7. The name and address of the transfer agent;

Computershare Investor Services, Inc.  
100 University Avenue, 8<sup>th</sup> Floor  
Toronto, Ontario M5J 2Y1  
Canada

8. A description of the issuer’s business;

Corsa is a coal mining company focused on production and sales of metallurgical coal to U.S. domestic and international coke producers in the Atlantic and Pacific basin markets.

9. A description of products or services offered by the issuer;

Corsa produces high-quality, low volatile metallurgical coal that has strong coking properties suited for steelmakers.

10. A description and extent of the issuer's facilities;

Corsa produces coal from five mines:

- The Casselman mine, an underground mine utilizing the room and pillar mining method;
- The Acosta mine, an underground mine utilizing the room and pillar mining method;
- The Horning mine, an underground mine utilizing the room and pillar mining method;
- The Schrock Run Extension mine, a surface mine using contour and highwall mining methods;  
and
- The Rhoads mine, a surface mine using contour and auger mining methods.

Corsa also operates two preparation plants, the Cambria and Shade Creek plants.

- The raw metallurgical coal produced from the Company's mines is trucked to the preparation plant where it is processed or "washed" using conventional coal processing techniques and stored for shipping with load out facilities adjacent to a CSX rail line.
- The Shade Creek plant has load out facilities adjacent to the Norfolk Southern rail line.
