SUPPLEMENTAL DISCLOSURE

The number of shares outstanding of our Common Stock as of August 15, 2025 is 20,728,633,484.

Scott Damell is an officer, director, and affiliate of issuer.

Scott Damell is selling 2 shares of Preferred H shares which convert to 200,000,000 shares of Common Stock. This is less than 1% of the issued and outstanding shares of the Company on the date of the sale. The Company trades on the OTCID Bulletin Board and is alternatively reporting. The shares are not being sold in the open market and are therefore not going through a broker. These shares were obtained in the acquisition of August 14, 2024. The Shareholder has purchased no shares of stock in the last 3 months and has sold no shares in the last three months.

Dated this the 15th day of August, 2025.

Scott Damell, Interim CFO
Shareholder
