ABCOURT MINES INC.

MANAGEMENT INFORMATION CIRCULAR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON DECEMBER 10, 2025

October 24, 2025

GENERAL PROXY INFORMATION

Solicitation of Proxies

This management information circular (the “**Circular**”) is provided in connection with the solicitation by the management of Abcourt Mines Inc. (the “**Corporation**” or “**Abcourt**”) of proxies to be used at the Annual Meeting of shareholders of the Corporation (the “**Meeting**”) to be held on December 10, 2025 and at any adjournment thereof for the purposes set forth in the accompanying Notice of Meeting. The cost of the solicitation will be borne by the Corporation.

The solicitation of proxies will be made by mail and by posting the documents relating to the Meeting on our website at www.abcourt.ca or under the Corporation's SEDAR+ profile at www.sedarplus.ca in accordance with notice and access procedures. Proxies may also be solicited by telephone, email or other personal contacts by directors and officers of the Corporation. They will not receive any additional remuneration for this activity.

Notice and Access Notification

The Corporation uses the Notice and Access system adopted by the Canadian securities regulators providing the option to post Meeting relating materials on the website of the Corporation. Under the notice and access system, the Corporation is not required to transmit to its shareholders printed Meeting related documents, being the Circular and annual financial statements and management’s discussion and analysis (the “**Meeting Materials**”).

Instead, the Corporation posts an electronic version of the Meeting Materials on its website at www.abcourt.ca and under the Corporation’s SEDAR+ profile at www.sedarplus.ca. This approach aligns with the Corporation's commitment to environmental management as it results in a reduction in costs and environmental impact that are normally associated with the production and distribution of paper copies of the Meeting Materials in large quantities. In addition, this approach allows shareholders to have rapid access to information about the Corporation.

The Corporation mails the Notice of Meeting and the proxy, or a voting instruction form, to its shareholders who had received, in the past, a paper copy of the Meeting Materials. Shareholders can consult the Meeting Materials on the Corporation’s website at www.abcourt.ca and under the Corporation’s SEDAR+ profile at www.sedarplus.ca.

Shareholders may also view the Meeting Materials online on TSX Trust Company’ IT portal at <https://docs.tsxtrust.com/2395> and request paper copies of the Meeting Materials by contacting TSX Trust Company at 1-866-600-5869 (no cost in Canada and in United States) or 416-342-1091 (other countries) or tsxtis@tmx.com, or with the Corporation at 819-768-2857 or by sending a written request by email to phamelin@abcourt.com. Request should be received by December 1, 2025 in order to allow sufficient time for the shareholders to receive paper copies of the Meeting Materials before the prescribed voting deadline.

The Corporation strongly recommends to the shareholders to exam the Meeting Materials before voting.

Appointment or Proxyholder and Revocation of Proxies

The persons named in the accompanying form of proxy are officers and directors of the Corporation. **However, each shareholder has the right to appoint a person (who need not be a shareholder) other than the persons specified in the form of proxy to attend and act on behalf of that shareholder at the Meeting.** Such right may be exercised by inserting the name of such person in the blank space provided in such form of proxy and depositing the completed proxy with the Corporation's transfer agent, TSX Trust Company, by mail at TSX Trust Company, 301-100 Adelaide Street West, Toronto, Ontario, M5H 4H1, by fax at 416-595-9593 or by mail at www.voteproxyonline.com, not later than 48 business hours prior to the Meeting, or with the Chairman of the Meeting on the day of, but prior to the commencement of the Meeting or any adjourned Meeting. The Chairman of the Meeting may waive this time limit for receipt of proxies by Computershare without notice.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his or her attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. To be valid, the revocation of a proxy must be deposited with TSX Trust Company, as indicated above, not less than 48 business hours prior to the Meeting, or with the Chairman of the Meeting prior to the commencement of the Meeting or any adjournment thereof.

Exercise of Powers Conferred by Proxies

The persons named in the enclosed form of proxy will exercise or not the voting rights attached to the common shares of the Corporation (the "**Common Shares**") in respect of which they are appointed, in accordance with the direction of the shareholders appointing them on any ballot that may be called for and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **Where such a shareholder fails to specify a choice, the persons named in the enclosed form of proxy will vote the Common Shares represented by such proxy FOR each of the matters referred to in this Circular.** With respect to amendments or variations to matters identified in the Notice of Meeting and other matters that may properly come before the Meeting, the designated persons will exercise the voting rights attached to the Common Shares in accordance with their best judgment. As of the date of this Circular, the management of the Corporation is aware of no such amendments, variations or other matters to come before the Meeting.

Voting Procedure

There are three ways for registered shareholders to vote their Common Shares. A shareholder is a registered shareholder if his or her name appears in the records maintained by the Corporation's registrar and transfer agent.

A registered shareholder may: (i) vote in person at the Meeting; (ii) complete and sign the form of proxy and appoint one of the named persons or another person the shareholder chooses to represent him and to vote his shares at the Meeting and mail or fax it; or (iii) vote electronically on the Internet on www.voteproxyonline.com.

If a registered shareholder wishes to attend the Meeting and wishes to vote her or his shares in person at the Meeting, it is not necessary for the registered shareholder to complete or return the form of proxy. Registered shareholders' votes will be taken and counted at the Meeting. Registered shareholders should register with TSX Trust Company, upon arrival at the Meeting.

If your shares are held in the name of an intermediary, please consult the instructions on the way to exercise your voting right in the following section entitled "**Advice to Beneficial Holders or Non-Registered Shareholders**".

Advice to Beneficial Holders or Non-Registered Shareholders

Only registered shareholders of a duly designated proxy are eligible to attend and vote at the Meeting.

The information set forth in this section should be reviewed carefully by the non-registered shareholders of the Corporation. Shareholders who do not hold their Common Shares in their own name ("**Beneficial Shareholders**") should note that only proxies deposited by shareholders who appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of Common Shares will be

recognized and acted upon at the Meeting. If the Common Shares are not registered in the shareholder's own name, they are held in the name of a "nominee", usually a bank, trust company, securities dealer or broker or other financial institution. Applicable securities laws and regulations require nominees of Beneficial Shareholders to seek their voting instructions in advance of the Meeting. Therefore, unless a Beneficial Shareholder has previously informed his or her nominee that he or she does not wish to receive material relating to shareholders' meetings, he or she will receive this Circular in a mailing from such nominee, together with a form of proxy or voting instruction form. Each nominee has its own signature and return instructions. It is important that the Beneficial Shareholder comply with these instructions if he or she wants the voting rights attached to her or his shares to be exercised. If the Beneficial Shareholder which has submitted a proxy wishes to change his or her voting instructions, the Beneficial Shareholder should contact his or her nominee to find out whether this is possible and what procedure to follow.

Neither the Corporation nor its registrar and transfer agent have a record of the names of the Beneficial Shareholders of the Corporation. If a Beneficial Shareholder attends the Meeting, neither the Corporation nor the registrar and transfer agent will have knowledge of the Beneficial Shareholder's shareholdings or his or her entitlement to vote, unless the nominee has appointed the Beneficial Shareholder as proxyholder. Therefore, if you are a Beneficial Shareholder and wish to vote in person at the Meeting, you must insert your name in the space provided on the form of proxy or voting instruction form sent to you by your nominee. By doing so, you are instructing the nominee to appoint you as proxyholder. It is important that the signature and return instructions provided by the nominee are complied with. It is not necessary to otherwise complete the form as you will be voting at the Meeting.

If you are a Beneficial Shareholder and TSX Trust Company has sent these proxy materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf. By choosing to send these proxy materials to you directly, the Corporation (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please complete and return the materials in accordance with the instructions provided by TSX Trust Company.

All references to shareholders in this Circular and the accompanying form of proxy and Notice of Meeting are to registered shareholders unless specifically stated otherwise.

