per share in accordance with ASC Topic 260-10, "Earnings per Share." Basic earnings (loss) per share is computed by dividing income (loss) available to shareholders' by the weighted average number of shares available. Diluted earnings (loss) per shares available. Diluted earnings (loss) per share is computed similar to basic earnings (loss) per share except the denominator is increased to include the number of additional shares that would have been outstanding if the potential shares had been issued and if the additional shares were dilutive. Diluted earnings (loss) per share has not been presented since there are no dilutive securities.

ORGANIZATION AND OFFERING COST

The Company has a policy to expense organization and offering cost as incurred.

CASH AND CASH EQUIVALENTS

For purpose of the statements of cash flows, the Company considers cash and cash equivalents to include all stable, highly liquid investments with maturities of three months or less.

The company's financial instruments consist of cash and cash equivalents, accounts receivable, and notes payable. The carrying amount of these financial instruments approximates fair value due either to length of maturity or interest rates that approximate prevailing market rates unless otherwise disclosed in these financial statements.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumption that affect the reported amount of assets and liabilities and disclosure of disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Business segment ASC 280, "Segment Reporting" requires use of the "management approach" model for segments reporting. The management approach model is based on the way a company's management organizes segments within the company for making operating decisions and assessing performance. The Company determined it has one operating segment as of September 30, 2022.

INCOME TAXES

The Company accounts for income tax positions in accordance with Accounting Standards Codification Topic 740, "Income Taxes" ("ASC Topic 740"). For those benefits to be recognized, a tax position must be more likely than not to be sustained upon examination by taxing authorities.
