Quarterly Report

For the period ending March 31, 2025 (the “Reporting Period”)

Outstanding Shares

The number of shares outstanding of our Common Stock was:

1,285,345,549 as of March 31, 2025

1,285,345,549 as of December 31, 2024

Shell Status

Indicate by check mark whether the company is a shell company (as defined in Rule 405 of the Securities Act of 1933, Rule 12b-2 of the Exchange Act of 1934 and Rule 15c2-11 of the Exchange Act of 1934):

Yes: ☐ No: ☒

Indicate by check mark whether the company's shell status has changed since the previous reporting period:

Yes: ☐ No: ☒

Change in Control

Indicate by check mark whether a Change in Control¹ of the company has occurred over this reporting period:

Yes: ☐ No: ☒

¹ “Change in Control” shall mean any events resulting in:

- (i) Any “person” (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) becoming the “beneficial owner” (as defined in Rule 13d-3 of the Exchange Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the total voting power represented by the Company's then outstanding voting securities;
- (ii) The consummation of the sale or disposition by the Company of all or substantially all of the Company's assets;
- (iii) A change in the composition of the Board occurring within a two (2)-year period, as a result of which fewer than a majority of the directors are directors immediately prior to such change; or
- (iv) The consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or its parent) at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation.

1) Name and address(es) of the issuer and its predecessors (if any)

In answering this item, provide the current name of the issuer any names used by predecessor entities, along with the dates of the name changes.

We were incorporated on April 13, 1994, in the State of Washington, as Courtside Products, Inc. and re-domiciled to Nevada on December 9, 2008. On December 23, 2008 we merged with Smokefree Innotec Corporation, a Nevada Corporation and Lema One Corporation, a Nevada Corporation and changed the Corporation's name to Smokefree Innotec, Inc. Smokefree Innotec, Inc. acquired Agrokings, Inc. and its subsidiaries effective on the 20th of August 2021 and changed the Corporation's name to Starfleet Innotech, Inc. effective on the 24th of January 2022.

Current State and Date of Incorporation or Registration: Nevada. December 9, 2008

Standing in this jurisdiction (e.g. Active, default, inactive): Active

Prior Incorporation Information for the issuer and any predecessors during the past five years:
None

Describe any trading suspension orders issued by the SEC of FINRA concerning the issuer or its predecessors since inception:

Trading temporarily suspended by the SEC pursuant to Section 12(k) of the Securities Exchange Act of 1934 from 9:30AM on 1-28-05 until 11:59PM on 2-10-05

List any stock split, stock dividend, recapitalization, merger, acquisition, spin-off, or reorganization either currently anticipated or that occurred within the past 12 months:

Agrokings, Inc. and its subsidiaries namely, Epiphany Café Franchise group, Ardent Bakers, Gorgeous Coffee Co., A+ Electrical, Accord Investment Group and AG Architects have been acquired by SFIO effective on the 20th of August 2021 through the Asset Purchase Agreement between two parties.

Address of the issuer's principal executive office:

124 East, 40th Street, New York, NY 10016

Address of the issuer's principal place of business:

☒ Check if principal executive office and principal place of business are the same address:

Has the issuer or any of its predecessors been in bankruptcy, receivership, or any similar proceeding in the past five years?

No: ☒ Yes: ☐ If Yes, provide additional details below:

Par or stated value:	\$0.001

Total shares authorized: 310,000,000 as of: March 31, 2025
Total shares outstanding: 32,022,177 as of: March 31, 2025
Total number of shareholders of record: 27 as of: March 31, 2025

Security Description:

The goal of this section is to provide a clear understanding of the material rights and privileges of the securities issued by the company. Please provide the below information for each class of the company's equity securities, as applicable:

1. For common equity, describe any dividend, voting and preemption rights.

Dividend rights: As declared by the Board of Directors
Voting rights: One (1) vote per share
Preemption rights: None

2. For preferred stock, describe the dividend, voting, conversion, and liquidation rights as well as redemption or sinking fund provisions.

Preferred Series A:

Dividend rights: As declared by the Board of Directors
Voting rights: One (1) vote per share
Conversion: 1:1 common shares
Liquidation: Priority over common shares
Redemption or sinking fund: None

Preferred Series B:

Dividend rights: As declared by the Board of Directors
Voting rights: One (1) vote per share
Conversion: 1:10 common shares
Liquidation: Priority over common shares
Redemption or sinking fund: None

Special 2019 Series A Preferred:

Dividend rights: As declared by the Board of Directors
Voting rights: 60% of all company voting shares
Conversion: 750,000,000 common shares
Liquidation: Priority over common shares
Redemption or sinking fund: None

3. Describe any other material rights of common or preferred stockholders.

None

4. Describe any material modifications to rights of holders of the company's securities that have occurred over the reporting period covered by this report.

None

3) Issuance History

The goal of this section is to provide disclosure with respect to each event that resulted in any changes to the total shares outstanding of any class of the issuer's securities **in the past two completed fiscal years and any subsequent interim period.**

Disclosure under this item shall include, in chronological order, all offerings and issuances of securities, including debt convertible into equity securities, whether private or public, and all shares, or any other securities or options to acquire such securities, issued for services. Using the tabular format below, please describe these events.

A. Changes to the Number of Outstanding Shares for the two most recently completed years and any subsequent period.

Indicate by check mark whether there were any changes to the number of outstanding shares within the past two completed fiscal years:

No: ☐ Yes: ☒ (If yes, you must complete the table below)

Shares Outstanding as of Second Most Recent Fiscal Year End: <u>Opening Balance</u> Date 12/31/19 Common: 633,403,973 Series A Preferred: 0 Special Preferred: 1 Series B Preferred: 0			*Right-click the rows below and select "Insert" to add rows as needed.

Shares Outstanding on Date of This Report:									
<u>Ending Balance:</u>									
Date 03/31/2025									
Common: 1,285,345,549									
Series A Preferred: 750,000									
Special Preferred: 1									
Preferred B: 32,022,177									

Example: A company with a fiscal year end of December 31st 2023, in addressing this item for its Annual Report, would include any events that resulted in changes to any class of its outstanding shares from the period beginning on January 1, 2022 through December 31, 2023 pursuant to the tabular format above.

*****Control persons for any entities in the table above must be disclosed in the table or in a footnote here.**

Use the space below to provide any additional details, including footnotes to the table above:

N/A

B. Promissory and Convertible Notes

Indicate by check mark whether there are any outstanding promissory, convertible notes, convertible debentures, or any other debt instruments that may be converted into a class of the issuer's equity securities:

No: ☒ Yes: ☐ (If yes, you must complete the table below)

Date of Note Issuance	Outstanding Balance (\$)	Principal Amount at Issuance (\$)	Interest Accrued (\$)	Maturity Date	Conversion Terms (e.g. pricing mechanism for determining conversion of instrument to shares)	Name of Noteholder. *You must disclose the control person(s) for any entities listed.	Reason for Issuance (e.g. Loan, Services, etc.)

***Control persons for any entities in the table above must be disclosed in the table or in a footnote here.

Use the space below to provide any additional details, including footnotes to the table above:

N/A

4) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations.
(Please ensure that these descriptions are updated on the Company's Profile on www.otcm Markets.com).

