The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company may reimburse such brokers and nominees for their related out of pocket expenses. ## APPOINTMENT AND REVOCATION OF PROXY

### Appointment of Proxy

Registered Shareholders are entitled to vote. A Shareholder is entitled to one (1) vote for each Common Share that such Shareholder holds on the record date of July 11, 2025, on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. The persons named as proxyholders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

**A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.**

**TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S COMMON SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.**

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarial certified copy thereof, must accompany the form of proxy.

### Revocation of Proxies

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

## VOTING BY PROXY

**Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting.** Common Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

**If a Shareholder does not specify a choice and the Shareholder has appointed one of the Designated Persons as proxyholder, the Designated Person will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management of the Company at the Meeting.**

**The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting.** At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for the determination of quorum but will not be counted as affirmative or negative on the matter to be voted upon.

### COMPLETION AND RETURN OF PROXY

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Endeavor Trust Corporation at their offices located at 702 – 777 Hornby Street, Vancouver, BC V6Z 1S4 by mail or fax, no later than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, or adjournment thereof, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

### NON-REGISTERED HOLDERS

**Only Shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting.** Most Shareholders of the Company are "non-registered" Shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited, in Canada, and the Depository Trust Company, in the United States (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered holder.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form, as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("NOBOs"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("OBOs").

In accordance with the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), the Company has elected to send the Meeting materials indirectly to NOBOs and OBOs through Nominees. The Nominees (or their service companies) are responsible for forwarding the Meeting Materials to NOBOs and OBOs.

If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you indirectly, the Nominee holding on your behalf has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

The Company is not sending the Meeting materials to Shareholders using "notice-and-access", as defined under NI 54-101.

### REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a Shareholder, his attorney authorized in writing or, if the Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting.

## VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company's authorized share capital consists of an unlimited number of Common Shares without par value. As of the record date, being close of business on July 11, 2025, a total of 20,710,001 Common Shares were issued and outstanding. Each Common Share carries the right to one (1) vote at the Meeting. Persons who are registered Shareholders as of the record date will be entitled to receive notice of and vote at the Meeting and will be entitled to one (1) vote for each Common Share held.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, controls or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all shares of the Company.

### NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at four (4). The number of directors will be approved if the affirmative vote of the majority of common shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at four (4).

**Management recommends the approval of the resolution to set the number of directors of the Company at four (4).**

### ELECTION OF DIRECTORS

The directors of the Company are elected annually and hold office until the next annual general meeting of the shareholders or until their successors are elected or appointed. Management proposes to nominate the persons listed below for election as directors of the Company to serve until their successors are elected or appointed. In the absence of instructions to the contrary, proxies given pursuant to the solicitation by management will be voted for the nominees listed in this Information Circular. Management does not contemplate that any of the nominees will be unable to serve as a director.

The following table sets out the names of the nominees for election as directors, the offices they hold within the Company, their occupations, the length of time they have served as directors of the Company, and the number of shares of the Company which each beneficially owns, directly or indirectly, or over which control or direction is exercised, as of the date of this Information Circular.

In performing its duties, the board of directors has the authority to engage such advisors, including executive compensation consultants, as it considers necessary.

All members of the Board are experienced participants in business or finance, and have sat on the board of directors of other companies, charities or business associations, in addition to the Board.

The Board does not have a pre-determined compensation plan. The Company does not engage in benchmarking practices and the process for determining executive compensation is at the discretion of the Board.

In performing its duties, the Board has considered the implications of risks associated with the Company’s compensation policies and practices. At its present early stage of development and considering its present compensation policies, the Company currently has no compensation policies or practices that would encourage an executive officer or other individual to take inappropriate or excessive risks. A Named Executive Officer or director is permitted for his or her own benefit and at his or her own risk, to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units or exchange funds, that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

**PARTICULARS OF MATTERS TO BE ACTED UPON**

**Stock Option Plan**

The Directors of the Company have adopted a rolling 10% stock option plan (the “Stock Option Plan”). The purpose of the Stock Option Plan is to advance the interests of the Company by encouraging the directors, officers, employees, management company employees and consultants of the Company, and of its subsidiaries and affiliates, if any, to acquire Common Shares in the share capital of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs. The Stock Option Plan provides that, subject to the requirements of the Canadian Securities Exchange (the “Exchange”), the aggregate number of securities reserved for issuance will be 10% of the number of the Company’s Common Shares issued and outstanding at the time such options are granted. The Stock Option Plan will be administered by the Company’s Board of Directors, which will have full and final authority with respect to the granting of all options

thereunder.