Record Date and Voting Rights

As at October 21, 2025 (the "**record date**"), there were 1,014,084,819 Common Shares issued and outstanding, each Common Share entitling the holder thereof to one vote. However, should such an event arise for any reason before the Meeting, the persons named in the enclosed proxy form reserve the right to vote for another nominee at their sole discretion.** Each nominee elected as director will hold office until the next annual meeting of shareholders of the Corporation or until the election of his or her successor, unless he or she resigns or his or her office becomes vacant by removal, death or other cause pursuant to the provisions of the *Business Corporations Act* (Quebec)

Oversight and Description of Directors and NEOs Compensation

Executive Officers

The Board formed a compensation committee (the “**Compensation Committee**”) having, amongst other things, the responsibility to provide advice and recommendations to the Board on the compensation of the chief executive officer and the chief financial officer and of the directors of the Corporation. The Compensation Committee recommends the objectives of the short- and long-term incentive programs, if any, and the share purchase stock options in favour of the named executive officers.

The Compensation Committee is comprised of four members, namely Loic Bureau (Chairman of the Committee), René Branchaud, François Mestrallet and Nouredine Mokaddem. The Corporation considers that the public company board membership and management experience of the members of the Compensation Committee provides the members with appropriate experience and skills relevant to the responsibilities and ability to make decisions on the suitability of the Corporation's compensation policy and practices.

Market Comparators

The compensation policy primary objective is to offer total compensation capable of attracting and retaining high level executive officers and to motivate the executive officers in achieving and exceeding the goals of the Corporation and of its shareholders.

The Compensation Committee has not retained any third-party advisors to establish the compensation of the named executive officers. However, the Compensation Committee has prepared comparative market data and provided recommendations to the Board. The following mining companies have been selected as comparators considering criteria such as assets, annual revenue, comparable activities and listing on a Stock Exchange: Orbit Garant Drilling Inc., Falco Resources Ltd., Radisson Mining Resources, Midland Exploration Inc., Cartier Resources Inc. and Azimut Exploration Inc.

Components of the Compensation Policy

The compensation policy consists of the sum of a base salary, a long-term incentive compensation (stock options), benefits and perquisites and, in the case of the Chief Executive Officer and the Chief Financial Officer, a the possibility of a short term incentive (bonus).

Base Salary:

The Corporation's base salary policy is to pay base salaries for executive officers that are equivalent of the Market Comparators indicated above. The salaries of the executive officers are reviewed and recommended for approval to the Board yearly by the Compensation Committee considering the individual performance and the Market Comparators. When hired, the CEO was granted an annual base salary of \$300,000, which is indexed annually. The CFO in place until December 12, 2024 was paid an annual salary of \$160,000, indexed annually. The CFO in place since December 12, 2024 has an annual base salary of \$ 285,000, indexed annually.

Short Term Incentive (bonus):

Under the terms of his employment contract, the Chief Executive Officer and the Chief Financial Officer are eligible to receive a bonus equivalent to a maximum of 100% of the annual base salary, depending on the achievement of objectives set jointly with the Board. Following the recommendations of the Compensation

Committee, in August 2025, the Board awarded to each of the CEO and the CFO, a premium corresponding to 80 % of their annual base salary.

For the last financial year, the principal criteria considered for Chief Executive Officer were: the proposal of a strategic plan for the Corporation, the realization of a flow-through financing for the Flordin property, the restart of mining operations of the Sleeping Giant mine; the realization of an equity financing or other form of financing for the realization of the objectives of the Corporation and certain non-financial measures, such as the rate of compensable accidents, the health and safety measures and the number and treatment of environmental violations.

For the last financial year, the following criteria were considered for the Chief Financial Officer: the delivery to the audit committee of the financial statements and management reports within the prescribed deadlines, the implementation of efficient and adequate systems for mining operations and training and maintaining a competent accounting team.

Long Term Incentive Compensation:

The establishment of a balance between short- and long-term compensation is essential for the Corporation's performance. For this reason, the Corporation has adopted a Stock Option Plan in 1996 (as subsequently amended) allowing the grant of options to officers, directors, employees and consultants of the Corporation. Reference is made to the description of such plan under the heading "**Securities Authorized for Issuance under Equity Compensation Plans**" below.

In general, the Compensation Committee determines the number of options granted annually according to the level of responsibility and authority of each of the executive officers and considering the number of stock options granted over the years. During the financial year ended June 30, 2025, the Board granted 1,500,000 options to purchase Common Shares to the CFO. See "**Stock Options and other Compensation Securities**".

The purpose of the Stock Option Plan is to serve as an incentive for the directors, officers and consultants who will be motivated by the Corporation's success as well as to promote ownership of common shares by these people. There is no performance indicator relating to profitability or risk attached to the Stock Option Plan. The long-term incentive compensation is not based on known or measured corporate or individual performance objectives but is determined in a view to improve the executive officers' salaries and to encourage the work of these persons towards an increase of shareholders value.

The Compensation Committee is responsible for the revision and recommendation to the Board of Directors of any required modifications to the Stock Option Plan.

Benefits and Perquisites:

The Corporation offers its officers the same benefits as all other employees, including the opportunity to contribute to a retirement plan. The Corporation does not offer benefit programs, such as life, medical, long-term disability or other insurance and the directors and officers do not benefit from a retirement plan. Officers and directors of the Corporation are covered by directors' and officers' liability insurance.

Directors

The Compensation Committee reviews and recommends to the Board the compensation of the Board members so as to ensure they receive competitive compensation that realistically reflects the risks and responsibilities they assume.

For the year ended June 30, 2025, the Compensation Committee has not retained any third-party advisors to establish the compensation of the directors. The Compensation Committee recommends the directors' compensation in light of same market comparators used to analyse the compensation of the named executive officers. Upon recommendation of the Compensation Committee, the Board approved the following annual compensation to the directors, which has been indexed at a rate of 3% since January 1, 2025. Each director, except the Chief Executive Officer, receives payment of an annual retainer of \$15,000. Each member of a committee of the Board receives an additional annual retainer of \$1,500 or \$3,000 in the case of the audit committee. The Chairman of the Audit Committee receives payment of an annual retainer of \$5,000, this amount being \$2,500 in the case of the other committees. The Chairman of the Board, which is not otherwise officer of the Corporation, receives payment of an annual retainer of \$7,500.

The Board determines, upon recommendation of the Compensation Committee, the number of options granted annually to the directors without applying any known or measurable objectives. Criteria such as the Corporation's global performance are looked at in determining the number of options to be granted to the directors.

The Committee may make the changes it deems necessary to the financial statements. The Committee approves the interim financial statements and recommends the approval of the annual financial statements by the Board.
- 2.1.2 The Committee examines the notes to the financial statements and all management reports accompanying the financial statements distributed to the shareholders and/or to the regulatory authorities, as well as press releases issued along with the financial statements, notes and related comments. - 3.2 Any eventual violation of a contract that is brought to its attention and which could have an impact on the financial statements.

4. Appointment of Auditors - Other Resources

In performing its duties, the Committee may hire all necessary resources.

Each year, after having verified the qualifications of the incumbent or potential auditors, the Committee must recommend to the Board the appointment of external auditors. At its first meeting of the year in March, the Committee must consider whether it is appropriate, for the next fiscal year, to proceed with a call for tenders from various auditing firms or to renew the mandate of the auditors in place.

If Management proposes a change of external auditors, the Committee must be informed of the reasons for such a change and, in all cases, approve the information to be made public in accordance with the regulations.

All members of the Committee shall be financially literate. A member of the Committee who is not financially literate will work towards becoming financially literate in a reasonable delay. At least one (1) member of the Committee shall have accounting or related financial management expertise.

6. Chairman of the Committee

The Chairman of the Committee is selected by the members of the Committee unless he is appointed by the Board; in the case of absence, unavailability or if he vacates his post, the chairmanship will be assumed by a member chosen by the Committee.