A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

Starfleet Innotech, Inc. [SFIO] is a global investment holding company focused on innovation through disruptive collaborations across the three key industries: Food and Beverage (F&B), Real Estate, and Technology. With a strong presence across New Zealand, Australia, United Arab Emirates, and the Philippines - as well as a roadmap for further global expansion in North America (i.e. Canada and USA) - SFIO makes strategic investments in high-growth businesses, building synergies across its diverse portfolio to provide maximum shareholder value. SFIO's key industries represent a clear roadmap of acquisition, consolidation, transformation, and expansion. As the company grows its portfolio of pillar investments, it pioneers new business models and operational efficiencies through technological innovation and cross-industry collaboration, before scaling them across its global footprint. Guided by tradition, driven by innovation, and enabled by collaboration. SFIO is on a hyper-growth path to build a thriving business ecosystem, with plans to uplist onto a major stock exchange in the near future.

The Company will expand its capabilities and asset base through company mergers, acquisitions, investments and partnerships with synergistic and suitable companies that would increase the revenues of the subsidiaries owned and operated by the Company.

B. List any subsidiaries, parent company, or affiliated companies.

B.1 FOOD AND BEVERAGE [F&B]

B.1.1 Food Manufacturing and Distribution

Ardent Bakers (NZ) has developed their respective recipes [i.e., Intellectual Property] and mastered the techniques in producing premium quality frozen cakes, donuts, bread, and other baked products. Their years of experience and proven expertise will be their crucial advantage over their competitors in providing product quality and cost value, which will support their customer's business scalability and sustainability. In addition, the group supplies products to the franchise group and will expand its business in the catering supply of wholesale products to other firms within the region.

The food manufacturing group of the Company has innovated and mastered several cutting-edge techniques and technology in producing quality products with the highest efficiency. The group owns the SMART-FREEZE technology, a disruptive innovation that significantly reduces product wastage and eliminates the need to have multiple commissaries, which is the limiting factor in scaling the Epiphany Café brand in a particular country. The group also aims to become the market leader in offering low-carb treats as part of its three-year plan.

The Company has innovated its premix flour and toppings for our cakes and donuts in the last five years that have enabled our donuts and cakes to be frozen up to six months (fully glazed). Once thawed in ambient temperature for less than an hour, the 'fresh-like' quality and shelf life of the "pillow-soft" donuts are consistent for most of the flavours.

With the Smart-Freeze technology, donut and cakes wastages in stores can be minimized below 3% or lesser using First-In, First-Out (FIFO) approach. Several NZ and AU renowned brands have acknowledged our key difference in the market.

Ardent Bakers

Ardent Bakers is an MPI (Ministry for Primary Industries) approved centralized factory and warehouse located in Hamilton New Zealand. It supplies frozen donuts, muffins, scones and cakes to the Epiphany Franchise Group. Ardent Bakers also supplies wholesale products to multi-store retail brands such as BP, Caltex, Mobil, GAS, Jayen Foods Concepts, Circle-K, Metromart, Classic Bake House, and other hospitality businesses i.e. cafés, hotels, restaurants.

B.1.2 Franchising

The Company's Franchise Business has adopted a diversified business model, from the traditional franchise system concepts to micro-business models through the newly developed license system concepts that are suitable to meet customer needs and the "new normal" in the business arena. This diversified business model aims to provide multi-economic opportunities which will enable and empower entrepreneurs in different tiers in the market. The parallel expansion strategy of the Franchise and License models is the key to Epiphany Café's strategic expansion in the global market.

Epiphany Café

Epiphany Café is a new-breed café that offers not only gourmet donuts of different delectable flavors but also premium cakes, quality breads, and hot/cold drinks i.e. coffee and tea. Having these four-core product ranges makes Epiphany Café an incredibly unique franchise model. Epiphany Café was named the "Best Emerging Franchise System" by the Franchise Association New Zealand (FANZ) in 2018. In the same year, Epiphany Café was voted as "Meadow Fresh Café of the Year" in the upper North Island, New Zealand. It is a recognized franchise with 30+ outlets, including licensed locations, in New Zealand and has big plans to expand in USA, Australia, UAE, Philippines and Malaysia.

To date, Epiphany Café is progressing on its expansion plans in those five countries, where Epiphany Café has already commenced the market research, feasibility study, site selection process, franchise system conversion, and franchise registration.

Furthermore, Epiphany has established a multi-concept model for franchisees and licensees' selection. The Epiphany license model includes the "store within a store" concept, the micro-business model which is best suited for essential businesses like convenience stores and supermarkets.

In 2022, Epiphany Café has rolled out its licensed business model in New Zealand. More than 100 licensees have joined Epiphany within the year. With the 'Smart Freeze' Technology, Epiphany was able to expand its license model nationwide. The license model will compliment the existing franchise model of Epiphany in which it could penetrate in new markets rapidly with minimal investment.

Epiphany Café is aiming to launch in Canada towards Q3/Q4 of 2025 through its strategic partner based in Ontario. This is Epiphany's entry strategy into the North America market. The establishment of the production

facility in Ontario Canada is underway and the license model of Epiphany will be rolled out initially followed by the franchise model.

B.1.3 Coffee Business

Gorgeous Coffee Co. [GCC] is a wholesale coffee roaster and distributor in New Zealand. Gorgeous Coffee Co. developed the unique Epiphany Café coffee blend which is 100% organic and Fair Trade certified. Gorgeous Coffee Co. has recently developed its 5-in-1 instant coffee made from organic ingredients namely: NZ Manuka honey, Barley grass powder, Stevia, Coconut milk powder and coffee. The instant coffee range of Gorgeous Coffee Co will be exported and distributed internationally by partners and through e-commerce platforms. Gorgeous Coffee's 5-in-1 instant coffee product is soon to be sold to the US and Canada markets online through Amazon. Being an independent company, Gorgeous Coffee Co. also supplies its standard coffee blend (whole beans) to both internal partners within the Company and external clients such as local cafés. Gorgeous Coffee Co. has also the capabilities to develop bespoke coffee blends for both internal and external customers.

B.2 REAL ESTATE

B.2.1 Business Unit in the Philippines

SFIO launched a number of real estate development projects, largely waterfront developments in the Philippines. So far SFIO has chosen to establish these developments in top global tourist spots like Palawan and Batangas in the Philippines through a joint venture with the landowners. We've designed these projects as a marriage of purposeful technologies, championing wellness. In line with this, SFIO has also signed a joint venture with European Wellness Group (EW) who will co-invest and co-operate the Integrative Medicine Facility to be constructed in Moraya project in Palawan, Philippines.

The intersection of innovation and community health became the blueprint for what is now MORAYA—what we've envisioned to be a leading real estate developer in tech-driven, wellness-oriented townships. SFIO will soon integrate MORAYA's ecosystem into its property development projects in New Zealand.

These are wholly-unique offerings on the global market. SFIO is utilizing health data systems and the latest in wellness design to create communities with proactive care built-in. Communities where your children, your parents, your friends & coworkers, can live better, healthier lives.

SFIO has recently gathered a high-caliber team to lead MORAYA. In real estate, SFIO brought in decades of experience across master planning, business development, and sales. These are industry leaders that have worked for the top real estate companies in the Philippines. AG Architects, a subsidiary of ours, will be playing a leading role here as well. They leverage experience designing award-winning projects in integrating natural environments into interior spaces.

And in wellness, the other core component of MORAYA, we have expertise in health data systems and developing health sensors through our partners. We also have, leading MORAYA, a global expert in health hospitality. They've led the design & development of some of the most prominent health tourism projects in Southeast Asia.

SFIO is targeting a number of markets, primarily the health and wellness tourism industry—which is incredibly fast-growing, expected to reach a valuation of 105 billion US dollars by 2027. In Southeast Asia, the leaders in this space have historically been Thailand, Singapore, and Malaysia. While some challenges have been holding the Philippines back as a viable player here, as a global company, SFIO is uniquely positioned to build the right systems and facilities, as well as funnel the necessary demand from foreign markets, to make our MORAYA communities real contenders in this space.

TERRA Solutions Realty Corporation

TERRA is one of SFIO's subsidiaries based in the Philippines. TERRA is a real estate solutions platform that is at the forefront of providing innovative real estate solutions to its clients. The company offers cutting-edge technology and the best service to help its clients make good decisions when it comes to buying or selling properties. Some of the key features and offering of TERRA are the following: virtual tours via its platform, advanced-marketing support, smart-home integration, and investment analysis.

H.A. Duldulao & Co., Inc. (HADCI)

HADCI is one of the subsidiaries of SFIO's subsidiaries based in the Philippines. A home grown and organic real estate company founded in 2012 primarily engaged in land and housing developments, construction, sales, marketing and property management. HADCI has developed numerous residential subdivisions in the Northern part of the Philippines since inception. At present, HADCI is developing a 700+ unit subdivision and has signed a Memorandum of Agreement for the affordable housing project of the Philippine government to address the six million housing backlog in the country.

B.2.2 Business Unit in New Zealand

The Real Estate division of SFIO in New Zealand consists of a property development team (AG Architects) and an electrical services team (A+ Electrical).

AG Architects

AG Architects is an Auckland based architectural office and property developer specializing in Residential, Commercial, Public and Urban, Industrial and Institutional development which has more than 25 years of experience in managing the end-to-end property development process from documentation and design to construction of large and small projects. They established design credentials both in New Zealand and Singapore.

AG Architects have extensive experience working on multi-million projects that reflect the culture of NZ materials synonymous with the Land.

AG Architects have two townhouse projects (in progress) in Auckland New Zealand and another four real estate development projects in its two-year project pipeline.

A+ Electrical

A+ Electrical is formed by a team of Electricians, Technicians and Engineers have a diverse range of Electrical Installation, Maintenance and Joinery/Cabinetry work that we can do, from a replacement of light fittings and power points at home, and to electrical wiring of control and automation system, maintenance of machineries in a factory and commercial fit outs. A+ Electrical is also an authorized installer of HVAC systems including residential and commercial heat pumps and ventilation systems.

B.3 TECHNOLOGY

Our technology division is built around LNS+, a tech startup venture builder with over a decade of traction in blockchain systems, website and mobile app development, server management, digital marketing, and more. Through LNS+, all our existing businesses and future businesses immediately benefit from having a full suite of digital transformation partners.

This means streamlining existing operations by setting up more unified tech platforms, supporting our brands' digital marketing efforts, and so on. But this also means building entirely new systems to really disrupt the industries we operate in. Coming from the startup world, the mandate of LNS+ is to bring that disruptive mindset and marry it with the broad resources of SFIO.

More than a support division, the role of LNS+ is to pave the pathways towards SFIO's future.

- In F&B, that means franchise management dashboards to allow franchisees to monitor and manage operations, track inventory, & purchase supplies easily.
- Learning management systems to allow owners, managers, and employees to learn the ropes of running an Epiphany Cafe—wherever, whenever, on any device, at their own pace.
- In Real Estate, LNS+ will oversee the deployment of community health dashboards, working alongside our data science & health wearable partners.
- And as our portfolio of real estate developments continues to grow—we will be developing AI-assisted tools to manage that inventory and augment our sales operations.

Each of these platforms will first and foremost be integral to our businesses. But we have longer term plans for these platforms as well—turning them into subscription-based software services for other businesses. Thereby turning our technology services into highly-lucrative revenue generators as well. As we plan to scale SFIO exponentially, we see our technology products as precisely the vehicle to get us there.

In 2022, SFIO has started to work with LNS+ to restructure its business in order to establish and transition into a IT/Tech Business Process Outsourcing (BPO) service provider. This initiative is still underway and expected to be fully operational towards beginning of Q1 2024.

B.4 ENERGY

Our Energy Division marks a new era for Starfleet and the entire public transport community. We are venturing into this space with the aim of bringing not only cleaner and more cost-effective transport solutions but also a positive change for the environment. This is an opportunity that will not only benefit our communities but also leave a lasting mark in this industry.

Starfleet's Energy Division will focus its initial efforts on partnering with public transport cooperatives and importing and distributing Electric Vehicles (EV) in the Philippines. The program encompasses a wide range of vehicles, from jeepneys to buses, taxis, tricycles, with the ambitious goal of converting at least 15,000 traditional public transport vehicles to EVs in the first three years of the project. This initiative is poised to usher in an era of cleaner and more sustainable mobility options in the Philippines, catering to a vast market that includes over 200,000 jeepneys, 16,000 buses, 3.5 million tricycles, and 140,000 taxis.

In tandem with this transformative initiative, Starfleet's IT division is actively developing a cutting-edge platform and mobile app, designed to streamline fleet management, enhance payment processes, simplify bookings, and introduce innovative features such as mobile ad booking, all to elevate the EV user experience.

For the successful execution of this groundbreaking project, Starfleet has joined forces with local partners in the Philippines who are working closely with dealers, operators, and cooperatives. This collaborative approach is key to the efficient rollout and ongoing management of the program.

B.5 OTHER SUBSIDIARIES

Accord Investment Group (AIG) – renamed to Starfleet Innotech Australia Pty Ltd.

AIG is an Asset Management company based in Melbourne Australia which is 100% owned by SFIO. It owns majority shares and assets in several companies based in Australia. AIG is also involved in the real estate development projects in Australia. In 2022/23, AIG partnered with selected builders in Melbourne Australia to commence the two-subdivision projects expected to be completed in 2025/26.

MLV Group

MLV Group is an accounting firm based in Australia with more than 5,000 clients, that provides a 'one stop shop' for all tax, accounting, financial and social needs. It has seen a growth rate of 30% annually due to its reliable, professional, and trustworthy services. SFIO strategically acquired (70%) the MLV Group to manage and monitor the financial performance of its subsidiaries. MLV Group will also provide accounting and financial services to the SFIO conglomerate while pursuing its accounting firm expansion in Australia.

In late 2022, MLV Accounting has commenced its relocation to a new building (office) with larger space to accommodate its growth. The same office will be utilized by Starfleet as its headquarters in Australia.

B.6 OTHER AFFILIATED COMPANIES

- European Wellness Group (Malaysia, Germany)

C. Describe the issuers' principal products or services.

C.1 FOOD AND BEVERAGE [F&B]

C.1.1 Food Manufacturing and Distribution

Products – "Pillow-soft" donuts, commercial donuts, cakes, breads, other baked products, and NZ Manuka honey
Markets – Exclusive supply to the Epiphany Café franchise group and wholesale supply of products to multi-store retail brands and mainstream supermarkets

C.1.2 Franchising and Licensing

Products – Franchise and license systems
Markets – Retail, food and beverages

C.1.3 Coffee

Products – Roasted coffee beans and 5-in-1 instant coffee
Markets – Exclusive supply to the Epiphany Café franchise group and wholesale supply of coffee products to other retail stores. Export of 5-in-1 instant coffee

C.2 REAL ESTATE

Products – Tech-enabled, wellness-oriented, and sustainable micro-townships
Markets – Residential and commercial real estate development

Products – IT services, Software and Mobile App development, Cybersecurity services, Vulnerability Assessment & Security, Server Setup and Maintenance, Digital Marketing, Graphic Design and Branding, Website Development, Software Testing & Quality Assurance, and Mobile, Commerce, Systems Platform Development
Markets – IT, Technology and Software, Health Monitoring Platform

C.4 ENERGY

Products – Electric Vehicles (EV) for public transport (i.e. buses, taxis, jeepneys, tricycles), EV chargers, EV Platform
Markets – Public transport cooperative and operators, EV dealers and distributors, EV Charger commercial partners

C.5 OTHER SUBSIDIARIES

MLV Group:

Services – Accounting and consulting Markets – Finance

5) Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer and the extent in which the facilities are utilized.

In responding to this item, please clearly describe the assets, properties, or facilities of the issuer. Describe the location of office space, data centers, principal plants and other property of the issuer and describe the condition of the properties. Specify if the assets, properties, or facilities are owned or leased and the terms of their leases. If the issuer does not have a complete ownership or control of the property, describe the limitations of the ownership.

Tangible Assets:

The tangible assets of the Company include equipment, furniture, computer and electronic hardware, site fit outs, delivery vehicles, company vehicles, EV inventory, company-owned facilities and properties (i.e. land and buildings). All tangible assets are in good working condition.

Intangible Assets:

The intangible assets of the Company include trademarks, intellectual property, technology platforms, franchise and License system, and goodwill.

5) Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer and the extent in which the facilities are utilized.

In responding to this item, please clearly describe the assets, properties, or facilities of the issuer. Describe the location of office space, data centers, principal plants and other property of the issuer and describe the condition of the properties. Specify if the assets, properties, or facilities are owned or leased and the terms of their leases. If the issuer does not have a complete ownership or control of the property, describe the limitations of the ownership.

Tangible Assets:

The tangible assets of the Company include equipment, furniture, computer and electronic hardware, site fit outs, delivery vehicles, company vehicles, EV inventory, company-owned facilities and properties (i.e. land and buildings). All tangible assets are in good working condition.

Intangible Assets:

The intangible assets of the Company include trademarks, intellectual property, technology platforms, franchise and License system, and goodwill.

6) All Officers, Directors, and Control Persons of the Company

Using the table below, please provide information, as of the period end date of this report, regarding all officers and directors of the company, or any person that performs a similar function, regardless of the number of shares they own.

In addition, list all individuals or entities controlling 5% or more of any class of the issuer's securities. If any insiders listed are corporate shareholders or entities, provide the name and address of the person(s) beneficially owning or controlling such corporate shareholders, or the name and contact information (City, State) of an individual representing the corporation or entity. Include Company Insiders who own any outstanding units or shares of any class of any equity security of the issuer.

The goal of this section is to provide investors with a clear understanding of the identity of all the persons or entities that are involved in managing, controlling or advising the operations, business development and disclosure of the issuer, as well as the identity of any significant or beneficial owners.

7) Legal/Disciplinary History

A. Identify and provide a brief explanation as to whether any of the persons or entities listed above in Section 6 have, in the past 10 years:

1. Been the subject of an indictment or conviction in a criminal proceeding or plea agreement or named as a defendant in a pending criminal proceeding (excluding minor traffic violations);

No

2. Been the subject of the entry of an order, judgment, or decree, not subsequently reversed, suspended or vacated, by a court of competent jurisdiction that permanently or temporarily enjoined, barred, suspended or otherwise limited such person's involvement in any type of business, securities, commodities, financial- or investment-related, insurance or banking activities;

No

3. Been the subject of a finding, disciplinary order or judgment by a court of competent jurisdiction (in a civil action), the Securities and Exchange Commission, the Commodity Futures Trading Commission, a state securities regulator of a violation of federal or state securities or commodities law, or a foreign regulatory body or court, which finding or judgment has not been reversed, suspended, or vacated;

No

4. Named as a defendant or a respondent in a regulatory complaint or proceeding that could result in a "yes" answer to part 3 above; or

No

5. Been the subject of an order by a self-regulatory organization that permanently or temporarily barred, suspended, or otherwise limited such person's involvement in any type of business or securities activities.

No

6. Been the subject of a U.S Postal Service false representation order, or a temporary restraining order, or preliminary injunction with respect to conduct alleged to have violated the false representation statute that applies to U.S mail.

No

- B. Describe briefly any material pending legal proceedings, other than ordinary routine litigation incidental to the business, to which the issuer or any of its subsidiaries is a party to or of which any of their property is the subject. Include the name of the court or agency in which the proceedings are pending, the date instituted, the principal parties thereto, a description of the factual basis alleged to underlie the proceeding and the relief sought. Include similar information as to any such proceedings known to be contemplated by governmental authorities.

No

8) Third Party Service Providers

Provide the name, address, telephone number and email address of each of the following outside providers. You may add additional space as needed.

Securities Counsel (must include Counsel preparing Attorney Letters).

Name: Vic Devlaeminck, Attorney
Address 1: 10013 NE Hazel Dell Avenue
Address 2: Vancouver, WA 98685

9) Financial Statements

A. This Disclosure Statement was prepared by (name of individual):

Name: Jeths Lacson / Richard Agluba
Title: Chief Executive Officer / Corporate Secretary
Relationship to Issuer: Officer

B. The following financial statements were prepared in accordance with:

☒ IFRS
☐ U.S. GAAP

C. The following financial statements were prepared by (name of individual):

Name: Michael Venezuela
Title: Chief Financial Officer
Relationship to Issuer: Officer

Describe the qualifications of the person or persons who prepared the financial statements:⁵ Certified Public Accountant

Provide the following qualifying financial statements:

- a. Audit letter, if audited;
- b. Balance Sheet;
- c. Statement of Income;
- d. Statement of Cash Flows;
- e. Statement of Retained Earnings (Statement of Changes in Stockholders' Equity)
- f. Financial Notes

⁵ The financial statements requested pursuant to this item must be prepared in accordance with US GAAP or IFRS and by persons with sufficient financial skills.

