**Change of Chief Financial Officer**

Effective May 7, 2025, the Board of Directors of Integrated Cannabis Solutions, Inc., now known as JFH Digital E-Commerce Corp., a Nevada corporation (the “**Company**”), accepted the resignation of Lin Kaihong as Chief Financial Officer and appointed Li Yuwen as the Company’s new Chief Executive Officer.

**Li Yuwen** has served as the chairman of the board of directors of Dongguan Xixingdao Technology Co., Ltd., a subsidiary of the Company, since October 2019. In that role, he oversees management and overall operations of the company. He built an efficient management team and guided its management in successfully completing multiple major projects and creating significant economic benefits for the company. Mr. Li currently serves as Chief Executive Officer of Fortune Valley Treasures, Inc., a publicly-traded Nevada corporation (symbol: FVTI). Mr. Li had also served as the chief operating officer of Qianhai DaXingHuaShang Investment (Shenzhen) Co., Ltd. (“QHDX”), a subsidiary of the Company, from August 2022 to May 2024 and as the chief technology officer of QHDX from March 2021 to July 2022, where he participated in the company’s major decisions, executed corporate development strategies, supervised corporate compliance and led major company projects and business expansions. Mr. Li received his Associate’s degree in Marketing from Jimei University of Finance and Economics in Xiamen, China.
