1) Name and address(es) of the issuer and its predecessors (if any):

In answering this item, provide the current name of the issuer and names used by predecessor entities, along with the dates of the name changes.

Below is a corporate history detailing the names, name changes, name change dates of our predecessor entities from inception, through the date of this filing.

The issuer's current name is Pineapple Inc. ("Pineapple", the "Company," "we," "us" or "our"). Our address is 12301 Wilshire Blvd., Suite 302, Los Angeles, CA 90025.

The Company was incorporated under the laws of the State of Nevada on August 3, 1983, as "Global Resources, Ltd". On April 12, 1999, the Company changed its name from "Global Resources, Ltd." to "Helixsphere Technologies, Inc." and on October 2, 2013, to "New China Global Inc." On October 30, 2013, the Company filed Articles of Continuance with the Secretary of State in the State of Wyoming pursuant to which the Company re-domiciled from the State of Nevada to the State of Wyoming. On July 15, 2014, the Company filed an amendment to its Articles of Incorporation to change its name from "New China Global Inc." to "Globestar Industries".

On August 24, 2015, the Company entered into a Share Exchange Agreement (the "Agreement") with Better Business Consultants, Inc. ("BBC"), a corporation incorporated under the laws of California on January 29, 2015, and Shane Oei, a majority shareholder of the Company at the time. Pursuant to the terms of the Agreement, BBC shareholders exchanged all of the issued and outstanding capital of BBC for an aggregate of 50,000,000 newly and duly issued, fully paid and non-assessable shares of common stock of the Company. Upon closing, BBC became a wholly owned subsidiary of the Company. In addition, Mr. Oei and Gary Stockport, another former shareholder of the Company at the time, cancelled 100,000,000 and 500,000 shares of the Company's common stock, respectively, in connection with the Agreement. As the owners and management of BBC obtained voting and operating control of the Company after the share exchange and Globestar Industries was non-operating, the transaction was accounted for as a recapitalization of BBC, accompanied by the exchange of previously issued common stock for outstanding common stock of Globestar Industries, which was recorded at a nominal value. One of the owners, Jaime Ortega, also entered into a Lockup Agreement under which he could not sell his ownership in the Company through September 1, 2017.

On September 3, 2015, the Company changed its name from "Globestar Industries" to "Pineapple Express, Inc." The Company's name has no relation to the 2008 motion picture produced by Columbia Pictures.

In September 2015, the Company had entered into agreements to issue 500,000 shares of Series A Convertible Preferred Stock to Sky Island, Inc. ("Sky Island") in exchange for a patent and 100,000 shares of Series A Convertible Preferred Stock to Christopher Plummer as compensation for taking on the role of Chief Operating Officer. However, both of these issuances were rescinded effective December 31, 2015.

On February 12, 2016, the Company entered into an Agreement of Merger to acquire all of the assets and assume several liabilities of THC Industries, Inc., a California corporation ("THC Parent"), through a two-step merger (the "THC Merger") by and among the Company, THC Parent, the Company's wholly owned subsidiary THC Industries, LLC, a California limited liability company ("THC"), and the Company's former wholly owned subsidiary THCMergerCo., Inc., a California corporation. In June 2016, the Company began to anticipate significant difficulties in monetizing the value of the acquired intangible assets and recorded an impairment of those assets.

On August 5, 2016, the Company entered into a Forbearance Agreement with THC Parent because of late payments. This sparked a temporary foreclosure of assets. On March 23, 2017, the Company entered into a Standstill and Waiver Agreement with THC Parent because of additional late payments. On June 22, 2017, the Company successfully completed the conditions of the Standstill and Waiver Agreement. The Company made its payments and completed its conditions in full for the Forbearance Agreement. The Company gained back control of the assets relative to the purchase transaction.

On March 14, 2017, the Company entered into a Share Purchase Agreement to sell BBC and its three wholly owned subsidiaries, Pineapple Express One LLC, a California limited liability company, Pineapple Express Two LLC, a California limited liability company,

and Pineapple Property Investments, LLC, a Washington limited liability company, to a related party, Jaime Ortega. The sale of BBC and its subsidiaries to Mr. Ortega was in exchange for Mr. Ortega forgiving a debt of \$10,000 owed to Sky Island, a corporation wholly owned by Mr. Ortega, and in order for Mr. Ortega to fund and prosecute litigation claims (as discussed below) and settle debts for the subsidiaries resulting from unconsummated parcel purchases which the Company believes were purposely circumvented by third parties involved in those transactions. The terms of the Share Purchase Agreement are discussed in greater detail in the “legal proceedings” section of this Quarterly Report. On January 27, 2018, the Company completed the sale of BBC, Pineapple Express One LLC, Pineapple Express Two LLC and Pineapple Property Investments, LLC to Mr. Ortega.

With respect to such litigation claims related to BBC, on April 7, 2017, Orr Builders, Prest-Vuksic Architects, Inc. and MSA Consulting, Inc. filed a claim against the Company, including subsidiaries Pineapple Express One LLC, BBC, Clonetics Laboratories Cooperative, Inc.; United Pentecostal Church; and Healing Nature, LLC; within the Superior Court of the State of California for the County of Riverside, Case No. PSC 1700746 (hereinafter referred to as the “Lead Case”), and a related and consolidated Case No. PSC1702268 (in which the Company was not a named defendant), alleging, among other things: (i) breaches of contracts related to the building of a warehouse in Desert Hot Springs, CA in the amount of \$1,250,000, (ii) foreclosure of mechanics’ lien, (iii) negligent misrepresentation, and (iii) unjust enrichment (against United Pentecostal Church only). In 2019, the land (which was leased by the Company and sold to a third party) and warehouse (which was being built for the Company, yet completed by the third party) at 65241 San Jacinto Lane in Desert Hot Springs, CA, were ordered sold by way of judgment and the plaintiffs were entitled to recovery.

On March 16, 2017, the Company formed Pineapple Express Consulting, Inc. (“PEC”) as a wholly owned subsidiary. On August 3, 2017, a letter of intent (“LOI”) was entered into between PEC and Sky Island, whereby all the assets of Pineapple Park, LLC, a California limited liability company controlled by Sky Island holding lease deposits, were to be transferred through a related party transfer to PEC in exchange for \$100,000. On December 31, 2018, Pineapple Park, LLC pulled out of this project and signed a mutual release agreement for all lessees and Pineapple Park, LLC to terminate each party’s obligations and responsibilities under the leases and the parties’ relationship. The Company had planned on using revenue from operations, including license proceeds from contracts already signed with licensees as well as rental payments due from tenants. The Company was also in the process of developing a “franchise style” model whereas it would license its trademark, brand name, and retail design concept in exchange for a 5% perpetuity royalty. These revenue streams were to provide the Company with long-term and short-term growth. However, after the investment in Pineapple Ventures, Inc. (“PVI”), the Company will now be receiving revenues from its 45.17% ownership.

On March 19, 2019, the Company entered into a Share Exchange Agreement (the “PVI Agreement”) with PVI and the stockholders of PVI (the “PVI Stockholders”). Upon execution of the PVI Agreement (the “Closing”), the Company acquired 20,000 shares of PVI’s outstanding capital stock (“PVI Shares”), equaling 20% of the outstanding shares of PVI. In consideration for the PVI Shares, the Company agreed to issue 1,000,000 shares of its Series A Convertible Preferred Stock, \$0.0000001 par value per share (“Series A Convertible Preferred Stock”), to the PVI Stockholders. Pursuant to the terms of the PVI Agreement and Amendment No. 1 dated June 26, 2019, upon the six-month anniversary of the PVI Agreement (the “Second Closing”), and subject to the conditions to closing set forth in the PVI Agreement, the Company was to acquire an additional 30,000 PVI Shares, equaling 30% of the outstanding shares of PVI, for a total of 50% of the outstanding shares of PVI, in consideration for an additional 1,000,000 shares of Series A Convertible Preferred Stock to be issued to the PVI Stockholders at the time of the Second Closing. The Series A Convertible Preferred Stock may, from time to time, be converted by the holder into shares of the Company’s common stock in an amount equal to 10 shares of common stock for each one share of Series A Convertible Preferred Stock. On July 5, 2019, the Company, PVI and the PVI Stockholders, and their respective boards of directors waived the remaining conditions to closing as set forth in the PVI Agreement and ratified and approved the Second Closing. As a result of the PVI investment, the Company now has a portfolio asset (PVI) with which it has entered the cannabis cultivation, production, and distribution sector throughout California. The PVI Stockholders elected to immediately convert their shares of Series A Preferred Stock into shares of common stock.

On January 17, 2020, the Company entered into an agreement with Jaime Ortega whereby in exchange for Mr. Ortega cancelling \$1,062,000 of existing loans extended to the Company by Jaime Ortega, Neu-Ventures, Inc., and Sky Island, the Company sold to Mr. Ortega 10,000 shares of capital stock of PVI. Subsequently, on February 11, 2021, the parties entered into amended agreement pursuant to which the original number of shares sold to Mr. Ortega were reduced from 10,000 shares of capital stock of PVI to 4,827 shares of capital stock of PVI. Accordingly, the Company currently owns 45,173 shares of capital stock of PVI. This amendment was entered into to properly reflect the value of the Company’s stock at the time of the initial agreement.

Pursuant to an Agreement and Plan of Merger (“Merger Agreement”), dated as of April 6, 2020, by and between, Pineapple Express, Inc., a Wyoming corporation (“Pineapple Express”), and Pineapple, Inc., a Nevada corporation (“Pineapple”) and wholly owned

subsidiary of Pineapple Express, effective as of April 15, 2020 (the “Effective Date”), Pineapple Express merged with and into Pineapple, with Pineapple being the surviving entity (the “Reincorporation Merger”). The Reincorporation Merger was consummated to complete Pineapple Express’ reincorporation from the State of Wyoming to the State of Nevada. The Merger Agreement, the Reincorporation Merger, the Name Change (as defined below) and the Articles of Incorporation and Bylaws of Pineapple were duly approved by the written consent of shareholders of Pineapple Express owning at least a majority of the outstanding shares of Pineapple Express’ common stock, par value \$0.0000001 per share (the “PE Common Stock”). Pursuant to the Merger Agreement, the Company’s corporate name changed from “Pineapple Express, Inc.” to “Pineapple, Inc.”

Describe any trading suspension or halt orders issued by the SEC or FINRA concerning the issuer or its predecessors since inception:

Shares of the Company’s common stock are quoted on the OTC Pink Market under the symbol “PNPL”. In April 2016, OTC Markets designated the Company’s trading symbol as “Caveat Emptor” by placing a skull and crossbones icon next to the symbol when the Company was issued an Order of Suspension of Trading from the U.S. Securities and Exchange Commission (the “SEC”) on April 28, 2016, because of “recent, unusual and unexplained market activity in the Company’s stock that raises concerns about the adequacy of publicly-available information regarding the Company”. The Company was released from suspension two weeks later. The Company was not charged with any wrong-doing and believes the unusual spike in stock activity was related to an enormous amount of press received by the Company because a famous cultural icon invested in the Company’s common stock. The Company regained current status with its filing obligations in the fourth quarter of 2021, and a licensed broker filed a Form 15c2-11 application in order to remove the caveat emptor symbol and resume quotations on the OTC marketplace.

On September 3, 2015, the Company changed its name to “Pineapple Express, Inc.” from “Globestar Industries.” The Company later changed its name to Pineapple, Inc.

On March 10, 2023, the Company entered into an Amended Binding Letter Agreement with Mr. Ortega, effective as of December 31, 2022 amending a prior Binding Letter Agreement executed January 4, 2023, where the Company agreed to sell 45.17% of its equity interest in Pineapple Ventures, Inc. (“PVI”), in exchange for the purchase price of 20,000,000 shares of the Company’s common stock at \$0.0000001 par value per share and the extinguishment of all of the Company’s debt to PVI and Neu-Ventures, Inc., respectively, of which both PVI and NVI are wholly owned by Ortega. Through the Company’s operating subsidiary, Pineapple Express Consulting Inc., it also offers cannabis business licensing and consulting services.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The accompanying unaudited condensed consolidated financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (“GAAP”).

Basis of Consolidation

The consolidated financial statements include the accounts of Pineapple, Inc. and its wholly owned subsidiaries, THC Industries, LLC and Pineapple Express Consulting, Inc. and Pineapple Wellness, Inc., doing business as Pineapple Wellness. Intercompany accounts and transactions have been eliminated.

The Company’s consolidated subsidiaries and/or entities are as follows:

Name of Consolidated Subsidiary or Entity	State or Other Jurisdiction of Incorporation or Organization	Date of Incorporation or Formation (Date of Acquisition, if Applicable)	Attributable Interest
--	---	--	--------------------------

		12/23/2015 (formed)	
THC Industries, LLC	California	2/16/2016 (acquired by the Company)	100%
Pineapple Express Consulting, Inc.	California	3/16/2017	100%
Pineapple Wellness, Inc.	California	6/24/2019 (formed) 6/12/2023 (acquired by the Company)	100%

Use of Estimates in Financial Reporting

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include the recoverability and useful lives of long-lived assets, assessment of legal accruals, the fair value of the Company's stock, Incremental borrowing rate ("IBR") used for leases and the valuation allowance related to deferred tax assets. Actual results may differ from these estimates.

During the third quarter ended September 30, 2023, we completed an assessment of the IBR used on our operating leases entered into during the nine months ended September 30, 2023. We determined to modify the general rate we applied to all leases of 6.5% to use IBR rates estimated on the day of operating lease commencement, ranging from 6.2% to 6.95%, which allow for more accurate valuation of ROU assets and lease liability for each individual leased office premise. This change in accounting estimate was effective July 1, 2023 and was accounted for prospectively in the condensed consolidated financial statements.

Reclassifications

Certain prior period amounts have been reclassified to conform with the current period presentation. (Note 13)

Fair Value of Financial Instruments

The Company follows the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") for disclosures about fair value of its financial instruments and to measure the fair value of its financial instruments. The FASB ASC establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The three levels of fair value hierarchy are described below:

- Level 1- Quoted market prices available in active markets for identical assets or liabilities as of the reporting date.
- Level 2- Pricing inputs other than quoted prices in active markets included in Level 1, which are either directly or indirectly observable as of the reporting date.
- Level 3- Pricing inputs that are generally unobservable inputs and not corroborated by market data.

Financial assets are considered Level 3 when their fair values are determined using pricing models, discounted cash flow methodologies or similar techniques and at least one significant model assumption or input is unobservable.

The carrying amounts of the Company's financial assets and liabilities, including cash, accounts payable and accrued liabilities, and other current liabilities, approximate their fair values because of the short maturity of these instruments. The fair value of notes payable approximates their fair values since the current interest rates and terms on these obligations are the same as prevailing market rates.

Acquisition Under Common Control

Under ASC 805-50-30-5, when accounting for a transfer of assets or exchange of shares between entities under common control, the receiving entity shall recognize the assets and liabilities transferred at their historical cost and under ASC 805-50-45-5 the financial statements presented for prior years shall be retrospectively adjusted for the periods during which the entities were under common control.

Security Deposits

As of September 30, 2025, security deposits relate to security deposits paid for ten office premises of \$375,971.

Inventory

Inventory is stated at lower of cost or net realizable value, with cost being determined on the first-in, first-out (“FIFO”) method.

As of September 30, 2025, the Company had inventory of \$4,710.

Property and Equipment

Property and equipment consist of furniture and fixtures and office equipment. They are recorded at cost, less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

The estimated useful lives of the classes of property and equipment are as follows:

Office equipment	5 years
Furniture and fixtures	7 years

Related Party Balances and Transactions

The Company follows FASB ASC 850, “*Related Party Disclosures*,” for the identification of related parties and disclosure of related party transactions. (Note 8)

Leases

We determine if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (“ROU”) assets, operating lease liabilities - current, and operating lease liabilities - noncurrent on the balance sheets. Finance leases are included in property and equipment, other current liabilities, and other long-term liabilities in our balance sheets.

ROU assets represent our right to use an underlying asset for the lease term and lease liabilities represent our obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Non-lease components such as common area maintenance (“CAM”), variable expenses, and late fees were excluded from calculation for ROU assets and lease liabilities. As most of our leases do not provide an implicit rate, we generally use our incremental borrowing rate based on the estimated rate of interest for collateralized borrowing over a similar term of the lease payments at commencement date. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. Our lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term. Lease expense is reported under cost of sales in the Consolidated Statements of Operations in line with the Company’s main operation of procuring and leasing properties to licensed cannabis operators. For office premises that are not used for subleasing, leases expense is reported under lease expense of operating expenses in the Consolidated Statements of Operations.

Sublease

Under ASC 842, income for a sublessor operating lease is recognized as a single lease income item on a straight-line basis over the lease term and reflected in the appropriate income statement line item based on the lease asset’s function. For transactions where the Company is considered the sublessor, revenue for operating leases is recognized on a monthly basis over the term of the lease. Sublessor revenue relates to operating leases that the Company is subleasing. The Company recognizes sublease revenue on a gross basis. (Note 9)

Recently Adopted and Pending Accounting Pronouncements

In June 2022, the FASB issued Accounting Standards Update (“ASU”) 2022-03, ASC Subtopic “Fair Value Measurement (Topic 820): Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions”. These amendments clarify that a contractual restriction on the sale of an equity security is not considered part of the unit of account of the equity security and, therefore, is not considered in measuring fair value. The amendments in this update are effective for public business entities for fiscal years, including interim periods within those fiscal years, beginning after December 15, 2023. Early adoption is permitted. The Company is currently assessing the impact of the adoption of this standard on its consolidated financial statements.

The Company has considered all other recently issued accounting pronouncements and does not believe the adoption of such pronouncements will have a material impact on its financial statements.