Financial Statement Requirements:

- Financial statements must be published together with this disclosure statement as one document.
- Financial statements must be “machine readable”. Do not publish images/scans of financial statements.
- Financial statements must be presented with comparative financials against the prior FYE or period, as applicable.
- Financial statements must be prepared in accordance with U.S. GAAP or International Financial Reporting Standards (IFRS) but are not required to be audited.

10) Issuer Certification*Principal Executive Officer:*

The issuer shall include certifications by the chief executive officer and chief financial officer of the issuer (or any other persons with different titles but having the same responsibilities) in each Quarterly Report or Annual Report.

The certifications shall follow the format below:

I, Jeths De Jesus Lacson certify that:

1. I have reviewed this Disclosure Statement for Starfleet Innotech, Inc;
2. Based on my knowledge, this disclosure statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this disclosure statement; and
3. Based on my knowledge, the financial statements, and other financial information included or incorporated by reference in this disclosure statement, fairly present in all material respects the financial condition, results of operations and cash flows of the issuer as of, and for, the periods presented in this disclosure statement.

STARFLEET INNOTECH, INC.
APPENDIX E: NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2025
(Expressed in US dollars)

NOTE 1 – GENERAL ORGANIZATION AND BUSINESS AND GOING CONCERN

Effective on the 24th of January 2022, the Company's name was changed from Smokefree Innotech, Inc. to Starfleet Innotech, Inc.

Smokefree Innotech, Inc. was incorporated on May 8, 1994 in the State of Nevada.

In accordance with Section 78.347 of the Nevada Revised Statutes, Universal Management Association, LLC, a Nevada limited liability company, was appointed Custodian of Smokefree Innotech, Inc., pursuant to an Order of District Court of Clark County, Nevada, case no. A-19-795456-C on July 22, 2019.

On September 13, 2019, Richard Thomas acquired control of Smokefree Innotech, Inc., from Corionne Washington, a custodian with Universal Management Association, LLC for \$25,000 cash. Mr. Washington, representing Universal Management Association, LLC, acquired the Company, as custodian, from the Nevada District Court for Clark County through a court-approved custodial civil action. The Super A preferred share controls the Company because it is convertible into 750,000,000 common shares at any time and possesses super voting rights of 60% of all Company voting shares. The Super A preferred shares were created by the custodian.

On October 12, 2020, Richard Thomas then sold the Super A Preferred share to Hatadi Shapiro Supaat for \$15,000 and a 2% non-dilutable interest in the Company. The 2% interest of the Company refers to a future interest of 2% of the common shares of Smokefree Innotech, Inc., after the company undergoes a planned restructure.

Effective on the 20th of August 2021, the Company purchased all of the assets of Agrokings, Inc. The Company now has more than nominal operations and more than nominal assets through its ownership of six (6) Australian and New Zealand-based subsidiaries: Accord Investment Group, Epiphany Café Franchise Group, Ardent Bakers, Gorgeous Coffee Co., A+ Electrical and AG Architects, all of which have strong presence in Australia and New Zealand.

As of August 30, 2021, the Super A Preferred Share was transferred to Jeths D. Lacson, as the current Chairman of SFIO.

Following the acquisition of Agrokings, Inc., the Company has commenced its restructuring plans including the strategic alignment of its five business divisions (Food Manufacturing, Franchising, Coffee, Property Development, Technology and Software Development) to support its growth and sustainability model.

Effective on the 7th of September 2021, Mr. Hatadi Shapiro Supaat has resigned from his position as the Chief Investment Officer (CIO) of the Company. On the same date, SERVEBANK Financial Inc. has resigned from its roles and duties as Consultants to the Company.

Effective on the 8th of September 2021, the Company acquired the two Australian-based companies: Big Lou's Donuts and MLV Accounting through the Accord Investment Group Pty Ltd which is registered in Australia and 100% owned by the Company.

Effective on the 7th of October 2021, the Company acquired The Global Academy Masterclass program from Jonathan Petalver. The newly acquired company was registered in New Zealand Companies Office as The Global Academy NZ (TGA-NZ) on the 1st February 2022. TGA-NZ will have its MBA masterclass courses and other technical courses accredited or recognized in New Zealand and in the United States.

Effective on the 7th of October 2021, the Company has appointed Jonathan Petalver and Roger Oriel as Advisory Board Members of the Company.

Effective on the 7th of October 2021, the Company has appointed Michael Luis Venezuela, CPA as the new Chief Financial Officer of the Company.

On the 28th of October 2021, the Company signed a Memorandum of Understanding with Omnicor Industrial Estate & Realty Center, Inc. ("Omnicor") to develop a two-hectare parcel of land in the Philippines. Omnicor a corporation is 100% owned by Philippine Regional Investment Development Corporation (PRIDE). PRIDE is 100% owned by AbaCore Capital Holdings, Inc. (PSE trading symbol: ABA).

Effective on 29th October 2021, the Company acquired four Philippine-based Tech and IT companies namely: LEENTech Network Solutions, Inc., Livewire365, Inc., DHQ Digital Marketing, Inc., and Webworx Design Studio, Inc.

On November 12, 2021, Supplemental Information Report dated 30 September, requesting the removal of the "shell" flag of SFIO in OTC has been uploaded. The report reflected the financial figures of Agrokings, Inc. from the 01 January to 20 August 2021.

On the 22nd of November 2021, the "shell" designation on, then Smokefree Innotec, Inc. (SFIO), was removed.

On the 24th of November 2021, the Company has signed a Joint Venture agreement with RIZHLE Construction and Development Corporation, based in the Philippines. The business of the Joint Venture shall be to exclusively execute and manage the construction of all the real estate projects of the Company within the Montemaria Estate in the province of Batangas, Philippines, including but not limited to the five-tower hotel development of 'The Lombard by the Bay' (ongoing) and the eight-tower condotel development as part of the Omnicor project, both within the Montemaria Estate.

On the 24th of November 2021, the Company has signed an exclusive distribution agreement with NeuroSky, Inc., a biotech company based in the USA. NeuroSky appoints the Company as the exclusive distributor of NeuroSky products, including electronic headsets, electronic wearable wrist watches, electronic wrist bands, and other electronic wearable products within New Zealand and the United Arab Emirates.

On the 15th of November 2021, the Company has signed the international distributorship agreement with Annapolis Co., Ltd, owner the LongBeach brands based in Thailand. The Company is authorized as an exclusive distributor of LongBeach products in New Zealand and in Australia.

Effective on the 30th of November 2021, the Company has appointed Stanley Yang as an Advisory Board Member of the Company.

Effective on the 10th of December 2021, the Company has appointed Jose Gerardo Noble as an Advisory Board Member of the Company.

On the 11th of December 2021, the Company has engaged Havitas Developments Corporation, based in the Philippines, to carry out the detailed Market Research and Feasibility Study including financial modelling for the Company's eight-tower (2-hectare) property development in Montemaria Batangas Philippines.

On the 13th of December 2021, the Company has signed a Memorandum of Understanding with FJ Prime Management, Inc., based in the Philippines, to enter into a Joint Venture in expanding the Epiphany franchise business in the Philippines, including the distribution of the Company's products in the Philippines.

