Report of Independent Registered Public Accounting Firm

To the Board of Directors and Stockholders of
FRMO Corporation and Subsidiaries

Results of Review of Interim Financial Statements

We have reviewed the accompanying interim condensed consolidated balance sheet of FRMO Corporation and Subsidiaries (the Company) as of November 30, 2024, and the related condensed consolidated statements of income, stockholders' equity and cash flows for the three month and six month periods ended November 30, 2024 and 2023 (collectively referred to as the "interim financial statements"). Based on our reviews, we are not aware of any material modifications that should be made to the accompanying interim financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and in accordance with auditing standards generally accepted in the United States of America, the consolidated balance sheet of the Company as of May 31, 2024, and the related consolidated statements of income, stockholders' equity and cash flows for the year then ended (not presented herein), and in our report dated August 15, 2024, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of May 31, 2024, is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

Basis for Review Results

These interim financial statements are the responsibility of the Company's management. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the relevant ethical requirements relating to our audit, which include standards of the American Institute of Certified Public Accountants (AICPA) Code of Professional Conduct. We conducted our reviews in accordance with the standards of the PCAOB and in accordance with auditing standards generally accepted in the United States of America applicable to reviews of interim financial information. A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with standards of the PCAOB or in accordance with auditing standards generally accepted in the United States of America, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

As of November 30, 2024 and May 31, 2024, the Company held a 21.88% and 21.84% equity interest in Horizon Kinetics Hard Assets LLC ("HKHA"), a company formed by Horizon Kinetics LLC ("Horizon") and certain officers, principal stockholders and directors of the Company. Through July 31, 2024, the Company held a 4.95% interest in Horizon, and on August 1, 2024, Horizon completed its previously announced merger with Scott's Liquid Gold Inc., which was renamed Horizon Kinetics Holding Corporation ("HKHC"). The Company now owns 4.42% of HKHC and earns substantially all of its advisory fees from HKHC and through July 31, 2024 from Horizon (see Note 4 – Investments, Investments under the Equity Method of Accounting). The noncontrolling interest of 78.12 % and 78.20% in HKHA has been eliminated from results of operations for the periods ended November 30, 2024 and 2023. Total stockholders' equity includes, as a separate item, the amount attributable to the noncontrolling interests. The Company maintains its corporate office in White Plains, New York.

The accompanying interim unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP") for interim financial information. Therefore, these interim condensed consolidated financial statements should be read in conjunction with the consolidated financial statements as of and for the year ended May 31, 2024 and notes thereto. The accompanying interim condensed consolidated financial statements have not been audited by an independent registered public accounting firm in accordance with standards of the Public Company Accounting Oversight Board (United States) but, in the opinion of management, such financial statements include all adjustments, consisting only of normal recurring adjustments, necessary for a fair statement of the Company's interim financial position and results of operations. The results of operations for the three months and six months ended November 30, 2024 may not be indicative of the results that may be expected for the year ending May 31, 2025.

NOTE 7 - Income Taxes

The Company files a consolidated federal income tax return and a combined state/city tax return with its wholly-owned subsidiary, Fromex Equities Corp. HKHA, which is included in consolidated net income (loss) before taxes, is a pass-through entity subject to K-1 reporting and is not included in the Company's consolidated income tax return. Pass-through income allocated to the Company is based on the Company's ownership percentage as of November 30, 2024 and May 31, 2024, which was 21.88% and 21.84%, respectively. Income tax attributable to the remaining noncontrolling interest of 78.12% and 78.16% represents a permanent difference related to "consolidation of noncontrolling interests" in the reconciliation table below of federal statutory rate to effective tax rate.

The Company records adjustments related to prior years' taxes during the period when they are identified, generally when the tax returns are filed. The effect of these adjustments on the current and prior periods (during which the differences originated) is evaluated based upon quantitative and qualitative factors and are considered in relation to the interim condensed consolidated financial statements taken as a whole for the respective periods.

NOTE 9 - Net Income Per Common Share and Per Common Share Equivalent

Basic and diluted earnings per common share is calculated by dividing net income allocated to common stock by the weighted average common shares outstanding during the period. The weighted average number of shares of common stock used in the calculation of diluted earnings per share is adjusted for the dilutive effects of potential common shares including the assumed exercise of vested stock options based on the treasury stock method. Assumed exercise or conversion of potential common shares is only when the weighted average market price for the period exceeds the exercise price and the conversion price, and that the entity records earnings from continuing operations, as the inclusion of such adjustments would otherwise be anti-dilutive to earnings per share from continuing operations.

Potential common shares consist of unexercised stock options of 73,000 and 69,000 for the six months ended November 30, 2024 and 2023, respectively.

As of November 30, 2024 and May 31, 2024 there were 37,000 and 24,000 vested options, respectively, with an exercise price below the weighted average market price of the Company's common stock during the period.

The reconciliation of the weighted average number of common shares used in the calculation of basic and diluted earnings per common share follows for the three months and six months ended November 30:
