List any company name change, stock split, dividend, recapitalization, merger, acquisition, spin-off, or reorganization either currently anticipated or that occurred within the past 12 months:

On July 7, 2025, under the leadership of Steffan Dalsgaard, Golden Triangle Ventures restructured over \$7 million in legacy debt by transferring five outstanding debt instruments to a new private investor aligned with the Company's long-term vision. This included securing a fixed-price repurchase right for \$4 million, representing a significant discount, and increasing authorized share capital as part of the closing conditions to strengthen the capital table and accelerate growth.

On August 7, 2025, Golden Triangle Ventures announced a pivotal Memorandum of Understanding (MOU) marking a new era with new leadership under Javier Leal, who will merge his high-growth business portfolio into GTVH, integrating consumer brands, national contracts, and a distribution company generating over \$20 million annually to drive shareholder value and operational efficiency. Steffan Dalsgaard, the outgoing CEO, will step down shifting focus toward Lavish Entertainment and Destino Ranch Resort, which could generate future dividends for GTVH shareholders, remaining in an advisory role for 60 days.

On August 13, 2025, Golden Triangle Ventures acquired 100% ownership of the Go Fast Sports brand, including all assets, trademarks, inventory, and related rights, as contributed Capital from incoming CEO Javier Leal. Mr. Leal purchased Go Fast Sports from Labor Smart, Inc. (LTNC) by contributing 720 million of his personal shares of LTNC for the purchase. This allowed the transaction to be completed in a non-dilutive manner. The acquisition anchors the Beverages & Health division, positioning the Company to scale in the growing functional beverage market.

On August 15, 2025, Golden Triangle Ventures entered into a Master Spin-Out and Subsidiary Dissolution Agreement with LE Logistics, LLC, spinning out LE Logistics into a privately held, independent entity. The agreement also facilitated the dissolution of inactive subsidiaries (HyFrontier Technologies, Inc., Global Health Services, Inc., Sonder Fulfillment, Inc., and Syndicate Bass Records, Inc.), severing all ownership, management, and liability ties with these entities, effective as of the agreement date which is anticipated to be completed by the end of the fourth quarter. Additionally, Lavish Entertainment, Inc. was spun out into a privately held corporation, which is working to secure its own public entity

to become listed on the stock exchange and plans to complete its anticipated dividend to GTVH shareholders if and when this is completed.

On August 26, 2025, Steffan Dalsgaard entered into an Agreement for Transfer of Controlling Interest with Javier Leal, transferring control of Golden Triangle Ventures to Leal via the sale of Preferred Series F and G shares, while Dalsgaard retained rights to declare a dividend for the Lavish Entertainment spin-out if and when Lavish Entertainment successfully becomes a publicly traded company.

On September 15, 2025, Golden Triangle Ventures launched GoldenEra Development as a wholly owned subsidiary to anchor its Construction Division. The subsidiary enters the market with secured contracts for immediate revenue generation, focusing on residential, commercial, and industrial projects with an emphasis on quality execution, disciplined project management, and long-term client relationships to drive consistent growth.

On September 22, 2025, Golden Triangle Ventures signed a Letter of Intent to acquire a leading Texas-based electrical contractor generating over \$6 million in annual revenue with consistent profit margins, no debt, and a portfolio of recurring clients including Starbucks, Gold's Gym, Planet Fitness, and the State of Texas Department of Transportation. Upon closing, the business will integrate into GoldenEra Development, enhancing vertical integration and enabling self-performance of electrical scopes in complex projects.

On September 30, 2025, GoldenEra Development secured a major residential development project in Austin, Texas, valued at over \$750,000. This contract marks the subsidiary's first major milestone, validating its operational capabilities and signaling the start of a strong pipeline of opportunities to contribute recurring revenue to Golden Triangle Ventures as it scales the construction division.

## B. Convertible Debt

The following is a complete list of the Company's Convertible Debt which includes all promissory notes, convertible notes, convertible debentures, or any other debt instruments convertible into a class of the issuer's equity securities. The table includes all issued or outstanding convertible debt at any time during the last complete fiscal year and any interim period between the last fiscal year end and the date of this Certification.

Check this box to confirm the Company had no Convertible Debt issued or outstanding at any point during this period.

