Automatic Conversion. Upon (i) an up-listing of the Corporation's Common Stock to Nasdaq or a US national securities exchange, (ii) a financing or offering involving the sale of \$5,000,000 or more of the Corporation's Common Stock or Common Stock Equivalents (a "Material Financing"), (iii) the Corporation ceases to be a public corporation as the result of a going private transaction, (iv) the Corporation, directly or indirectly, effects any sale, lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions (including a transaction involving the Corporation's spin-off of its Nevada subsidiary, Verve Cloud, Inc.), (v) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Corporation or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, (vi) the Corporation, directly or indirectly, in one or more related transactions, effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (vii) the Corporation, directly or indirectly, in one or more related transactions, consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person, other than an officer or director of the Company, whereby such other Person acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination), all issued shares of Series C Convertible Preferred Stock shall be automatically converted, without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent, into the number of fully paid and nonassessable shares of Common Stock in an amount equal, following conversion, to 22% of the Corporation's issued and outstanding shares of Common Stock. Each of (i)-(vii) above shall be hereafter referred to as a "Conversion Event" and the date of a Conversion Event shall be hereafter referred to as a "Conversion Date". Upon any such mandatory conversion and the issuance of Conversion Shares further thereto, the shares of Series C Convertible Preferred Stock shall be deemed cancelled and of no further force or effect. A mandatory conversion is the only means by which Series C Convertible Preferred Stock is convertible as the shares of Series C Convertible Preferred Stock are not convertible at the option of the Holder. For purposes of the foregoing Conversion Events,

conversion will be deemed to have taken place immediately prior to the Conversion Event. By way of example, if the Corporation engages in a Material Financing, the Series C Convertible Preferred Stock will be treated as having been converted immediately prior to the issuance of the securities in the Material Underwriting.

Redemption. At any time on or after the second anniversary of the date of issuance of shares of Series C Preferred Stock to the Holder, the Corporation, in its sole discretion, may elect, by delivering written notice to the Holder no less than 10 days or more than 20 prior to the redemption date set forth in such notice (the Redemption Date), to redeem all or any portion of the Series C Preferred Stock held by such Holder at a price per share (the "Redemption Price") equal to 120% of the Stated Value per share being redeemed. (4) Represents twenty-five percent (25%) of the Company's shares outstanding, including the shares issuable to Post Road Special Opportunity Fund II LP (the "PRG Fund") and Post Road Special Opportunity Fund II Offshore LP (the "PRF Offshore Fund") pursuant to the exercise of the warrant first issued to the PRG Fund on November 17, 2020. The 107,701,179 warrant shares that PRG Fund reported it owned in the Schedule 13D it filed on November 27, 2020 (as amended on March 17, 2021 to reflect a transfer of 24.32% of the warrant to the PRF Offshore Fund as a result of which a new warrant was issued (the "New Warrant") for the other 75.68% of the original warrant and as amended on July 13, 2021 to reflect a transfer of 13.19% of the New Warrant to the PRF Offshore Fund. The PRG Fund owns a warrant for 65.7% of the original amount and the PRF Offshore Fund owns a warrant for 34.3% of the original amount) represents twenty-five percent (25%) of the total shares of Common Stock, calculated on a fully diluted basis, which assumes future share issuances that are not certain or not yet contractually obligated to be issued. In addition, twenty-five percent (25%) of the 107,701,179 warrant shares are not yet vested and subject to forfeiture if the Company achieves certain performance targets which, if achieved, would result in the warrant being exercisable into twenty percent (20%) of the Common Stock, calculated on a fully-diluted basis as described above. If the minority stockholders of T3 Nevada convert their T3 Nevada shares into shares of the Common Stock, the number of shares into which the warrant may be exercised would also be decreased such that, if the Company also achieves certain performance targets, the warrant would be exercisable into fifteen percent (15%) of the Common Stock, calculated on a fully-diluted basis as described above. T3 Nevada's minority stockholders have an obligation to (and may not otherwise) convert their T3 Nevada shares into shares of the Common Stock upon being asked to do so by the Company at any time after our Common Stock has a current market price of \$1.50 or more per share for 20 consecutive trading days.