Note 3 – Property and Equipment

Property and equipment as of June 30, 2025 and 2024 is summarized as follows:

	Sept 30, 2025	Sept 30, 2024
Furniture and fixtures	\$ 43,152	43,152
Office equipment	12,321	12,321

Rob Novinger	Demand	0%	No	\$ 30,851
Neu-Ventures, Inc.	Demand	0%	No	\$ 15,882
				\$ 46,733

Rob Novinger (shareholder)

Rob Novinger is a shareholder and creditor to the Company. There was no activity during the year ended December 31, 2024. The balance of the related party note payable was \$30,851 as of September 30, 2025.

Neu-Ventures, Inc.

Neu-Ventures, Inc. is an entity owned by our former majority shareholder and current shareholder, Mr. Ortega. These advances are due on demand and do not incur interest. The balance of the related party note payable was \$15,882 as of September 30, 2025 and 2024..

Note 5 – Note Payable

The Company, through our former subsidiary, Better Business Consultants, Inc., entered into a \$25,000 small business “line of credit” with Kabbage, Inc. on July 2, 2016, for purposes of funding periodic capital needs. The original agreement provided for a term of six months but has been extended month-to-month thereafter by mutual verbal consent of the parties. The total balance of that credit line as of March 31, 2024 and 2023 was \$26,609, which includes principal of \$19,838 and \$6,771 of accrued interest from prior years. The balance has been guaranteed by Matt Feinstein, the Company’s Chief Financial Officer, a member of the Company’s Board of Directors and a shareholder of the Company. The Company is currently in talks with a collection company to settle this debt and has stopped accruing interest. There has been no activity during the quarter ended September 30, 2025.

Note 6 – Settlement Payable-Related Party

At September 30, 2025, the settlement payable related party balance consists of the following:

Noteholder	June 30, 2025
Investor Three	615,000
Settlement payable	\$ 615,000

Investor Three

In December 2015, the Company entered into a Revenue Share Agreement for \$750,000 that was recorded as “advances on agreements” liability. As per the Revenue Share Agreement, in the event that, for the period from February 5, 2016, through the three-year anniversary of the Effective Date, if Lessee fails to pay the Company any Fixed Minimum Rent, the Company shall be required to pay to Investor Three, in full, Investor Three’s share each month until the Company has paid Investor Three an aggregate of \$825,000 under this Revenue Share Agreement. Thereafter, the Company shall have no further obligations or responsibilities to Investor Three in connection with this Revenue Share Agreement. Due to the above clause, by reason of defaults on the DHS Project (as defined elsewhere herein), an additional penalty of \$75,000 was incurred which was recorded as deferred finance cost. During the fiscal year 2018, the Company reduced \$200,000 of principal by transferring land to Investor Three. During the fiscal year 2018, the Company also recorded a loss on settlement of debt in the consolidated statements of operations increasing the balance by \$97,800 to \$615,000 at December 31, 2018. There was no activity during the year ended December 31, 2023. This balance remains outstanding as of September 30, 2025.

Note 7 – Commitments and Contingencies

From time to time, the Company is party to certain legal proceedings that arise in the ordinary course and are incidental to our business. Future events or circumstances, currently unknown to management, will determine whether the resolution of pending or threatened litigation or claims will ultimately have a material effect on our consolidated financial position, liquidity, or results of operations in any future reporting periods. The following is a list of current litigation:

Hawkeye v. Pineapple Express, Inc., et al.

Los Angeles Superior Court Case Number: BC708868 was filed June 6, 2018. Plaintiff claimed damages against Defendant in the excess of \$900,000 arising from a series of successive amended and revised revenue sharing agreements pertaining to rental income from certain leasehold for premises more commonly known as 65421 San Jacinto Lane, Desert Hot Springs, CA 92240 which was not realized through no fault of Defendants, nor are Defendants contracting parties to the lease agreement or original revenue sharing agreement for which consideration was paid. Defendants deny all allegations of claims asserted in the Complaint. Notwithstanding, the parties settled the matter pursuant to a confidential settlement agreement in or about January 3, 2020. However, the matter was reduced to an entry of judgment by the court in or about February 21, 2020, for the amount of \$615,000, which monies remain due and outstanding and are accrued for in the Company’s settlement payable as of September 30, 2025.

Sharper, Inc. v. Pineapple Express, Inc., et al.

Los Angeles Superior Court Case Number: 18SMCV00149 was filed November 1, 2018. Complaint for money with an amount in controversy of \$32,500. The matter arises from certain claim for goods and services rendered beyond the contract claim which is wholly disputed. The court case matter was stayed on February 11, 2019, pending the outcome of Arbitration. Finnegan & Diba was substituted out of the matter on June 14, 2019. The matter was arbitrated through other counsel and the arbitrator issued a final award in favor of Petitioner in or about September 4, 2019, for the principal amount of \$15,375, which has been accrued for in the Company’s contingent liabilities as of December 31, 2018.
