1. DESCRIPTION OF THE BUSINESS

Exlites Holdings International, Inc. (the Company) is publicly traded on OTC Markets under ticker symbol EXHI and was formed in the state of New Mexico in 1979 under the name Unico, Inc.

In 2008, the shareholders of the Company voted approval on a share exchange agreement with Exlites Co. Ltd. (a Japanese Corporation) whereby the Company issued 12,000,000 shares of common stock to Exlites Co. Ltd.'s shareholders as part of the acquisition. Subsequently, in September 2008, the Company changed its name from Vision International, Inc. to Exlites Holdings International, Inc.

As part of this acquisition, the Japanese owners contracted with a US citizen ("Major Shareholder") to maintain all the legal filings with federal, state, and local authorities and to maintain a small office in the US for this and other US interests held by the same Japanese citizens. As part of this contract, the Japanese owners paid Major Shareholder for her out of pocket expenses of the office and an agreed upon salary for her services. Such compensation was completed until the end of 2008, when the contract payments ceased and Major Shareholder filed suit for reimbursement of out of pocket expenses, unreimbursed salary, and additional amounts for "breach of contract, unjust enrichment, and fraudulent representation". Service was made to the Japanese owners in Japan, but no response was ever made, and the suit resulted in a default judgment for Major Shareholder. As part of the judgment, Major Shareholder asked for and received Twenty Nine Million (29,000,000) shares of common stock of the Company, which gave her majority ownership, and subsequently made her the sole board member and only officer of the Company.

The Company subsequently acquired Ashford Durable Medical Solutions, Inc. on January 17, 2013. Ashford then became a wholly owned subsidiary of the Company. On December 23, 2015 the Company entered into a stock swap with Soleeze Wave Company.

As of February 1, 2016 the company cancelled an exclusive distribution agreement with a supplier. The sales for the contract were approximately \$9,000,000. The profits from this contract were minimal and management decided not to renew the agreement.

On June 25, 2021 the company announced it had signed a letter of intent (LOI) to acquire a Devon Orthopedic Implants LLC. (DOI) owners of proprietary patented medical products. The acquisition would see EXHI absorb DOI.

On July 14, 2021 the company announced it has signed an exclusive licensing deal with Square in the Circle, Inc. the patent assignee for US Patent No. 11,001,136, dated May 11, 2021, titled Alternator system for electric vehicles having at least one wheel axel. This technology relates to an aftermarket part that can extend the range of an electric vehicle.

The Company is engaged in the consumer healthcare market and durable medical supply business. The Company has many customers to which it sells various products which in turn sell through its own distribution channels which include catalogs, retailers, and direct-to-consumer venues. The company also does contract manufacturing for medical products. The Company's mission is to develop
