**GLOBAL ROUNDTABLE CORPORATION AND SUBSIDIARIES**  
**NOTES TO UNAUDITED FINANCIAL STATEMENTS**  
**FOR THE NINE MONTHS ENDING SEPTEMBER 30, 2024**  
**AND FOR THE YEAR ENDED DECEMBER 31, 2023**

**NOTE 1 – BASIS OF PRESENTATION**

The accompanying financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) under the accrual basis of accounting. All inter-company balances and transactions have been eliminated in consolidation. The Company has adopted a December 31 year-end.

**NOTE 2 – ORGANIZATION AND BUSINESS BACKGROUND**

The Company was incorporated in Colorado on September 22, 1986 as Petramerica Oil, Inc. On August 17, 2006, the Company completed a reverse merger with Triton Distribution Systems, Inc., and changed its name to Triton Distribution Systems, Inc. on May 7, 2014, the Company changed its name to Green Cures & Botanical Distribution, Inc. On May 24, 2023, the Company changed its name to Global Roundtable Corporation.

In April of 2020 the company acquired a majority interest in Clearly California, an entity active in the Cannabis industry, and the financial results of the subsidiary was reportable in the consolidated financial statements. However, in the third quarter of 2022, the company's investment in Clearly California fell below the percentage holding threshold for consolidation. Accordingly, the results of operations attributable to Clearly California, for the first nine months of 2022, has been eliminated.

In September 2022, the Company acquired one hundred percent interest in Marvel Specialty Care Services, Inc. ("Marvel"). Marvel, a Pennsylvania registered company is in the eyewear business.

**NOTE 3 – GOING CONCERN UNCERTAINTIES**

These financial statements have been prepared assuming that Company will continue as a going concern, which contemplates the realization of assets and the discharge of liabilities in the normal course of business for the foreseeable future.

As of September 30, 2024 and December 31, 2023, the Company had accumulated deficits of \$1,411,511 and \$1,276,678 respectively. Management has taken certain action and continues to implement changes designed to improve the Company's financial results and operating cash flows. The actions involve certain - growing strategies, including - expansion of the business model into new markets. Management believes that these actions will enable the Company to improve future profitability and cash flow in its continuing operations. As a result, the financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that may result from the outcome of the Company's ability to continue as a going concern.

**NOTE 4 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accompanying condensed consolidated financial statements reflect the application of certain significant accounting policies as described in this note and elsewhere in the accompanying condensed consolidated financial statements and notes.

**GLOBAL ROUNDTABLE CORPORATION AND SUBSIDIARIES**  
**NOTES TO UNAUDITED FINANCIAL STATEMENTS**  
**FOR THE NINE MONTHS ENDING SEPTEMBER 30, 2024**  
**AND FOR THE YEAR ENDED DECEMBER 31, 2023**

**NOTE 4 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Use of estimates**

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the dates of the financial statements, as well as the reported amounts of revenues and expenses during the reporting periods. These accounts and estimates include, but are not limited to, the valuation of accounts receivables, inventories, income taxes and the estimation on useful lives of property, plant and equipment. Actual results could differ from these estimates.

**Basis of consolidation**

The condensed consolidated financial statements include the accounts of the Company and its subsidiaries Marvel Specialty Care Services Inc. All significant inter-company balances and transactions within the Company have been eliminated upon consolidation.

**Cash and cash equivalents**

The Company considers all highly liquid investments with original maturities of three months or less as cash equivalents. As of September 30, 2024 and December 31, 2023, the Company did not have cash or cash equivalent balances in excess of the federally insured amounts, respectively. The Company's policy is to invest excess funds in only well capitalized financial institutions.

**Fixed assets**

Fixed assets are carried at cost. Depreciation is computed using the straight-line method of depreciation over the assets estimated useful lives. Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of fixed assets are sold or retired, the related cost and accumulated depreciation is removed from the accounts and any gain or loss is included in income.

**Fair value for financial assets and financial liabilities**

The Company measures its financial and non-financial assets and liabilities, as well as makes related disclosures, in accordance with FASB Accounting Standards Codification No. 820, Fair Value Measurement ("ASC 820"), which provides guidance with respect to valuation techniques to be utilized in the determination of fair value of assets and liabilities. Approaches include, (i) the market approach (comparable market prices), (ii) the income approach (present value of future income or cash flow), and (iii) the cost approach (cost to replace the service capacity of an asset or replacement cost). ASC 820 utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The following is a brief description of those three levels:

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

**GLOBAL ROUNDTABLE CORPORATION AND SUBSIDIARIES**  
**NOTES TO UNAUDITED FINANCIAL STATEMENTS**  
**FOR THE NINE MONTHS ENDING SEPTEMBER 30, 2024**  
**AND FOR THE YEAR ENDED DECEMBER 31, 2023**

**NOTE 4 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Level 2: Inputs other than quoted prices that are observable, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.