On the 20th of December 2021, the Company has submitted Form 1A to the Securities and Exchange Commission (USA) and later amended on the 22nd and 27th of December. This is in line with the company's initiative to raise funds through the Reg-A offering. The aggregate offering price attributable to securities being offered is \$20,000,000 USD at the price of \$0.40 USD per share.

On the 21st of December 2021, the Company has opened its office in Dubai CommerCity in the United Arab of Emirates, following its successful company registration in Dubai, as Starfleet Innotech FZCO.

On the 22nd of December 2021, the Company has signed a Joint Venture agreement with the landowners of a eight-hectare property (including beach front) located in Buenavista, Puerto Princesa City, Palawan, Philippines. The Joint Venture Corporation to be formed by the two parties will develop a micro-township that will include a beach resort, condotel units, villas, wellness facilities, retirement villas, and hotel.

Effective on the 27th of December 2021, the Company has appointed Vince Caruso as an Advisory Board Member of the Company.

On the 28th of December 2021, the Company received a letter from the Securities and Exchange Commission (USA) advising that the Company's Offering Statement on Form 1-A has been considered with no intention of review from the Commission.

Effective on the 17th of January 2022, the Company has appointed Sunil Salunkhe as an Advisory Board Member of the Company.

On the 20th of January 2022, the Company has signed a Memorandum of Understanding with The Cravings Group, owner of a CCA wholesale bakery and the Center for Culinary Arts program based in the Philippines. The purpose of the MOU was to identify the opportunities for strategic partnership or collaboration with the Company in areas listed below:

- Development of real estate owned by The Cravings Group
- Production and supply of bakery products to the Epiphany Franchise Group in the Philippines
- Expansion of The Cravings brand and operations through partnership with the Company
- Expansion and accreditation of CCA courses in New Zealand, Australia, UAE and the USA

Effective on the 24th of January 2022, the Company's name was changed from Smokefree Innotec, Inc. to Starfleet Innotech, Inc.

On the 25th of January 2022, Epiphany Ventures Asia SDN BHD was incorporated in Malaysia. This is the joint venture corporation between the Company and its local partners in Kuala Lumpur Malaysia, for the expansion of Epiphany Café and product distribution business of the Company in Malaysia.

On the 2nd of February 2022, the Company has signed a Memorandum of Understanding with Michael James Maclean, based in Canada, to enter into a Joint Venture in expanding the Epiphany franchise business (non-exclusive) in Canada, including the distribution of the Company's products (i.e. Epiphany NZ Manuka Honey and Gorgeous Coffee products) in Canada.

On the 2nd of February 2022, Starfleet Innotech (SFIO) Philippines Holdings Corporation was incorporated through the Security and Exchange Commission (Philippines)

Effective on the 3rd of February 2022, the Company has appointed Richard De Lima as the new Chief Investment Officer of the Company.

On the 20th of July 2022, the company signed a Letter of Intent (LOI) with Ecoelements, Inc., a company that owns and distributes 'Herbs of the Earth' food supplements manufactured in the US, distributed in the Philippines, other parts of Asia and the US. Starfleet has conducted its due diligence process to explore potential acquisition of Ecoelements, Inc. which will be part of the strategic positioning of Starfleet's F&B division on health and wellness product manufacturing and distribution, mainly focused on North America and Asia.

On the 26th of July 2022, the company Soft Landings Business Accelerators, Inc, as one of the company's Financial Advisor. Soft Landings services span financial advisory, M&A, asset joint ventures, project term loans, general project management, sales and marketing management, and more. For over forty years, their key principals have supported startups and large-scale companies undergoing expansions, acquisitions, and pivots. Billion-peso accounts handled by these principals include the packaging and funding of Pepsi-Cola Products (Phils.), Inc.'s acquisition, as well as the investment packaging of world-class amusement park Enchanted Kingdom. Among their other accomplishments is the successful raising of P1.5 billion (\$27 million) to finance the completion of the Imperial Palace Waterpark Resort & Spa (now JPark Island Resort), a 556-room five-star hotel/condotel venture in Mactan, Cebu.

On the 5th of August 2022, the company has successfully reduced its outstanding shares by converting the key officers and partners' common shares to the new class of preferred shares (Series B). The first batch amounting to 268,570,000 common shares were converted.

In August 2022, FJ Prime Philippines has completed its detailed market research and feasibility study (Phase-1 and 2) in the Philippines for Epiphany Café's potential market entry in the Philippines. Phase-3 has commenced which will outline the market entry strategy, operational requirements, regulation and legal requirements, and marketing campaign strategy.

On the 20th of August 2022, the company signed a Letter of Intent (LOI) with Gravitass Software & Service Solutions Inc., an IT/IS service provider based in the Philippines. Starfleet has conducted its due diligence process to explore potential acquisition of Gravitass. The potential acquisition is in line with the consolidation efforts within its Tech Division, LNS+, and its strategic positioning in enhancing its tech capabilities which may add value to its current tech capabilities under LEENTECH Network Solutions (LNS+) as it is being transitioned into an International Tech BPO service provider.

On the 24th of August 2022, the company signed a Letter of Intent (LOI) with CyberQ Group, a Cyber Security company based in the UK and with presence in the Philippines and the United States. Starfleet has conducted its due diligence process to explore potential investment into CyberQ group with a plan of acquisition in the future. The potential partnership is in line with the company's strategic positioning in enhancing its tech capabilities which may add value to its current tech capabilities under LEENTECH Network Solutions (LNS+) as it is being transitioned into an International Tech BPO service provider.

On the 1st of September 2022, Starfleet's 100% owned subsidiary, Epiphany Café has engaged Franchise Genesis, Inc., a North Carolina Corporation who is experienced in the formation, development, operation, marketing and sales of franchise system in the United States. Franchise Genesis will assist Epiphany in conducting strategic franchise launch analysis in the US, structure the franchise system of Epiphany in the US, develop franchise documentations, facilitate franchise registration and filing, develop franchise manuals suited for the US setting, and assist in marketing and recruitment of franchisees in the US.

On the 12th of September 2022, the company has engaged with Roda & Chalfant, LLC, franchise lawyers based in Cincinnati, OH, who will assist Epiphany in the preparation of an FTC and state compliant franchise disclosure document and other relevant franchise regulatory documents.

On the 23rd of September 2022, the company signed the Heads of Agreement and paid reservation fees to secure a six-acre property in Sunbury, Melbourne Australia. The company is currently completing its due diligence process for this project including structuring of non-dilutive debt financing for the project development. The proposed project is in line with the company's roadmap to develop real estate projects in "high-growth" and "high-yield" locations such as Melbourne Australia.

On the 26th of September 2022, the company signed the Heads of Agreement and paid reservation fees to secure a six-acre property in Wallan, Melbourne Australia. The company is currently completing its due diligence process for this project including structuring of non-dilutive debt financing for the project development. The proposed project is in line with the company's roadmap to develop real estate projects in "high-growth" and "high-yield" locations such as Melbourne Australia.

