SUPPLEMENTAL INFORMATION AND DISCLOSURE STATEMENT

ECGI Holdings, Inc.

A Nevada Corporation

Trading Symbol: ECGI

Amendment to Articles of Incorporation

ECGI Holdings, Inc. (OTC: ECGI) has filed an amendment to its Articles of Incorporation with the State of Nevada to align its capital structure with the company's long-term corporate planning and provide flexibility for future strategic initiatives.

The amendment reflects ECGI's ongoing commitment to responsible corporate governance and long-term alignment of its capital structure. It increases the company's authorized common shares from 600 million to 5 billion and was a requirement under a binding Letter of Intent (LOI) related to a planned acquisition to be announced later this morning (November 3, 2025).

This corporate action does not by itself dilute the holdings of existing shareholders, as no additional shares have been issued. Any future issuances, if and when made, will be conducted judiciously and tied to strategic activities that advance ECGI's long-term growth objectives, including acquisitions, balance-sheet optimization, and institutional financing initiatives.
