**NOTICE OF MATERIAL EVENT**

Sky Constant Century Inc. (the “Company”) is pleased to announce that it has entered into active and constructive preliminary discussions with Zhejiang Yiqikang Health Industry Co., Ltd. (“Yiqikang”), a AAA-rated enterprise in China, regarding a potential strategic combination between the two companies, including but not limited to a possible merger or acquisition. Both parties share a common vision and mutual interest in exploring deeper integration to jointly build a leading platform in the global health and wellness sector. These ongoing discussions reflect a shared recognition of the complementary strengths of both organizations and the significant potential benefits that may arise from a closer strategic relationship. Through potential integration of resources and capabilities, the parties believe there is meaningful opportunity to create long-term value and accelerate business growth.

Yiqikang is a well-established enterprise in China’s health industry, dedicated to providing scientific, systematic, and personalized health management solutions for chronic disease and sub-health populations. Led by Chairwoman Ms. Sun Limin, President Mr. Zhu Lingen, and General Manager Ms. Zhu Yunqin, Yiqikang operates a comprehensive ecosystem covering assessment, intervention, tracking, and optimization, alongside testing, research, services, and care. Yiqikang has earned multiple AAA-rated certifications for its business credibility and service quality and maintains close cooperation with Beijing Huaxia Integrative Medicine Research Institute. The company actively integrates multiple patented technologies into its product development and service innovation, including selenium-rich sturgeon bone peptides, probiotic strains for functional health, and microencapsulated nattokinase. These innovations support Yiqikang’s long-term strategies in AI-driven health diagnostics, chronic disease research, and expansion of a nationwide health service network. Further information about Zhejiang Yiqikang Health Industry Co., Ltd. is available on its official website: [www.transferstock.cn](http://www.transferstock.cn).

Both parties are exploring opportunities to collaborate in health management technologies, service network expansion, and resource integration. While the discussions are positive and progressing, they remain at an exploratory stage. No binding agreement has been signed, and there can be no assurance that any transaction will be completed. Both parties recognize the significant potential benefits of a strategic combination and share a willingness to continue deepening discussions towards this direction.

The Company’s corporate structure remains unchanged. The Company will provide timely updates if there are any material developments.

## **Forward-Looking-Statements**

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts. These statements are not guaranties of future performance, and actual results may differ materially from those forecasted.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words “believe,” “anticipate,” “intends,” “estimate,” “forecast,” “project,” “plan,” “potential,” “may,” “should,” “expect,” “pending,” and similar expressions identify forward-looking statements. The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs, or projections.