On the 8th of October, the company has engaged with Grierson Consulting Inc., based in Ontario Canada. Grierson will assist the Epiphany team in Canada in undertaking market research, feasibility studies, and launching of Epiphany Café in Canada tentatively in Q1/Q2 2023.

On the 9th of October, the company signed a partnership agreement with Terra Solutions Realty Corporation, based in the Philippines. Terra is a brokerage / realty firm that provides real estate listings through a global and advanced selling platform designed to have technological solutions that will enable real estate sellers, owners, and developers engage. In this agreement, Starfleet will have 100% ownership rights on the platform and substantial equity in Terra with the plan of owning the majority shares in Terra in the future. This partnership is part of Starfleet's consolidation of its real estate division. Terra has been appointed to spearhead the sales (including pre-sales) of Moraya projects in the Philippines, New Zealand and Australia.

On the 30th of January 2023, the Company signed a Memorandum of Agreement with European Wellness Biomedical Group (EW Group) to co-develop wellness-oriented micro-township projects under the MORAYA real estate brand and co-operate the Integrative Medicine facility within the MORAYA project in Palawan, Philippines.

is subject to final settlement as per approved letter from Starfleet Innotech (SFIO) Philippines Corp., entity representing the investors, who will be paying BNCM for this transaction.

On the 26th of November 2023, Starfleet Innotech Inc. signed a Letter of Intent (LOI) with H.A Duldulao & Co., Inc. (HADCI) outlining the high level terms of the proposed ownership acquisition in HADCI by SFIO and investment opportunities to support the current and future projects of HADCI.

On the 18th of December 2023, Starfleet Innotech, Inc. signed a Memorandum of Agreement with H.A. Duldulao & Co., Inc. (HADCI) for acquiring 60% majority ownership in HADCI and commitment to invest in its current and future real estate development projects in the Philippines. This strategic acquisition is a pivotal milestone in Starfleet Innotech's growth and expansion strategy. H.A. Duldulao & Co. is currently developing the Heroes Lane project (<https://hadci.com/heroes-lane/>) located in Gamu, Isabela, which has a potential value of \$35 million, with more than 46% of the total 668 units already reserved to date. The said project is proposed to be the first-ever green certified project in Northern Philippines under the Excellence in Design for Greater Efficiencies (EDGE) of the World Bank IFC. According to the agreement, Starfleet Innotech will acquire a 60% stake in H.A. Duldulao & Co. which currently has a valuation of \$20 million. The initial 30% stake will be purchased for \$6 million, funded through the issuance of 6 million preferred B shares, convertible into 60 million common shares at \$0.10 per share. The remaining 30% stake will be acquired upon receipt of the funding investment. The transaction is expected to close by the end of July 2024, subject to customary closing conditions and regulatory approvals.

On the 27th of January 2024, Starfleet Innotech, Inc. has signed an investment and loan agreement with a private equity investor group based in Brisbane Australia. The investors have committed funding the entire budget requirement for MORAYA Project in the Philippines and selected real estate projects in New Zealand, by way of equity and loan. The investors have also approved a subsequent loan for Starfleet's mobilization and initial buyback program for 2024. Initial tranche is scheduled between April and June 2024, subject to compliance requirements in transferring funds from Australia being met by both parties.

On the 1st of May 2024, Starfleet Subsidiaries in New Zealand have relocated its offices to 89 Church Road Hamilton. This initiative was in line with the plan to consolidate the operations of the F&B division in New Zealand and to allow more office space for the real estate and technology group towards Q3 and Q4. The new location also supports the plan to establish an R&D and Training Center (based in NZ) for Epiphany brand, to enable its expansion overseas.

On the 16th of July 2024, Starfleet Innotech, Inc. has signed a definitive agreement with D'RK Holdings Inc., a holdings company in the Philippines with existing franchise business (i.e. Cafés). D'RK Holdings Inc. and Starfleet Philippines are in the planning stage on how they can bring the Epiphany Café brand and operations in the Philippines. The discussion includes potential conversion of D'RK Holdings' existing cafés in the Philippines to the Epiphany brand. Fundraising locally (Philippines) to enable this initiative, is currently underway. Detailed plan will be shared by way of press release and future disclosures.

On the 26th of July 2024, the Board of Starfleet Innotech, Inc., through a board resolution, approved the proposed restructuring of the business operations of Starfleet's divisions. This includes consolidation and streamlining of the existing subsidiaries within the conglomerate. The key focus is redirected to real estate development of affordable housing in the Philippines, in partnership with the landowner, the local government, and key local and international funders. Project implementation of other real estate projects of Starfleet such as Moraya (Philippines) and townhouse development (New Zealand) are also part of the immediate plan. This initiative is geared toward the plan to reinstate the uplisting efforts of Starfleet within the next 12-24 months.

Effective 01 August 2024, Henson Duldulao, CEO of H.A. Duldulao & Co., Inc. (HADCI), a real estate developer subsidiary of Starfleet in the Philippines, has been appointed as the new Chief Operating Officer of Starfleet Innotech, Inc. Henson will lead the real estate projects of Starfleet in the Philippines.

On the 9th of September 2024, Starfleet Innotech, Inc. has received a confirmation letter from its Australian investor with the updated dates of the drawdown of funds in reference to the executed loan agreement signed in January 2024. The letter stipulated the causes of delays and reiterated the commitment to delivering the funding. The revised date of drawdown is between 25th of November and 20th of December 2024.

On the 17th of September 2024, Starfleet Innotech, Inc. facilitated a new contract for the buyback of shares owned by BNCM (and their group). This new contract is between an Australian company and BNCM which will cover a total of 208M shares of BNCM (and their group). The proposed execution date of the buyback is between October and November 2024.

On the 20th of September 2024, the Board of Starfleet Innotech, Inc., through a board resolution, approved the amendment to the proposed restructuring of the business operations of Starfleet's divisions that was initially resolved by the Board on the 26th of July 2024. The amendment included changes to the consolidation and streamlining of the existing subsidiaries within the conglomerate, and proposed options for uplisting of the company after the buyback has been completed. Part of the uplisting plans is the appointment of an IR team who will facilitate the company's investor relation post-buyback.

On the 13th of March 2025, Starfleet Innotech Inc. and BNCM agreed to convert 104M common shares owned by BNCM in Starfleet to Series B Preferred shares which will also be restricted for at least 2 years. The conversion process is underway.

On the 10th of March 2025, Starfleet Innotech Inc. has established Starfleet EV Solutions in the Philippines. This team will reactivate Starfleet's EV roll out strategy which was formed in 2022. The new team comprises of the newly appointed CEO and managers, have restructured Starfleet EV to be able to offer an end-to-end solution to its customers. This is by adapting a business model that consolidates the importation, distribution and local assembly of electric vehicles including a comprehensive approach in rolling out EV chargers, supported by an APP developed by LNS (IT subsidiary of Starfleet).

On the 18th of March 2025, Starfleet EV's CEO visited our key EV suppliers and partners in China. This trip has secured partnerships with electric vehicle and charger manufacturers.