Date of Note Issuance	Principal Amount at Issuance (\$)	Outstanding Balance (\$) (include accrued interest)	Maturity Date	Conversion Terms (e.g., pricing mechanism for determining conversion of instrument to shares)	# Shares Converted to Date	# of Potential Shares to be Issued Upon Conversion <sup>5</sup>	Name of Noteholder (entities must have individual with voting / investment control disclosed). Any additional material details, including footnotes to the table are below:

On June 30, 2025, Golden Triangle Ventures, Inc. ("GTVH" or the "Company") entered into a series of structured transactions that resulted in the assignment of all outstanding debt obligations previously held by T&K Zarro, LLC ("Zarro") to a third-party investor, Prima Verde, LLC ("Prima"). Pursuant to the Convertible Note Purchase Agreement dated June 30, 2025, Prima acquired from Zarro a portfolio of promissory notes, debentures, legal payables, and related debt instruments issued by the Company and its wholly owned subsidiary, LE Logistics, LLC, with a total face value of \$7,308,175. Prima agreed to pay a total purchase price of \$3,049,525 to Zarro through weekly installments of \$10,500 beginning July 5, 2025, until paid in full. As part of this restructuring, GTVH and Prima executed a Debt Repurchase Option Agreement dated June 29, 2025, granting the Company an irrevocable option to repurchase all assigned debt instruments from Prima for a fixed purchase price of \$4,000,000. Upon exercise of this option, all outstanding obligations under the debt instruments would be deemed fully satisfied and extinguished, and the Company would be permitted to derecognize the associated liabilities from its balance sheet.

The consolidated debt was formalized under a new Convertible Promissory Note and Corporate Guaranty dated June 29, 2025, issued by both GTVH and LE Logistics, LLC in the principal amount of \$7,308,175. The note accrues interest at 12% per annum and includes a variable conversion feature, optional acceleration rights upon default, and customary representations and covenants. Importantly, while the debt instruments were assigned to Prima, T&K Zarro, LLC retains the enforcement rights associated with default events under the prior agreements. Specifically, pursuant to the Appointment of Receiver Agreement dated June 29, 2025, Zarro maintains the contractual right to appoint a receiver over the assets, operations, and affairs of both GTVH and LE Logistics, LLC in the event of continuing default, as defined under the original Convertible Debt Purchase Agreement. This right was not transferred to Prima in the assignment and remains in full force and effect. These agreements collectively represent a comprehensive restructuring of the Company's legacy debt, consolidating obligations under a single investor while providing a clear pathway for repayment or strategic repurchase, and preserving secured enforcement rights held by the original lender. On July 22, 2025, Prima Verde, LLC agreed to remove the conversion discount on this convertible promissory note.

<sup>5</sup> The total number of shares that can be issued upon full conversion of the Outstanding Balance. The number should not factor any "blockers" or limitations on the percentage of outstanding shares that can be owned by the Noteholder at a particular time. For purposes of this calculation, please use the current market pricing (e.g. most recent closing price, bid, etc.) of the security if conversion is based on a variable market rate.

Golden Triangle Ventures, Inc. is a diversified Texas-based holding company headquartered in Austin, Texas, strategically focused on advancing growth across its Construction, Health & Beverage, and Manufacturing & Distribution divisions. Following a comprehensive \$10 million corporate restructuring completed on October 22, 2025, GTVH successfully transformed from a legacy consulting and debt-heavy entity into a lean, performance-driven enterprise.

The restructuring reduced the company's authorized shares to 7 billion and permanently retired 1.4 billion shares, strengthening its capital structure and positioning GTVH for sustainable expansion. Today, the company manages a portfolio of high-growth subsidiaries, including Deep South Electrical Contractors (generating \$6–7 million in annual revenue) and Go Fast Sports, while executing strategic spinouts of non-core assets—such as Lavish Entertainment—to unlock additional shareholder value.

Under the leadership of CEO Javier Leal since August 2025, Golden Triangle Ventures continues to serve as the top-tier holding entity, providing strategic management, operational oversight, and capital allocation to its subsidiaries, with a clear focus on delivering long-term profitability and shareholder growth.

The acquisition, structured with performance milestones, eliminates debt and enhances GTVH's construction capabilities through vertical integration. Led by President Leo Garza, with 25+ years of experience, the subsidiary supports GTVH's strategic shift toward profitable, recurring revenue streams, bolstering the Construction Division's growth trajectory.

**Go Fast Sports (GoFast Beverages)** - Go Fast Sports, operating as GoFast Beverages, is a wholly owned subsidiary acquired by Golden Triangle Ventures, Inc. on August 13, 2025, anchoring the Health & Beverage Division. This acquisition from Labor Smart, Inc. (LTNC) included all brand assets, trademarks, and inventory in a non-dilutive deal, with incoming CEO Javier Leal contributing 720 million of his own LTNC shares for the purchase. Focused on functional energy drinks, the subsidiary targets the growing wellness market, generating initial distribution revenue Management projects at \$1.2 million quarterly by Q3 2026. #### NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Organization and Operations:** Texas Oil & Minerals, Inc., A Texas Corporation, (now GOLDEN TRIANGLE VENTURES, INC.) is the surviving corporation of a merger with Bionic Products Inc., a Nevada Corporation on March 25, 2011. Bionic Products had not conducted any formal operations for several years prior to the March 25, 2011, merger. Golden Triangle Ventures, Inc. is headquartered in Austin, Texas and is focusing on growth in construction, beverages, and the health and wellness arenas.

**Cash and Cash Equivalents:** The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

**Income Taxes:** The Company is taxed as a C Corporation. Deferred tax assets and liabilities are recorded on temporary differences between the book and tax basis of assets and liabilities. The Company is also subject to the Texas margin tax. Management is not aware of any uncertain tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination. The Company has filed a federal tax return for at least the last 2 years and based on its limited to no operations during this period, the Company reported no federal tax liability.

Substantially all the Company's tax net operating losses are subject to the limitation imposed by IRS Section 382 in connection with the change in control from March 25, 2011, and against on August 22, 2019. Management has reviewed the tax net operating losses it has available, and due to its history of operating losses, has determined the application of a full valuation allowance is appropriate on September 30, 2025. Accordingly, the Company's deferred tax asset has been reduced to \$0.

**Estimates:** The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Subsequent Events:** Subsequent events have been evaluated by management through the date of the report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

**New Accounting Pronouncements:** Management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact to its financial position or results of operations in future periods.

**Earnings (Loss) Per Share of Common Stock:** Basic and diluted earnings per common share are calculated by dividing earnings by the weighted average number of common shares outstanding during the period. Diluted (loss) per share includes the effects of potentially dilutive securities, including stock options, conversion of convertible debt and conversion of preferred shares.

#### NOTE B – GOING CONCERN

As shown in the accompanying financial statements, the Company is a capitalized entity operating in compliance with all applicable standards.

#### NOTE C – CONVERTIBLE NOTES PAYABLE

**NOTE 1** - On June 30, 2025, Golden Triangle Ventures, Inc. ("GTVH" or the "Company") entered into a series of structured transactions that resulted in the assignment of all outstanding debt obligations previously held by T&K Zarro, LLC ("Zarro") to a third-party investor, Prima Verde, LLC ("Prima"). Pursuant to the Convertible Note Purchase Agreement dated September 30, 2025, Prima acquired from Zarro a portfolio of promissory notes, debentures, legal payables, and related debt instruments issued by the Company and its wholly owned subsidiary, LE Logistics, LLC, with a total face value of \$7,308,175. Prima agreed to pay a total purchase price of \$3,049,525 to Zarro through weekly installments of \$10,500 beginning July 5, 2025, until paid in full. As part of this restructuring, GTVH and Prima executed a Debt Repurchase Option Agreement dated June 29, 2025, granting the Company an irrevocable option to repurchase all assigned debt instruments from Prima for a fixed purchase price of \$4,000,000. Upon exercise of this option, all outstanding obligations under the debt instruments would be deemed fully satisfied and extinguished, and the Company would be permitted to derecognize the associated liabilities from its balance sheet.

The consolidated debt was formalized under a new Convertible Promissory Note and Corporate Guaranty dated June 29, 2025, issued by both GTVH and LE Logistics, LLC in the principal amount of \$7,308,175. The note accrues interest at 12% per annum and includes a variable conversion feature, optional acceleration rights upon default, and customary

representations and covenants. Importantly, while the debt instruments were assigned to Prima, T&K Zarro, LLC retains the enforcement rights associated with default events under the prior agreements. Specifically, pursuant to the Appointment of Receiver Agreement dated June 29, 2025, Zarro maintains the contractual right to appoint a receiver over the assets, operations, and affairs of both GTVH and LE Logistics, LLC in the event of continuing default, as defined under the original Convertible Debt Purchase Agreement. This right was not transferred to Prima in the assignment and remains in full force and effect. These agreements collectively represent a comprehensive restructuring of the Company's legacy debt, consolidating obligations under a single investor while providing a clear pathway for repayment or strategic repurchase, and preserving secured enforcement rights held by the original lender. On July 22, 2025, Prima Verde, LLC agreed to remove the conversion discount on this convertible promissory note.

#### **NOTE D – CHANGE IN CONTROL**

On August 7, 2025, the Company had a change in control. Steffan Dalsgaard signed over the controlling interest of the shares to Javier Leal and Javier Leal became the CEO. Mr. Dalsgaard agreed to stay on in an advisory position during the transition.

#### **NOTE E – MATERIAL SUBSEQUENT EVENTS**

With the acquisition of Deep South, the Company now has contracts that are awarded worth in excess of \$8,868,024 and management looks forward to continue to bid on contracts and grow the Company with this powerful new acquisition.

On October 16, 2025, CEO Javier Leal continued his implementation of strengthening the shareholder value of the Company by filing the amendment at the State of Texas Secretary of State to decrease the authorized shares of the Company from the 10,000,000,000 it previously was to its current 7,000,000,000.
