

Supplemental Disclosure

Atlantic Power & Infrastructure Corp. (OTC: AWSL)- Delay in Filing Q3 2025 Quarterly Report

Date: November 13, 2025

Atlantic Power & Infrastructure Corp. (OTC: AWSL) (“the Company”) previously filed a Notification of Late Filing for its Q3 2025 Quarterly Report. This Supplemental Disclosure provides additional context regarding the delay and the Company’s ongoing efforts to ensure accurate and compliant reporting.

The Company is conducting a comprehensive forensic accounting review of legacy financial records, including transactions dating back to 2009. This review is necessary to reconcile historical reporting, validate financial integrity, and ensure compliance with regulatory standards.

The scope of the review spans multiple reporting periods and legacy transactions that may impact current disclosures. As such, the Company does not anticipate filing the Q3 2025 report within the standard extension period.

The Company has engaged qualified professionals to lead the review and is implementing enhanced governance protocols to support long-term compliance and transparency.

The Company remains committed to providing timely updates and will file the Quarterly Report and any related disclosures as soon as the review is complete.

If you have any questions regarding this disclosure or the status of the Company’s filings, please contact:
