**Name of the Company:** CeCors, Inc. (CEOS)

**Check One:**         Annual Report         Quarterly Report         Interim Report

**For Period Ended:** December 31, 2024

**Reason for Delay in Posting Financial Report:** State below in reasonable detail why the Annual/Quarterly Report could not be filed within the prescribed time period.

The Company and its third-party accounting team are still in the process of gathering the required financial source documents, support and necessary reporting information from operating subsidiary, VetComm, in order to complete the consolidated financial reports for the year end reporting period. As a result of certain legal action between the Company and Kate Monroe (AKA Katy Eatmon), CEO of its wholly owned subsidiary, VetComm, the delivery of certain required accounting information from VetComm has been substantially delayed. The Company is working to obtain the required accounting data in order to complete the report as quickly as possible and will make every effort to file the year-end report by April 15, 2025. If the Company is unable to file within the allotted 15 calendar day extension period, management will work to complete the filing within the final allotted Grace period.

**Anticipated Filing Date:**

[Please note that the filing of this notification grants issuers 5 additional calendar days to post a Quarterly or Interim Report and 15 calendar days to post an Annual Report. The extension begins on the applicable reporting deadline.]
