**4) Issuer’s Business, Products and Services**

The purpose of this section is to provide a clear description of the issuer’s current operations. In answering this item, please include the following:

A. Summarize the issuer’s business operations (If the issuer does not have current operations, state “no operations”)

HyOrc Corporation (OTC: HYOR) is a Wyoming-based clean energy company developing flexible, hydrogen-capable engines and waste-to-fuel systems for transport and power applications.

HyOrc is executing on a JV in Portugal to produce an initial 8 tonnes per day of green methanol from waste, with the Porto production facility planned to be in operation by the end of 2026, and an expansion phase producing 80 tonnes of green methanol per day planned to be on stream in early 2028. HyOrc plans to build a series of modular sites across Europe. For the first project the company intends to secure a 10 year off take agreement for the sale of the green methanol, to facilitate financing for the project.

Using its combustion technology, HyOrc is also progressing its hydrogen locomotive retrofit program, with active discussions underway with freight operators in both Europe and Asia who are willing to co-fund the locomotive retrofit works, as part of their decarbonisation efforts. To support future growth, the HyOrc development facilities have achieved full ISO certification across quality (ISO 9001), environmental (ISO 14001), and workplace safety (ISO 45001) standards. The company also continues to advance its patent portfolio, including a new design for a high-efficiency combustor that supports its methanol, hydrogen, and syngas systems.

**B. List any subsidiaries, parent company, or affiliated companies**

SRE Power, Inc.

**C. Describe the issuers’ principal products or services.**

**Patents and Trademarks**

The Company owns the following patents which have been granted by the Indian government due to work done at the Indian R&D centre. HyOrc is expanding patent coverage with the application process primarily in the USA, EU, Japan through existing bilateral and multilateral cooperation agreements.

Patent Title	Patent Application No	Patent Status	Patent No	Product Status

**5) Issuer’s Facilities**

The Company currently utilizes R&D and testing facilities operated by Viagunth Enertek in India for the development and validation of HyOrc engine components and other renewable energy technologies. In addition, HyOrc works with a network of specialized subcontractors and partners across Italy, Turkey, and India for the fabrication and assembly of engine modules, combustion systems, and supporting infrastructure. HyOrc has also rented office space in Houston, Texas, located at 3050 Post Oak Blvd, Suite 510-Q60, Houston, TX 77056-3020.

Looking ahead, the Company is planning to establish a dedicated 80,000 square feet engine production facility in Tamil Nadu, India, within the Nanguneri Special Economic Zone. This facility is expected to support in-house commercial-scale manufacturing of HyOrc engines starting in 2028, serving both domestic and international markets.

## 6) All Officers, Directors, and Control Persons of the Company

Using the table below, please provide information, as of the period end date of this report, regarding all officers and directors of the company, or any person that performs a similar function, regardless of the number of shares they own.

In addition, list all individuals or entities controlling 5% or more of any class of the issuer's securities. If any insiders listed are corporate shareholders or entities, provide the name and address of the person(s) beneficially owning or controlling such corporate shareholders, or the name and contact information (City, State) of an individual representing the corporation or entity. Include Company Insiders who own any outstanding units or shares of any class of any equity security of the issuer.

The goal of this section is to provide investors with a clear understanding of the identity of all the persons or entities that are involved in managing, controlling or advising the operations, business development and disclosure of the issuer, as well as the identity of any significant or beneficial owners.

Name of all Officers, Directors and Control Persons	Affiliation with Company (e.g. Officer Title / Director / Owner of More Than 5%)	Residential Address (City / State Only)	Number of Shares Owned	Share Type / Class	Ownership Percentage of Class Outstanding	Note

Richard Oblath	Director (non-executive)		5,000,000	Common	Below 1%	
Alfonso Sotres	Shareholder		183,661,663	Common	24.92%	

Applicable percentage of ownership is based on 737,089,956 shares outstanding as of September 30, 2025.

We have determined beneficial ownership in accordance with the rules of the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. The person is also deemed to be a beneficial owner of any security of which that person has a right to acquire beneficial ownership within 60 days. Unless otherwise indicated, the person identified in this table has sole voting and investment power with respect to all shares shown as beneficially owned by him, subject to applicable community property laws.

**As of the date of this filing, the Company's current officers and directors are as follows.**

The following table includes the names, positions held, and ages of our current executive officers and directors as of September 30, 2025:

## 7) Legal/Disciplinary History

A. Identify and provide a brief explanation as to whether any of the persons or entities listed above in Section 6 have, in the past 10 years:

1. Been the subject of an indictment or conviction in a criminal proceeding or plea agreement or named as a defendant in a pending criminal proceeding (excluding minor traffic violations);

Response: None

2. Been the subject of the entry of an order, judgment, or decree, not subsequently reversed, suspended or vacated, by a court of competent jurisdiction that permanently or temporarily enjoined, barred, suspended or otherwise limited such person's involvement in any type of business, securities, commodities, financial- or investment-related, insurance or banking activities;

Response: None

3. Been the subject of a finding, disciplinary order or judgment by a court of competent jurisdiction (in a civil action), the Securities and Exchange Commission, the Commodity Futures Trading Commission, a state securities regulator of a violation of federal or state securities or commodities law, or a foreign regulatory body or court, which finding or judgment has not been reversed, suspended, or vacated;

Response: None

4. Named as a defendant or a respondent in a regulatory complaint or proceeding that could result in a "yes" answer to part 3 above; or

Response: None

5. Been the subject of an order by a self-regulatory organization that permanently or temporarily barred, suspended, or otherwise limited such person's involvement in any type of business or securities activities.

Response: None

6. Been the subject of a U.S Postal Service false representation order, or a temporary restraining order, or preliminary injunction with respect to conduct alleged to have violated the false representation statute that applies to U.S mail.

Response: None

B. Describe briefly any material pending legal proceedings, other than ordinary routine litigation incidental to the business, to which the issuer or any of its subsidiaries is a party to or of which any of their property is the subject. Include the name of the court or agency in which the proceedings are pending, the date instituted, the principal parties thereto, a description of the factual basis alleged to underlie the

proceeding and the relief sought. Include similar information as to any such proceedings known to be contemplated by governmental authorities.

As of the date of this report, HyOrc is not currently a party to any material legal proceedings. However, its subsidiary, SRE Power, Inc., is in the process of planning legal action in the United States and the Philippines against various parties, including foreign-based counterparties, in connection with a previously commissioned geothermal power plant project.

SRE Power alleges that it has incurred significant financial and operational harm as a result of multiple contractual breaches and failure to cooperate on required insurance processes and grid integration efforts. These issues have led to the non-operation of a key project asset since the fourth quarter of 2024. While no formal proceedings have been initiated as of this date, the company is actively working with legal counsel and additional disclosures will be made as appropriate.