On the 24th of March 2025, Starfleet EV Philippines signed a Memorandum of Agreement with Kimsharain (KSR) Auto Body Builder Corporation, a corporation established in the Philippines, that assembles diesel and electric vehicles, buses and taxis. KSR, as the new subsidiary of Starfleet, will play a vital role in Starfleet EV's strategy in rolling out electric vehicles EV chargers in the Philippines.

Starfleet Innotech, Inc. [SFIO] is a global investment holding company focused on innovation through disruptive collaborations across the three key industries: Food and Beverage (F&B), Real Estate, Technology and Energy. With a strong presence across New Zealand, Australia, and the Philippines - as well as a roadmap for further global expansion - SFIO makes strategic investments in high-growth businesses, building synergies across its diverse portfolio to provide maximum shareholder value. SFIO's key industries represent a clear roadmap of acquisition, consolidation, transformation, and expansion. As the company grows its portfolio of pillar investments, it pioneers new business models and operational efficiencies through technological innovation and cross-industry collaboration, before scaling them across its global footprint. Guided by tradition, driven by innovation, and enabled by collaboration. SFIO is on a hyper-growth path to build a thriving business ecosystem, with plans to uplist onto a major stock exchange in the near future.

These unaudited consolidated financial statements have been prepared by Starfleet Innotech, Inc. (the "Company") on a going concern basis, which implies the Company will continue to realize its assets and discharge its liabilities in the normal course of business. The continuation of the Company as a going concern is dependent upon the continued financial support from its shareholders, the ability of the Company to obtain necessary debt or equity financing to continue operations, and the attainment of profitable operations. There is no guarantee that the Company will be successful in these efforts. These consolidated financial statements do not include any adjustments to the recoverability and classification of recorded asset amounts and classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

These consolidated financial statements present the balance sheets, statements of operations, stockholders' deficit and cash flows of the Company. These financial statements are presented in United States dollars and have been prepared in accordance with accounting principles generally accepted in the United States. The Company's financial statements are prepared using the accrual method of accounting. The Company has elected a December 31 fiscal year end.

Use of Estimates and Assumptions

The preparation of these financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. The results of operations and cash flows for the periods shown are not necessarily indicative of the results to be expected for the full year. The Company regularly evaluates estimates and assumptions related to valuation of license, stock-based compensation, and deferred income tax asset valuation allowances.

Cash and Cash Equivalents

The Company considers all highly liquid investments with maturity of three months or less when purchased to be cash equivalents.

Financial Instruments and Fair Value Measures

ASC 820, "*Fair Value Measurements and Disclosures*" requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC 820 establishes a fair value hierarchy based on the level of independent, objective evidence surrounding the inputs used to measure fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. ASC 820 prioritizes the inputs into three levels that may be used to measure fair value:

Level 1

Level 1 applies to assets or liabilities for which there are quoted prices in active markets for identical assets or liabilities.

Level 2

Level 2 applies to assets or liabilities for which there are inputs other than quoted prices that are observable for the asset or liability such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in markets with insufficient volume or infrequent transactions (less active markets); or model-derived valuations in which significant inputs are observable or can be derived principally from, or corroborated by, observable market data.

Level 3

Level 3 applies to assets or liabilities for which there are unobservable inputs to the valuation methodology that are significant to the measurement of the fair value of the assets or liabilities.

The Company's financial instruments consist principally of cash, accounts payable and accrued liabilities, convertible debenture, stock-settled debt obligation, and amounts due to related parties. Pursuant to ASC 820, the fair value of cash is determined based on "Level 1" inputs, which consist of quoted prices in active markets for identical assets. The recorded values of all other financial instruments approximate their current fair values because of their nature and respective maturity dates or durations. Unless otherwise noted, it is management's opinion that the Company is not exposed to significant interest, currency or credit risks arising from these financial statements.

Stock-based Compensation

The Company records stock-based compensation in accordance with ASC 718 "Compensation – Stock Compensation" and ASC 505, "Equity Based Payments to Non-Employees", using the fair value method. All transactions in which goods or services are the consideration received for the issuance of equity instruments are accounted for based on the fair value of the consideration received or the fair value of the equity instrument issued, whichever is more reliably measurable.

Loss per Share

The Company computes net loss per share in accordance with ASC 260, "Earnings per Share", which requires presentation of both basic and diluted earnings per share ("EPS") on the face of the statements of operations. Basic EPS is computed by dividing net loss available to common shareholders (numerator) by the weighted average number of shares outstanding (denominator) during the period. Diluted EPS gives effect to all dilutive potential common shares outstanding during the period using the treasury stock method and convertible preferred stock using the if-converted method. In computing diluted EPS, the average stock price for the period is used in determining the number of shares assumed to be purchased from the exercise of stock options or warrants. Diluted EPS excludes all dilutive potential shares if their effect is anti-dilutive.

Revenue Recognition

The company applies paragraph 605-10-S99-1 of the FASB Accounting Standards Codification for revenue recognition. The company recognizes revenue when it is realized or realizable and earned.

The Company considers revenue realized or realizable and earned when all of the following criteria are met: (i) persuasive evidence of an arrangement exists, (ii) the sale price is fixed or determinable, (iii) collectability is reasonable assured and (iv) goods have been shipped and/or services rendered.

Comprehensive Loss

ASC 220, "Comprehensive Income", establishes standards for the reporting and display of comprehensive loss and its components in the consolidated financial statements. As of December 31, 2023, and at December 31, 2022, the Company had no items representing comprehensive income or loss.

Income Taxes

A deferred tax asset or liability is recorded for all temporary differences between financial and tax reporting and net operating loss carry forwards. Deferred tax expense (benefit) results from the net change during the year of deferred tax assets and liabilities. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

When required, the Company records a liability for unrecognized tax positions, defined as the aggregate tax effect of differences between positions taken on tax returns and the benefits recognized in the financial statements. Tax positions are measured at the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. No tax benefits are recognized for positions that do not meet this threshold. The Company has no uncertain tax positions that require the Company to record a liability. The Company's tax years ended December 31, 2022, and December 31, 2023, remain subject to examination by Federal and state jurisdictions.

The Company recognizes penalties and interest associated with tax matters as part of the income tax provision and includes accrued interest and penalties with the related tax liability in the balance sheet. The Company had no accrued penalties and interest as of December 31, 2023.

Recently Issued Accounting Pronouncements

The Company has implemented all new accounting pronouncements that are in effect and that may impact its financial statements and does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

NOTE 3 – STOCKHOLDERS’ DEFICIT

Authorized Shares

The Company is authorized to issue 2,500,000,000 shares of \$0.001 par value common stock.

Common Stock

All common stock shares have equal voting rights, are non-assessable and have one vote per share.

NOTE 4 – CONFLICTS OF INTEREST

The officer and director of the Company is involved in other business activities and may, in the future, become involved in other business opportunities. If a specific business opportunity becomes available, such person may face a conflict in selecting between the Company and his other business interests. The Company has not formulated a policy for the resolution of such conflicts.

NOTE 5 – SUBSEQUENT EVENTS

The Company’s management has evaluated subsequent events up to March 31, 2025, the date the financial statements were finalized pursuant to the requirements of ASC 855 and has determined the following material subsequent events:

Nil.
