On May 27, 2022, the District Court granted the Application, issuing an Order appointing Alpharidge Capital LLC as Custodian of the Company. Under the Order, the Custodian was authorized to take any actions deemed reasonable, prudent, or beneficial to the Company, including but not limited to issuing stock, creating new classes of shares, and entering into contracts on behalf of the Company. The Custodian was also required to ensure the Company met the obligations of its Nevada charter.

On May 27, 2022, pursuant to a Securities Purchase Agreement (“SPA”), the Company issued 5 shares of Special 2022 Series A Preferred Stock to Alpharidge Capital LLC (“Alpharidge”) in exchange for \$5,000. Each share of the 2022 Special Series A Preferred Stock is convertible into 200,000,000 common shares of the Company. The funds were primarily used to reinstate and revive the Company’s filings with Nevada State. On May 27, 2022, the Custodian appointed Ambrose O Egbuonu, as the Company’s CEO, secretary, treasurer and director.

On June 6, 2022, the Company filed a Certificate of Revival with the Secretary State of the State of Nevada, which revived the Company’s charter and appointed a new Registered Agent in Nevada.

On September 1, 2022, Frank Igwealor and Wiremedia, Inc. (the “Company”) entered into a Debt Conversion Agreement (the “Debt Agreement”). Under the Debt Agreement, the Company issued 200,000,000 shares of common stock to Frank Igwealor in exchange for \$10,000 that the Company loaned from Frank Igwealor to settle the amount owed to the Company’s Transfer Agent, and to pay for the OTC application fee of the Company. The custodianship concluded on February 13, 2023, when the case was formally closed by the Eighth Judicial District Court of Nevada.

On November 6, 2024, Frank I Igwealor and Alpharidge Capital LLC (each individually referred to as a “Seller” and collectively as the “Sellers”) entered into a Stock Purchase Agreement with Minghong Li (the “Purchaser”) to sell their controlling interests in Wiremedia, Inc. (the “Company”). The sale involved the transfer of 200,000,000 shares of Common Stock and 5 shares of Special 2022 Series A Preferred Stock of the Company, which were owned by the Sellers. Each share of Special 2022 Series A Preferred Stock is convertible into 200,000,000 shares of Common Stock of the Company. The transaction officially closed on November 19, 2024, with all related documents being released on that date.

The Company is currently seeking a target business to acquire and operate.

NOTE 2 – BASIS OF PRESENTATION AND GOING CONCERN

Basis of Presentation

The unaudited financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”).

Basis of Accounting

The accompanying unaudited financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States. All intercompany transactions have been eliminated.

Going Concern

The accompanying unaudited financial statements have been prepared under the assumption that the Company will continue as a going concern, which assumes the realization of assets and the settlement of liabilities in the ordinary course of business. As of December 31, 2024, the Company had accumulated deficits totaling \$155,817. To support its ongoing operations, the Company intends to raise the necessary funds. Management’s plan to address the substantial doubt regarding the Company’s ability to continue as a going concern includes pursuing a profit-generating business opportunity, securing additional working capital from the Company’s majority shareholder and President, and eliminating operational inefficiencies to meet anticipated cash needs. However, there can be no assurance that these plans will be successful or that sufficient funding will be available to support the Company’s capital expenditures and other operational requirements.

These factors, among others, raise substantial doubt about the Company’s ability to continue as a going concern. The accompanying unaudited financial statements do not include any adjustments that might result from the outcome of this uncertainty.

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include demand deposits, money market funds, and all highly liquid debt instruments with original maturities of three months or less.

Financial Instruments

The FASB issued ASC 820-10, Fair Value Measurements and Disclosures, for financial assets and liabilities. ASC 820-10 provides a framework for measuring fair value and requires expanded disclosures regarding fair value measurements. ASC 820-10 defines fair value as the price that would be received for an asset or the exit price that would be paid to transfer a liability in the principal or most advantageous market in an orderly transaction between market participants on the measurement date. ASC 820-10 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs, where available. The following summarizes the three levels of inputs required by the standard that the Company uses to measure fair value:

- Level 1: Quoted prices in active markets for identical assets or liabilities
- Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the related assets or liabilities.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Foreign Currency Translation

The accounts of the Company are accounted for in accordance with the Statement of Financial Accounting Standards No. 52 (“SFAS 52”), “Foreign Currency Translation”. The financial statements of the Company are translated into US dollars as follows: assets and liabilities at year-end exchange rates; income, expenses and cash flows at average exchange rates; and shareholders’ equity at historical exchange rate.

Monetary assets and liabilities, and the related revenue, expense, gain and loss accounts, of the Company are re-measured at year-end exchange rates. Non-monetary assets and liabilities, and the related revenue, expense, gain and loss accounts are re-measured at historical rates. Adjustments which result from the re-measurement of the assets and liabilities of the Company are included in net income.

Income Taxes

The Company accounts for income taxes under ASC 740, Income Taxes. Under the asset and liability method of ASC 740, deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statements carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period the enactment occurs. A valuation allowance is provided for certain deferred tax assets if it is more likely than not that the Company will not realize tax assets through future operations. Deferred tax assets or liabilities were offset by a 100% valuation allowance, therefore there has been no recognized benefit as of December 31, 2024 and 2023, respectively. Further it is unlikely with the change of control that the Company will have the ability to realize any future tax benefits that may exist.

Commitments and Contingencies

The Company follows ASC 450-20, Loss Contingencies, to report accounting for contingencies. Liabilities for loss contingencies arising from claims, assessments, litigation, fines and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount of the assessment can be reasonably estimated.

Earnings Per Share

Net income (loss) per share is calculated in accordance with ASC 260, Earnings Per Share. The weighted-average number of common shares outstanding during each period is used to compute basic earnings or loss per share. Diluted earnings or loss per share is computed using the weighted average number of shares and diluted potential common shares outstanding. Dilutive potential common shares are additional common shares assumed to be exercised.

Basic net loss per common share is based on the weighted average number of shares of common stock outstanding for the years ended December 31, 2024 and 2023, respectively. Due to net operating loss, there is no presentation of dilutive earnings per share, as it would be anti-dilutive.

Forgiveness of Indebtedness

The Company follows the guidance of AS 470.10 related to debt forgiveness and extinguishment. Debts of the Company are considered extinguished when the statute of limitations in the applicable jurisdiction expires or when terminated by judicial authority such as the granting of a declaratory judgment. Debts to related parties or shareholders are treated as capital transactions when forgiven or extinguished and credited to additional paid in capital. Debts to non-related parties are treated as other income when forgiven or extinguished.

Recent Accounting Pronouncements

The Company has implemented all new accounting pronouncements that are in effect. These pronouncements did not have any material impact on the consolidated financial statements unless otherwise disclosed, and the Company does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

NOTE 4 – RELATED PARTY TRANSACTIONS

As of December 31, 2023, Frank I Igwealor (“Frank”), the former controlling shareholder, officer and director of the Company, had loaned a total of \$53,280 to the Company. This amount included \$10,725 that was convertible into common stock and \$42,555 that was unsecured, non-interest-bearing, due on demand and non-convertible. During the year ended December 31, 2024, Frank provided an additional amount of \$7,705 for expenses incurred on behalf of the Company. The Company also repaid cash of \$2,800 to Frank in November 2024. On November 15, 2024, Frank forgave the entire remaining loan balance of \$58,185, which included \$10,725 in convertible loan and \$42,555 in unsecured, non-convertible loan. This forgiveness was treated as an equity transaction and recorded as an increase in additional paid in capital.

During the year ended December 31, 2024, Mrs. Minghong Li, the current President, CEO and Director of the Company, paid operating expenses of \$58,300 on behalf of the Company. Such loan amounts are unsecured, non-interest-bearing, non-convertible and due on demand.

NOTE 5 - INCOME TAXES

As of December 31, 2024 and 2023, the Company had incurred an accumulated net loss of approximately \$155,817 and \$83,067 which resulted in a net operating loss (“NOL”) for income tax purposes. NOLs can carry forward indefinitely up to offset 80 percent of taxable income after CARES Act effect on December 31, 2017. The deferred tax asset has been fully reserved for valuation allowance as the Company believes they will most-likely-than-not realize the benefits.

Significant components of the deferred tax assets and liabilities for income taxes as of December 31, 2024 and 2023 consisted of the following:

Deferred tax assets	December 31, 2024	December 31, 2023
