### 4) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. Ensure that these descriptions are updated on the Company's Profile on [www.otcmarkets.com](http://www.otcmarkets.com).

A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

The Company conducts its operations through its Electronics and Power Groups. The Company's Electronics Group ("OEG") is comprised of its Orbit Instrument and Tulip Development Laboratory ("TDL") Divisions and its Simulator Product Solutions LLC ("SPS") and Q-Vio subsidiaries. The OEG is engaged in the design, manufacture and sale of customized electronic components and subsystems. The Power Group ("OPG") is comprised of the Company's subsidiary, Behlman Electronics Inc. ("Behlman"), and is engaged in the design and manufacture of VPX/VME power supplies, high quality commercial power units, AC power supplies, frequency converters and commercial-off-the-shelf ("COTS") power solutions. The Company and its divisions and Behlman and Q-Vio subsidiaries are located at 80 Cabot Court, Hauppauge, NY 11788 and can be contacted at 631-435-8300. The Company's SPS subsidiary is located at 21818 S. Wilmington Ave, Suites 401-405, 411-412, Carson, CA 90810.

<sup>5</sup> The total number of shares that can be issued upon full conversion of the Outstanding Balance. The number should not factor any "blockers" or limitations on the percentage of outstanding shares that can be owned by the Noteholder at a particular time. For purposes of this calculation, please use the current market pricing (e.g. most recent closing price, bid, etc.) of the security if conversion is based on a variable market rate.

- B. List any subsidiaries, parent company, or affiliated companies.

The Company's subsidiaries include Behlman, SPS and Q-Vio and its divisions include Orbit Instrument and TDL.

- C. Describe the issuers' principal products or services.

The OEG's principal products include remote control units ("RCU"), intercommunication panels, displays, keyboards, keypads and pointing devices, operator control trays, command display units ("CDUs"), the design and enhancement of LCD display modules, military simulation and training bezels, electronic control assemblies and multi-function displays. These products are used primarily in support of military programs. The OPG's principal products include power supplies, frequency converters, and inverters. These products are primarily used in commercial applications and in support of military programs.

## 5) Issuer's Facilities

*The goal of this section is to provide investors with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer and the extent in which the facilities are utilized.*

In responding to this item, please clearly describe the assets, properties or facilities of the issuer. Describe the location of office space, data centers, principal plants, and other property of the issuer and describe the condition of the properties. Specify if the assets, properties, or facilities are owned or leased and the terms of their leases. If the issuer does not have complete ownership or control of the property, describe the limitations on the ownership.

The Company's plant and executive offices are located at 80 Cabot Court, Hauppauge, New York. This facility, which consists of approximately 60,000 square feet (of which approximately 50,000 square feet are available for manufacturing operations) in a two-story, brick building, was completed in October 1982 and expanded in 1985. The Company is currently operating this facility at approximately 70% of capacity. In March 2001, the Company entered into a 12-year net lease for this facility and effective January 1, 2011, the Company entered into an amendment to that lease which extended the expiration date to December 31, 2021. From January 2017 to December 31, 2021, the Company's lease payments were \$38,600 per month. In June 2021, the Company entered into another amendment to the lease which extended the lease expiration date to December 31, 2027 and modified the lease payments as follows: approximately \$44,583 per month for January 2022 through December 2024 and approximately \$47,917 per month for January 2025 through December 2027. In connection with the lease amendment, the Company's landlord agreed, at its sole expense, to make certain improvements to the facility.

The Company's SPS subsidiary occupies an approximately 4,000 square foot facility located at 21818 S. Wilmington Ave., Suites 411 and 412, Carson, CA 90810, which previously served as its administrative and manufacturing facility and is now used as its engineering center. In October 2024, SPS amended their lease for Suites 411 and 412, which extended the term for forty-six (46) months beginning October 1, 2024 and ending on July 31, 2028. The monthly lease payments for Suites 411 and 412 are \$5,376 for October 2024 through September 2025, \$5,564 for October 2025 through September 2026, \$5,758 for October 2026 through September 2027 and \$5,960 for October 2027 through July 2028. In June 2022, SPS entered into a lease for an additional 1,920 square feet located at 21818 S. Wilmington Ave, Suite 405, Carson, CA to serve as additional administrative and manufacturing space. The monthly lease payments for Suite 405 were \$2,880 for July 2022 through June 2023, \$2,974 for July 2023 through June 2024 and \$3,070 for July 2024 through June 2025. During the third quarter of 2025, SPS amended their lease for Suite 405, which extended the term for thirty-seven (37) months beginning July 1, 2025 and ending on July 31, 2028. The monthly lease payments for Suite 405 is \$3,483 for July 2025, \$3,590 for August 2025 through June 2026, \$3,701 for July 2026 through June 2027 and \$3,816 for July 2027 through July 2028. In August 2023, SPS entered into a lease at the same Carson, CA location for an additional 6,720 square feet of contiguous space located in Suites 401 through 404 which are adjacent to Suite 405. Suites 401 through 405 serve as its administrative and manufacturing facility. The lease for suites 401 through 404 commenced October 2023 and is for sixty (60) months with an option to extend for another sixty (60) months. The monthly lease payment for Suites 401 through 404 is \$10,080 beginning in October 2023 and continuing through March 2026. In April 2026, the monthly rent increased to \$11,239 and continues through October 2028. SPS also occupies an approximately 1,500 square foot facility located at 1241 E. Chestnut, Unit M, Santa Ana, CA 92701, which serves as its machine shop. The monthly lease payment at this facility is \$1,650 and the lease is month-to-month.

7) **Legal/Disciplinary History**

A. Identify and provide a brief explanation as to whether any of the persons or entities listed above in Section 6 have, in the past 10 years:

1. Been the subject of an indictment or conviction in a criminal proceeding or plea agreement or named as a defendant in a pending criminal proceeding (excluding minor traffic violations);

None

2. Been the subject of the entry of an order, judgment, or decree, not subsequently reversed, suspended or vacated, by a court of competent jurisdiction that permanently or temporarily enjoined, barred, suspended or otherwise limited such person's involvement in any type of business, securities, commodities, financial- or investment-related, insurance or banking activities;

None

3. Been the subject of a finding, disciplinary order or judgment by a court of competent jurisdiction (in a civil action), the Securities and Exchange Commission, the Commodity Futures Trading Commission, a state securities regulator of a violation of federal or state securities or commodities law, or a foreign regulatory body or court, which finding or judgment has not been reversed, suspended, or vacated;

None

4. Named as a defendant or a respondent in a regulatory complaint or proceeding that could result in a "yes" answer to part 3 above; or

None

5. Been the subject of an order by a self-regulatory organization that permanently or temporarily barred, suspended, or otherwise limited such person's involvement in any type of business or securities activities.

None

6. Been the subject of a U.S. Postal Service false representation order, or a temporary restraining order, or preliminary injunction with respect to conduct alleged to have violated the false representation statute that applies to U.S. mail.

None

B. Describe briefly any material pending legal proceedings, other than ordinary routine litigation incidental to the business, to which the issuer or any of its subsidiaries is a party or of which any of their property is the subject. Include the name of the court or agency in which the proceedings are pending, the date instituted, the principal parties thereto, a description of the factual basis alleged to underlie the proceeding and the relief sought. Include similar information as to any such proceedings known to be contemplated by governmental authorities.

The Company was notified on November 27, 2024, that a verified complaint was filed in the Delaware Court of Chancery by a company formed by SPS's former President naming the Company and its subsidiary, SPS, as defendants ("Delaware Action"). The complaint in the Delaware Action alleges additional amounts owed under the Contribution and Operating Agreements associated with the SPS acquisition. The Company believes it has abided by the terms of both agreements and vigorously opposes the claims asserted in the Delaware Action. In addition, on January 26, 2026, the Company was notified that a separate but related complaint for damages was filed by a company formed by SPS' former President in the Superior Court of the State of California for the County of Los Angeles-

Central District naming the Company and its subsidiary, SPS, as defendants (the “California Action”). The complaint in the California Action alleges that additional compensation is owed to SPS’ former President under his employment agreement, and it seeks to undo certain settlement agreements between the parties associated with the SPS acquisition in an attempt to collect additional sums under the Contribution and Operating Agreements. The California Action also asserts claims for defamation and intentional infliction of emotional distress. The Company believes it has abided by the terms of the employment agreement and that the settlement agreements are valid and enforceable agreements and that claims for defamation and intentional infliction of emotional distress are without merit. The Company intends to vigorously oppose the claims asserted in the California Action. Although the parties have at times engaged in discussions to settle the Delaware Action, these attempts have yet to be successful. Formal discovery demands have been made in the Delaware Action. There is no assurance that the lawsuits will be settled. Moreover, if they are settled, they might be settled for an amount different than the amount accrued at December 31, 2025 .

## INDEPENDENT AUDITOR'S REPORT

### To the Board of Directors and Shareholders of Orbit International Corp. and Subsidiaries

#### Opinion

We have audited the accompanying consolidated financial statements of Orbit International Corp. and Subsidiaries, which comprise the consolidated balance sheets as of December 31, 2025 and 2024, and the related consolidated statements of operations, stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Orbit International Corp. and Subsidiaries as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Orbit International Corp. and Subsidiaries and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Emphasis of Matter

Orbit International Corp. and Subsidiaries' has a line of credit with a financial institution that is scheduled to expire on September 1, 2026. Management is currently in the process of securing a replacement lender and expects to finalize new borrowing arrangements prior to the expiration date (see Note 7). Our opinion is not modified with respect to this matter.

#### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Orbit International Corp. and Subsidiaries' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Orbit International Corp. and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Orbit International Corp. and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Information Included in the Annual Report**

Management is responsible for the other information included in the Disclosure Statement Pursuant to the Pink Market Disclosure Guidelines and Annual Report for 2025 (collectively the "Annual Report"). The other information in the Annual Report does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information in the Annual Report, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information in the Annual Report and consider whether a material inconsistency exists between the other information in the Annual Report and the consolidated financial statements, or the other information in the Annual Report otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- 1. ORGANIZATION AND BUSINESS:** The consolidated financial statements include the accounts of Orbit International Corp. and its wholly owned subsidiaries (collectively, the “Company”). All significant intercompany transactions have been eliminated in consolidation.

The Company currently operates in two reporting segments, the Electronics Group and the Power Group. The Electronics Group is comprised of the Company's Orbit Instrument ("Orbit") and Tulip Development Laboratory (“TDL”) divisions and Simulator Product Solutions LLC (“SPS”) and Q-Vio Corp. (“Q-Vio”) subsidiaries. Orbit and TDL are engaged in the design and manufacture of electronic components and subsystems. SPS is engaged in the manufacture of military simulation multi-function displays and Q-Vio is engaged in the design and enhancement of LCD display modules. The Power Group is comprised of the Company's Behlman Electronics Inc. subsidiary and is engaged in the design and manufacture of commercial and custom power units. The Electronics Group and the Power Group both conduct their operations in the United States. The majority of the Company’s customers are comprised of various agencies and prime and lower tier subcontractors of the U.S. government.

- 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

### **General**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires management to make estimates and assumptions that affect the consolidated financial statements and accompanying notes. Actual results could differ from those estimates. On an ongoing basis, the Company re-evaluates its judgments and estimates including those related to inventory valuation, the valuation allowance on its deferred tax assets, goodwill impairment, valuation of contingent liabilities and valuation of share-based compensation.

### **Cash Equivalents**

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. The Company maintains cash in bank deposit accounts, which, at times, exceed federally insured limits. The Company has not experienced any losses on these accounts.

### **Allowance for Credit Losses**

Accounts receivable are reported at their outstanding unpaid principal balances reduced by an allowance for credit losses. The Company accounts for its allowance for credit losses in accordance with Accounting Standards Codification (“ASC”) Topic 326, *Financial Instruments-Credit Losses*, which essentially requires the earlier recognition of estimated credit losses on receivables. The Company estimates its allowance for credit losses based on the number of days outstanding of invoices comprising its accounts receivable at the balance sheet date, historical bad debts, factors related to specific customers' ability to pay, and current economic trends.

### **Inventories**

Inventories, which consist of raw materials, work-in-process, and finished goods, are recorded at the lower of cost (average cost method) or net realizable value. Inventories are shown net of any reserves relating to any potential slow moving or obsolete inventory.

# ORBIT INTERNATIONAL CORP. AND SUBSIDIARIES

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

---

### Property and Equipment

Property and equipment are recorded at cost. Depreciation and amortization of the respective assets are computed using the straight-line method over their estimated useful lives ranging from 3 to 15 years. Leasehold improvements are amortized using the straight-line method over the remaining term of the lease or the estimated useful life of the improvement, whichever is less.

### Long-Lived Assets

When impairment indicators are present, the Company reviews the carrying value of its long-lived assets in determining the ultimate recoverability of their unamortized values using future undiscounted cash flow analyses. In the event that the future undiscounted cash flows of the long-lived asset are less than the carrying value, the Company will record an impairment charge for the difference between the carrying value and the fair value of the long-lived asset.

### Goodwill

The Company records goodwill as the excess of purchase price over the fair value of identifiable net assets acquired. In accordance with Accounting Standards Codification (“ASC”) 350, *Intangibles - Goodwill and Other*, goodwill is not amortized but instead tested for impairment on at least an annual basis. The Company, where appropriate, will utilize ASU 2011-08, *Intangibles - Goodwill and Other*, which allows the Company to not perform the two-step goodwill impairment test if it determines that it is not more likely than not that the fair value of the reporting unit is less than the carrying amount based on a qualitative assessment of the reporting unit. The Company’s annual goodwill impairment test is performed in the fourth quarter each year or sooner when impairment indicators are present. If the goodwill is deemed to be impaired, the difference between the carrying amount reflected in the consolidated financial statements and the estimated fair value is recognized as an expense in the period in which the impairment occurs. In determining the recoverability of goodwill, assumptions are made regarding estimated future cash flows and other factors to determine the fair value of the assets.

### Income Taxes

The Company recognizes deferred tax assets and liabilities in accordance with ASC 740, *Income Taxes*, based on the expected future tax consequences of events that have been included in the consolidated financial statements or tax returns. Under this method, deferred tax assets and liabilities are determined based on the difference between the consolidated financial statements and tax bases of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. Valuation allowances have been established to reduce deferred tax assets to the amount expected to be realized. The Company evaluates uncertain tax positions and accounts for such items in accordance with ASC 740-10, *Income Taxes – Overall*. The Company is subject to federal income taxes and files a consolidated U.S. federal income tax return. In addition to the federal tax return, the Company files income tax returns in various state jurisdictions on both an unconsolidated and consolidated basis depending on the respective state. The Company is subject to routine income tax audits in various jurisdictions and tax returns remain open to examination by such taxing authorities in accordance with their respective statutes.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### Revenue and Cost Recognition

The Company recognizes revenue in accordance with ASC Topic 606, *Revenue from Contracts with Customers*. The core principle of this Topic is that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

The Company recognizes revenue when control transfers to its customer. The Company has determined that control transfers to its customers over time when a contract contains an enforceable right to payment for performance completed to date, such as a termination for convenience provision, and when the manufactured product has no alternative use. The Company has determined that it has no alternative use for certain of its products when they reach the finished good/top assembly stage. Before that point, the product is considered inventory. The Company recognizes revenue over time using an output method based on units shipped with an adjustment to revenue and ending inventory for any product where control has deemed to transfer to the customer. The adjustment to revenue is based on the stand-alone selling price of the unit multiplied by the equivalent number of units in ending inventory. The adjustment to ending inventory and cost of sales is based on the estimated material, direct labor and overhead costs associated with the units in ending inventory. The Company recognizes revenue at a point in time (when shipped) for all other contracts that either do not contain an enforceable right to payment for performance completed to date or where the top assembly/finished good has alternative use. The timing of revenue recognition for all of the Company's contracts, which include revenue recognized at a point in time as well as over time, is primarily related to the customer delivery schedules outlined in its contracts. Revenue may be recognized sooner on contracts accounted for over time since product may be in the finished goods or top assembly stage for a short period of time before shipment is made. This may overlap a financial reporting period causing revenue to be recognized, if certain conditions are met, on certain finished goods or top assembly inventory.

A performance obligation is a promise in a contract to transfer a distinct good or service to the customer. A contract's transaction price is allocated to each distinct performance obligation and recognized as revenue as of a point in time or over time. The Company's remaining performance obligations, which it refers to as its backlog, was \$12,254,000 at December 31, 2025. The period of performance for its backlog, pursuant to current delivery schedules, is estimated to be approximately \$11,814,000 in 2026 and \$440,000 in 2027.

The Company's contract liabilities at December 31, 2025 and 2024 consist of advance payments from customers in the amount of \$1,404,000 and \$296,000, respectively. The Company's contract assets account represents revenue that it has recognized but has not yet shipped or billed its customer for. This account will be reversed, and accounts receivable will be increased when the Company ships its product and invoices its customer. The Company's payment terms with its customers are typically net 30 days. Most contracts are for products made to customer specifications with no right of return. All units are shipped with a one-year warranty.

The following table summarizes the Company's contract assets balances:

|                             | 2025        | 2024       |
|-----------------------------|-------------|------------|
| Contract Assets-January 1   | \$ 643,000  | \$ 384,000 |
| Contract Assets-December 31 | \$1,420,000 | \$ 643,000 |
| Change                      | \$ 777,000  | \$ 259,000 |

# ORBIT INTERNATIONAL CORP. AND SUBSIDIARIES

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

---

The increase in the contract asset account from January 1, 2025 to December 31, 2025 was primarily the result of an increase in revenue recognized over time on finished good/top assembly inventory at December 31, 2025 primarily related to an effort to meet customer delivery schedules for the first half of 2026.

The increase in the contract asset account from January 1, 2024 to December 31, 2024 was primarily the result of an increase in revenue recognized over time on finished good/top assembly inventory at December 31, 2024 primarily related to an effort to meet customer delivery schedules for the first half of 2025.

### **Advertising**

The Company expenses advertising as incurred. The Company recorded \$108,000 and \$69,000 of advertising expense during the years ended December 31, 2025 and 2024, respectively.

### **Stock-Based Compensation**

The Company accounts for stock-based compensation awards, settled in stock, based on the fair value of the awards on the date of grant and expenses such compensation over the vesting periods of the awards. The Company accounts for stock-based compensation awards, settled in cash (e.g., Stock Appreciation Rights "SARS"), based on the fair value of such awards at each reporting period and expenses such compensation over the requisite service period.

### **Earnings Per Share**

Basic earnings per share is computed by dividing net earnings by the weighted average number of shares of common stock outstanding. Diluted earnings per share is computed by dividing net earnings by the sum of the weighted average number of shares of common stock and the dilutive effect of unexercised stock options and the unearned portion of restricted stock awards.

### **Freight and Delivery Costs**

The Company's freight out and delivery costs were \$38,000 and \$28,000 for the years ended December 31, 2025 and 2024, respectively. These costs are included in selling, general and administrative expenses.

### **Research and Development Expenses**

Research and development expenses are expensed when incurred. The Company expensed approximately \$2,565,000 and \$2,310,000 for research and development during the years ended December 31, 2025 and 2024, respectively, which are included in selling, general and administrative expenses.

### **Leases**

The Company accounts for its leases in accordance with ASC Topic 842, *Leases*.

### **Fair Value Measurement**

Fair value is defined as the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. GAAP

specifies a hierarchy of valuation techniques based on whether the inputs to those valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect management’s market assumptions. These two types of inputs have created the following fair-value hierarchy:

Level 1— Quoted prices for identical instruments in active markets;

Level 2— Quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-derived valuations in which all significant inputs and significant value drivers are observable in active markets; and

Level 3— Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable.

The only recurring asset or liability currently recorded at fair value is the Company’s stock-based compensation settled in cash (“SARS”) which was valued at \$0 at December 31, 2025 and 2024, respectively.

**3. INVENTORIES:** Inventories, net of reserves at December 31, 2025 and 2024 of \$2,717,000 and \$2,688,000, respectively, consist of the following:

| December 31,    | 2025                | 2024                |
|-----------------|---------------------|---------------------|

Amortization expense on the Company's intangible assets with finite lives is expected to be as follows:

|                     |            |
|---------------------|------------|
| 2026                | \$ 242,000 |

| 2030                | 215,000    |
| 2031 and thereafter | \$ 978,000 |

The Company recognized amortization expense relating to its intangible assets of \$242,000 during each of the years ended December 31 2025 and 2024.

At December 31, 2025, in connection with the annual impairment testing pursuant to ASC 350, the Company performed a quantitative assessment of SPS' goodwill and a qualitative assessment of Behlman and Q-Vio's goodwill. Based on its quantitative assessment of SPS' goodwill, the Company concluded that the fair value of SPS was greater than its carrying amount. Based on its qualitative assessment of Behlman and Q-Vio's goodwill, the Company concluded that the fair value of Behlman and Q-Vio was more likely than not greater than its carrying amount at December 31, 2025. The Company's conclusions were based on certain factors, such as: i) SPS, Behlman and Q-Vio's backlog at December 31, 2025 (ii) SPS, Behlman and Q-Vio's projected bookings, revenue and net income or EBITDA, as adjusted in 2026 and (iii) relative to SPS' quantitative analysis, SPS' projected income statements for 2027 through 2034. There were no goodwill impairments in 2024.

### 5. LEASES:

The Company accounts for its operating leases under ASC 842. As a practical expedient, the Company has determined that certain leases are immaterial if at lease commencement, the term is less than one (1) year and/or the present value of the lease payments are under a certain threshold considered to be material to the Company's consolidated balance sheet.

The Company's leases include its manufacturing facilities located in Hauppauge, NY and Carson, CA, certain office equipment and certain other leases for office equipment deemed immaterial to the Company's balance sheet. The Company's lease at its Hauppauge, NY location expires December 31, 2027. The Company has three leases for the seven suites it occupies at its Carson, CA location. These three leases have various expiration dates though October 2028.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The Company's operating leases had a weighted average lease term of 2.22 and 2.97 years at December 31, 2025 and 2024, respectively. The Company's weighted average discount rate for its operating leases were 5.04% and 4.65% at December 31, 2025 and 2024, respectively. The discount rate within the Company's leases is not generally determinable, therefore, the Company uses its incremental borrowing rate as its discount rate.

The Company's lease expense for all operating leases for the years ended December 31, 2025 and 2024 were \$848,000 and \$811,000, respectively. The Company's cash paid for all operating leases for the years ended December 31, 2025 and 2024 were \$838,000 and \$803,000, respectively.

Future minimum lease payments as of December 31, 2025 under all operating lease agreements are as follows:

| Year                                      | Minimum Lease Payments |
|---|------------------------|
| 2026                                      | \$ 887,000             |
| 2027                                      | 893,000                |
| 2028                                      | 197,000                |
| 2029                                      | 4,000                  |
| 2030                                      | 3,000                  |
| Total minimum lease payments-undiscounted | \$1,984,000            |

Reconciliation of the undiscounted cash flows in the maturity analysis above and the lease liabilities recognized in the consolidated balance sheet as of December 31, 2025, is as follows:

|   |             |
|---|-------------|
| Total minimum lease payments-undiscounted | \$1,984,000 |
| Immaterial leases                         | (17,000)    |
| Discount effect of cash flows             | (119,000)   |
| Operating lease liabilities               | \$1,848,000 |

The Company's SPS subsidiary entered into a finance lease in January 2024 for the use of production equipment. Currently, this is the Company's only finance lease. The lease term is for 36 months from January 2024 through December 2026 and has 12 months remaining as of December 31, 2025. The lease payment is approximately \$4,000 per month at an interest rate of 8.16% and the Company recognized approximately \$5,000 of associated interest expense during the year ended December 31, 2025. Upon entering into this finance lease in January 2024, the Company recorded a right of use ("ROU") asset and lease liabilities which have balances at December 31, 2025 of \$38,000 and \$41,000, respectively. The Company recorded amortization expense of approximately \$38,000 during the years ended December 31, 2025 and 2024, respectively, relating to the ROU asset. The Company's cash paid for all financing leases was \$43,000 for each of the years ended December 31, 2025 and 2024.

### 6. PROPERTY AND EQUIPMENT:

Property and equipment, at cost, at December 31, 2025 and 2024, are as follows:

|                          | \$ 892,000  | \$ 1,192,000 |

The Company recognized, on a straight-line basis, depreciation expense of \$378,000 for the year ended December 31, 2025. For the comparable period in 2024, the Company recorded depreciation expense of \$302,000. During the year ended December 31, 2024, the Company wrote off \$1,139,000 of fully depreciated assets that were no longer in service.

### 7. DEBT:

The Company has a committed line of credit (“Credit Agreement”) with M&T Bank (“M&T”) for up to \$4,000,000. This line of credit is for the Company’s general working capital needs and has an expiration date of September 1, 2026.

The Company was not in compliance with certain financial covenants during all of the reporting periods in 2023 and the first three quarterly periods in 2024. The Company requested waivers from M&T Bank for the covenant non-compliances. Additionally, the Company requested that both of its financial covenants be amended in its Credit Agreement for certain reporting periods in 2024 and 2025.

M&T Bank agreed to the Company’s request for waivers and amendments to the Credit Agreement and in October 2024, the Company and M&T Bank entered into a Modification, Waiver and Forbearance Agreement which modified the Credit Agreement as follows: i) waived the Company’s noncompliance with its financial covenants during certain reporting periods in 2023 and 2024, ii) modified the Company’s financial covenants beginning with the quarterly and six-month reporting periods ending December 31, 2024, iii) reduced the line of credit amount to \$4,000,000 from \$6,000,000 and, iv) the Company paid a Modification and Forbearance fee of \$20,000. The Company was in compliance with its financial covenants at December 31, 2024.

The Company was not in compliance with certain financial covenants during the quarters ended March 31, 2025 and June 30, 2025. The Company requested waivers from M&T Bank for the covenant non-compliances. Additionally, the Company requested that both of its amended financial covenants be further amended in its Credit Agreement for certain reporting periods commencing in the third quarter of 2025.

M&T Bank agreed to the Company’s request for waivers and amendments to the Credit Agreement and in August 2025, the Company and M&T Bank entered into a Second Modification, Waiver and Forbearance Agreement which modified the Credit Agreement as follows: i) waived the Company’s noncompliance with its financial covenants during the quarters ended March 31, 2025 and June 30, 2025, ii) modified the Company’s financial covenants beginning with the quarterly reporting period ending September 30, 2025, iii) extended the expiration date of the Credit Agreement to September 1, 2026 and, iv) the Company paid a Modification and Forbearance fee of \$25,000. The Company was in compliance with its amended financial covenants at September 30, 2025.

# ORBIT INTERNATIONAL CORP. AND SUBSIDIARIES

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The Company was not in compliance with certain financial covenants during the six month period ended December 31, 2025. In March 2026, M&T Bank advised the Company that it will likely not extend the Company's credit facility beyond September 1, 2026 and that, as a result, the Company, should seek an alternative lender. Although an alternative lender is likely to charge a higher interest rate, a credit facility provided by an alternative lender should allow for more flexibility in the Company's lending needs, including the possibility of increasing the maximum amount available under the line of credit and eliminating financial covenants. Also during March 2026, M&T bank advised the Company that it intends to remain the Company's primary lender until the line of credit expires on September 1, 2026. M&T Bank also advised that it intends to increase the maximum amount available under the line of credit to \$4,500,000. The Company is in discussions with several potential lenders and believes that it will receive term sheets from them. The Company believes that it will find a replacement lender prior to the expiration of its line of credit on September 1, 2026 and that it will maintain sufficient liquidity to meet its obligations as they become due.

Payment of interest on the line of credit is due at the lender's prime lending rate (6.75% at December 31, 2025). The line of credit is collateralized by a first priority security interest in all of the Company's tangible and intangible assets. The Company had borrowings of \$2,475,000 under the line of credit at December 31, 2025. The Company had \$1,525,000 of availability under its line of credit at December 31, 2025.

The Credit Agreement contains customary affirmative and negative covenants and certain financial covenants. Additionally, available borrowings under the line of credit are subject to a borrowing base of eligible accounts receivable and inventory. All outstanding borrowings under the line of credit are accelerated and become immediately due and payable (and the line of credit terminates) in the event of a default, as defined, under the Credit Agreement.

### 8. STOCK-BASED COMPENSATION PLANS:

The Company has two stock-based employee compensation arrangements with an executive officer. The arrangements were effective January 1, 2021 upon the renewal of the executive officer's employment contract. One arrangement entitles the executive officer to discretionary annual grants of up to 10,000 shares of restricted stock based upon the attainment of certain strategic goals and objectives as determined by the Company's Compensation Committee. The second arrangement granted SARS to the executive as follows: 50,000 have an exercise price of seven (\$7.00) dollars per share and 100,000 have an exercise price of eight (\$8.00) dollars per share. All SARS were granted on January 1, 2021 and fully vested and became exercisable on the third anniversary date (January 1, 2024) following the effective date (January 1, 2021). Exercise date ends on the earlier of the one-year anniversary of the date that the executive's continuous service ends or a change in control. The SARS will be settled in cash, if applicable.

The Company will record stock-based compensation expense relating to the restricted stock grant when restricted stock is granted to the executive. The Compensation Committee did not grant any restricted stock to the executive in 2025 and 2024.

The fair value of the SARS grant was \$0 at December 31, 2025 and 2024, respectively, since the exercise prices for both the 50,000 and 100,000 SARS grants were greater than the Company's share price at December 31, 2025 and 2024, respectively.

On January 1, 2025, the Company's Board of Directors granted 1,000 shares of restricted stock to each of its three independent directors as part of their annual compensation. The grant date share price was \$4.38 and the grant had a total value of approximately \$13,000,

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

which was recorded to stock compensation expense over the requisite service period which was between the grant date (January 1, 2025) and the vesting date of the restricted stock award (January 1, 2026).

On January 1, 2024, the Company's Board of Directors granted 1,000 shares of restricted stock to each of its three independent directors as part of their annual compensation. The grant date share price was \$4.51 and the grant had a total value of approximately \$13,000, which was recorded to stock compensation expense over the requisite service period which was between the grant date (January 1, 2024) and the vesting date of the restricted stock award (January 1, 2025).

Beginning January 2023, one of the Company's outside directors elected to receive his director compensation in the form of the Company's stock in lieu of cash. This election resulted in the issuance of approximately 9,000 and 6,000 shares of the Company's stock during the years ended December 31, 2025 and 2024, respectively.

### 9. EMPLOYEE BENEFIT PLAN:

A defined contribution plan provides benefits to certain employees who meet a minimum age requirement. The plan provides for contributions by the Company equal to 1/2 of employee contributions (but not more than 2% of eligible compensation) and the Company may make additional contributions out of current or accumulated net earnings at the sole discretion of the Company's management.

The Company contributed approximately \$143,000 and \$162,000 to the plan during the years ended December 31, 2025 and 2024, respectively.

### 10. INCOME TAXES:

The Company is subject to federal income taxes and files a consolidated U.S. federal income tax return. In addition to the federal tax return, the Company files income tax returns in various state jurisdictions on a combined or separate basis. Certain state jurisdictions require tax computations on a basis other than taxable income.

The Company's pre-tax effected federal net operating loss carryforwards amounted to approximately \$9,800,000 at December 31, 2025.

During the years ended December 31, 2025 and 2024, the Company increased the valuation allowance on its deferred tax asset by recording, respectively, a \$100,000 and \$445,000 deferred tax expense, which resulted in a net deferred tax asset of \$0 and \$100,000 at December 31, 2025 and 2024, respectively. The increase in the valuation allowance was recorded as a result of the conclusion that the Company, more likely than not, will not generate sufficient future taxable income to utilize all of its net operating loss carryforwards and other temporary differences. The conclusion was based on the Company's cumulative pre-tax losses for the three most recent years at December 31, 2025 and 2024, respectively, and its initial financial projection for the 2026 and 2025 years, respectively.

The Company has adopted Accounting Standards Update ("ASU") 2023-09, "Income taxes (Topic 740): Improvements to Income Tax Disclosures," on a prospective basis for the year ended December 31, 2025. The following is a reconciliation of the U.S federal statutory tax to income tax expense:

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

| December 31,   | 2025          |         | 2024       |         |
|--|---------------|---------|------------|---------|
|  | Amount        | Rate    | Amount     | Rate    |

| Income tax expense   | \$ 136,000    | 2.8%    | \$477,000  | 282.0%  |

The Company's effective tax rate differs from the U.S. statutory rate primarily due to the changes in the valuation allowance on deferred tax assets, as well as state income taxes. The significant valuation allowance recorded in 2025 and 2024 resulted in an effective tax rate that differs substantially from the statutory rate. The Company evaluated all reconciling items impacting the effective tax rate and determined that, aside from state income taxes and changes in the valuation allowance, there were no material permanent differences, tax credits, or other significant reconciling items for the years ended December 31, 2025 and 2024.

Deferred tax assets are comprised of the following:

| December 31,  | 2025        | 2024        |
|---|-------------|-------------|
| Net operating loss carryforwards                          | \$2,130,000 | \$539,000   |

As of December 31, 2025 and 2024, the Company had no material uncertain tax positions. The Company is subject to routine income tax audits in various jurisdictions and tax returns from December 31, 2022 remain open to examination by such taxing authorities. The Company did not record any tax related penalties. If the Company had any penalties relating to taxes, they would be recorded in income tax expense (benefit).

All income (loss) before income taxes is attributable to U.S. operations. Income taxes paid were \$0 (federal) and \$44,000 (state) for 2025. For 2024, income taxes paid were \$0 (federal) and \$21,000 (state).

**11. SIGNIFICANT CUSTOMERS AND CONCENTRATIONS OF CREDIT RISK:**

Sales to a significant customer accounted for approximately 13% of the Company's consolidated net sales for the year ended December 31, 2025 and sales to a significant customer accounted for 14% of the Company's consolidated net sales for the comparable 2024 period. At December 31, 2025, the Company had approximately 44% (12%, 11%, 11% and 10%) of its accounts receivable balance due from four customers.

For the year ended December 31, 2025, significant customers of the Company's Electronics Group accounted for approximately 27% (16% and 11%) of the Electronics Group's net sales. For the year ended December 31, 2024, significant customers of the Company's Electronics Group accounted for approximately 23% (13% and 10%) of the Electronics Group's net sales. At December 31, 2025, the Company's Electronics Group had approximately 57% (17%, 17%, 13% and 10%) of its accounts receivable balance due from four customers.

A significant customer of the Company's Power Group accounted for approximately 18% of the Power Group's net sales for the year ended December 31, 2025. Two significant customers of the Company's Power Group accounted for 34% (24% and 10%) of the Power Group's net sales for the year ended December 31, 2024. At December 31, 2025, the Company's Power Group had approximately 62% (32%, 15% and 15%) of its accounts receivable balance due from three customers.

A substantial portion of the net sales is subject to audit by agencies of the U.S. government. In the opinion of management, adjustments to such sales, if any, will not have a material effect on the Company's consolidated financial position or results of operations.

Financial instruments which potentially subject the Company to concentrations of credit risk consist principally of cash and cash equivalents and trade receivables from its customers. The Company had no cash and cash equivalents above FDIC and SIPC insurance levels at December 31, 2025.

The Company performs credit evaluations on its customers and collateral is generally not required. Credit losses are provided for in the consolidated financial statements during the period in which an impairment has been determined.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- 12. COMMITMENTS:** The Company has employment agreements with two executive officers and one key employee. At December 31, 2025, the total contractual obligations under these agreements over the next two years are approximately \$1,083,000. The two executive officers are entitled to bonuses based on certain performance criteria, as defined. Five key employees are entitled to bonuses based on a percentage of earnings before taxes and another key employee is entitled to a bonus based on sales and gross margin. Total bonus compensation expense was approximately \$8,000 and \$29,000 for years ended December 31, 2025 and 2024, respectively.

From time to time, the Company may become a party to litigation or other legal proceedings that it considers to be a part of the ordinary course of business. The Company is not currently involved in any legal proceedings, besides the legal matters with the former President of SPS described in footnote #17, that could reasonably be expected to have a material adverse effect on its financial condition or results of operations.

- 13. BUSINESS SEGMENTS:** The Company conducts its operations through two business segments, the Electronics Segment (or “Electronics Group”) and the Power Units Segment (or “Power Group”). The Electronics Group is comprised of the Company’s Orbit Instrument and TDL Divisions and SPS and Q-Vio subsidiaries. Through its Orbit Instrument and TDL Divisions, the Company is engaged in the design, manufacture and sale of customized electronic components and subsystems. Through its SPS subsidiary, the Company is engaged in the manufacturer of military simulation and training bezels, electronic control assemblies and multi-function displays. Through its Q-Vio subsidiary, the Company is engaged in the design and enhancement of LCD display modules. The Power Group is comprised of Behlman and is engaged in the design and manufacture of high-quality commercial power units, AC power, frequency converters, uninterruptible power supplies, armament systems and commercial-off-the-shelf (“COTS”) power solutions.

The Company's reportable segments are business units that offer different products with each segment utilizing its own direct labor personnel. The Company's reportable segments are each managed separately as they manufacture and distribute distinct products with different production processes. Management and the Company’s President and Chief Executive Officer, who is also the Chief Operating Decision Maker (“CODM”), evaluate the performance of the Company’s reportable segments based on each segment’s revenue and profitability. The CODM will make various business and financial decisions based on the performance of the Company’s reportable segments, such as determining the appropriate pricing of the Company’s products and services and determining the adequacy of personnel and the focus of sales and marketing efforts,

The following is the Company's reporting segment information as of and for the years ended December 31, 2025 and 2024:

| <b>Total depreciation and amortization</b> | <b>\$ 658,000</b> | <b>\$ 582,000</b> |

**14. NET LOSS  
PER COMMON  
SHARE:**

The following table sets forth the computation of basic and diluted net loss per common share:

| Year Ended December 31,   | 2025      | 2024      |
|---|-----------|-----------|
| Denominator:  |           |           |
| Denominator for basic net loss per share – weighted average common shares                           | 3,331,000 | 3,343,000 |
| Effect of dilutive securities:  |           |           |
| Unearned restricted stock to employees  | -         | -         |
| Denominator for diluted net loss per share – weighted average common shares and assumed conversions | 3,331,000 | 3,343,000 |

The numerator for basic and diluted net loss per share for the years ended December 31, 2025 and 2024 is the net loss for each year.

During each of the years ended December 31, 2025 and 2024, the Company had a net loss and therefore did not include 3,000 incremental common shares in its calculation of diluted net loss per common share since an inclusion of such securities would be anti-dilutive.

Approximately 3,000 shares of restricted stock were outstanding at December 31, 2025 and 2024 but were not included in the computation of basic net loss per share. These shares were excluded because they represent the unvested portion of restricted stock awards.

**15. EQUITY:**

In May 2023, the Company's stock was moved from the OTC Pink Market to the OTC Expert Market. As a result, the Company's Board of Directors decided to suspend its 2022 10b5-1 Plan, effective May 16, 2023, until the Company's reinstatement onto the OTC Pink Market was finalized. The Company filed its 2022 Annual Report on March 11, 2024, and filed its 2023 Annual Report on April 16, 2024. On October 4, 2024, the Company was reinstated by FINRA and is again trading on the OTC Pink Market, which has since been renamed the OTCID Basic Market. However, the Company's Board of Directors has not yet determined to reinstate its buyback program.

**16. CASH  
DIVIDENDS:**

In March 2024, the Company's Board of Directors declared a quarterly dividend of \$0.01 per share payable to stockholders of record as of March 31, 2024 with a payment date of April 5, 2024. The total cash dividend amounted to approximately \$33,000.

The Company has not declared a cash dividend since March 2024 and the Company's Board of Directors has not yet determined to reinstate its cash dividend payments.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### 17. CONTINGENT LIABILITY:

The Company recorded a contingent liability of \$1,450,000 and \$1,362,000 at December 31, 2025 and 2024, respectively. This liability represents the Company's best estimate of its potential liability in connection with a complaint filed in the Delaware Court of Chancery by a company formed by SPS's former President naming the Company and its subsidiary, SPS, as defendants ("Delaware Action"). The complaint in the Delaware Action alleges additional amounts owed under the Contribution and Operating Agreements associated with the SPS acquisition. The Company believes it has abided by the terms of both agreements and vigorously opposes the claims asserted in the Delaware Action. In addition, on January 26, 2026, the Company was notified that a separate but related complaint for damages was filed by a company formed by SPS' former President in the Superior Court of the State of California for the County of Los Angeles-Central District naming the Company and its subsidiary, SPS, as defendants (the "California Action"). The complaint in the California Action alleges that additional compensation is owed to SPS' former President under his employment agreement, and it seeks to undo certain settlement agreements between the parties associated with the SPS acquisition in an attempt to collect additional sums under the Contribution and Operating Agreements. The California Action also asserts claims for defamation and intentional infliction of emotional distress. The Company believes it has abided by the terms of the employment agreement and that the settlement agreements are valid and enforceable agreements and that claims for defamation and intentional infliction of emotional distress are without merit. The Company intends to vigorously oppose the claims asserted in the California Action. Although the parties have at times engaged in discussions to settle the Delaware Action, these attempts have yet to be successful. Formal discovery demands have been made in the Delaware Action. There is no assurance that the Delaware and California Actions will be settled. Moreover, if they are settled, they might be settled for an amount different than the amount accrued at December 31, 2025.