Level 3: Unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions, such as valuations derived from valuation techniques in which one more significant inputs or significant value drivers are unobservable.

Our financial instruments include cash, accounts payable, accrued liabilities, accrued interest payable, convertible note payable, and derivative liabilities.

The carrying values of the Company's cash, accounts payable, accrued liabilities and accrued interest payable approximate their fair value due to their short-term nature.

**Convertible note payable**

The Company's convertible notes payable are measured at amortized cost.

The Company accounts for convertible note payable in accordance with the FASB Accounting Standards Codification No. 815, Derivatives and Hedging, since the conversion feature is not indexed to the Company's stock and can't be classified in equity. The Company allocates the proceeds received from convertible note payable between the liability component and conversion feature component. The conversion feature that is considered embedded derivative liabilities has been recorded at their fair value as its fair value can be separated from the convertible note and its conversion is independent of the underlying note value. The Company has also recorded the resulting discount on debt related to the conversion feature and is amortizing the discount using the effective interest rate method over the life of the debt instruments.

**Stock based compensation**

The Company recognizes compensation costs to employees under FASB Accounting Standards Codification 718 "*Compensation - Stock Compensation*" ("ASC 718"). Under ASC 718, companies are required to measure the compensation costs of share-based compensation arrangements based on the grant-date fair value and recognize the costs in the financial statements over the period during which employees are required to provide services. Share based compensation arrangements include stock options and warrants. As such, compensation cost is measured on the date of grant at their fair value. Such compensation amounts, if any, are amortized over the respective vesting periods of the option grant.

In September 2022, the Company adopted ASU No. 2018-07 "Compensation - Stock Compensation (Topic 718): Improvements to Nonemployee Share-Based Payment Accounting." These amendments expand the scope of Topic 718, Compensation - Stock Compensation (which currently only includes share-based payments to employees) to include share-based payments issued to nonemployees for goods or services. Consequently, the accounting for share-based payments to nonemployees and employees will be substantially aligned.

**NOTES TO UNAUDITED FINANCIAL STATEMENTS**  
**FOR THE NINE MONTHS ENDING SEPTEMBER 30, 2024**  
**AND FOR THE YEAR ENDED DECEMBER 31, 2023**

**NOTE 4 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Net loss per share**

The Company reports earnings (loss) per share in accordance with FASB Accounting Standards Codification 260 *“Earnings per Share”* (“ASC 260”). This statement requires dual presentation of basic and diluted earnings (loss) with a reconciliation of the numerator and denominator of the earnings (loss) per share computations. Basic net income (loss) per share is computed by dividing net income (loss) by the weighted average number of shares of common stock outstanding during the period. If applicable, diluted earnings per share assume the conversion, exercise or issuance of all common stock instruments such as options, warrants and convertible securities, unless the effect is to reduce a loss or increase earnings per share. Therefore, no diluted loss per share figure is presented. There were no adjustments required to net loss for the periods presented in the computation of basic loss per share.

The Company has not issued any options or warrants or similar securities since inception.

**Related parties**

The Company follows subtopic 850-10 of the FASB Accounting Standards Codification for the identification of related parties and disclosure of related party transactions.

Pursuant to Section 850-10-20 the related parties include (a) affiliates of the Company; (b) Entities for which investments in their equity securities would be required, absent the election of the fair value option under the Fair Value Option Subsection of Section 825–10–15, to be accounted for by the equity method by the investing entity; (c) trusts for the benefit of employees, such as pension and profit-sharing trusts that are managed by or under the trusteeship of management; (d) principal owners of the Company; (e) management of the Company; (f) other parties with which the Company may deal if one party controls or can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interests; and (g) Other parties that can significantly influence the management or operating policies of the transacting parties or that have an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own separate interests.

**Subsequent events**

The Company adopted FASB Accounting Standards Codification 855 *“Subsequent Events”* (“ASC 855”) to establish general standards of accounting for and disclosure of events that occur after the balance sheet date, but before the financial statements are issued or available to be issued. There were no events to be reported.