Options may be granted under the Stock Option Plan to such the directors, officers, employees, management or consultants of the Company and its affiliates, if any, as the Board of Directors may from time to time designate. The exercise price of option grants will be determined by the Board of Directors, but after listing on the Exchange will not be less than the closing market price of the Common Shares on the Exchange less allowable discounts at the time of grant. The Stock Option Plan provides that the number of Common Shares that may be reserved for issuance to any one individual upon exercise of all stock options held by such individual may not exceed 5% of the issued Common Shares, if the individual is a director, officer, employee or consultant, or 1% of the issued Common Shares, if the individual is engaged in providing investor relations services, on a yearly basis. All options granted under the Stock Option Plan will expire not later than the date that is ten years from the date that such options are granted. Options terminate earlier as follows: (i) immediately in the event of dismissal with cause; (ii) 90 days from date of termination other than for cause; or (iii) one year from the date of death or disability. ## Reliance on Certain Exemptions

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis Non-audit Services*), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

## Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as set out in the Audit Committee Charter of the Company.

### External Auditor Service Fees

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

	Financial Year Ended March 31, 2025	Financial Year Ended March 31, 2024
Audit Fees	\$16,000	\$15,500
Audit-Related Fees	-	\$1,400
Tax Fees	\$3,000	-
All Other Fees	-	-
Total	<b>\$19,000</b>	<b>\$16,900</b>

### Exemption

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (Composition of Audit Committee) and 5 (Reporting Obligations).

## CORPORATE GOVERNANCE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

### Board of Directors

The Board is currently comprised of four (4) members. Under NI 52-110, an “independent” director is a director who has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, reasonably interfere with the exercise of a director’s independent judgment. Todd Anthony is not considered independent due to his position as the Chief Executive Officer of the Company. Alan Tam is not considered independent due to his position as the Chief Financial Officer of the Company. Ramon Mandoza Reyes is considered independent.

### Directorships

The directors of the Company are directors of other reporting issuers as set out below:

<b>Name of Director</b>	<b>Name of Reporting Issuer</b>	<b>Exchange</b>
Alan Tam	Scope Technologies Corp.	Canadian Securities Exchange
	Adonis Minerals Corp.	Canadian Securities Exchange
Darien Lattanzi	Scope Technologies Corp.	Canadian Securities Exchange

## **Orientation and Continuing Education**

The Board provides an overview of the Company's business activities, systems and business plan to all new directors. New director candidates have free access to any of the Company's records, employees or senior management in order to conduct their own due diligence and will be briefed on the strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing policies of the Company. The directors are encouraged to update their skills and knowledge by taking courses and attending professional seminars.

## **Ethical Business Conduct**

The Board believes good corporate governance is an integral component to the success of the Company and to meet responsibilities to Shareholders. Generally, the Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

The Board is also responsible for applying governance principles and practices, tracking development in corporate governance, and adapting "best practices" to suit the needs of the Company. Certain of the directors of the Company may also be directors and officers of other companies, and conflicts of interest may arise between their duties. Such conflicts must be disclosed in accordance with, and are subject to such other procedures and remedies as applicable under the BCA.

## **Nomination of Directors**

The Board has not formed a nominating committee or similar committee to assist the Board with the nomination of directors for the Company. The Board considers itself too small to warrant the creation of such a committee; and each of the directors has contacts he can draw upon to identify new members of the Board as needed from time to time.

The Board will continually assess its size, structure and composition, taking into consideration its current strengths, skills and experience, proposed retirements and the requirements and strategic direction of the Company. As required, directors will recommend suitable candidates for consideration as members of the Board.

## **Compensation**

The Board reviews the compensation of its directors and executive officers annually. Compensation of directors and the Company's executive officers will be determined by the directors and the executive officers taking into account the Company's business ventures and the Company's financial position. See "Executive Compensation".

## **Other Board Committees**

The Company has established an Audit Committee. There are no other committees of the Board.

## **Assessments**

The Board has not implemented a process for assessing its effectiveness. As a result of the Company's small size and the Company's stage of development, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis.

The Board does not formally assess the performance or contribution of individual Board members or committee members.
