4) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations.

Ensure that these descriptions are updated on the Company's Profile on www.OTCMarkets.com.

A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

Glow Holdings Inc., operating as GlohCo, is reshaping healthcare research, development, and delivery through innovative data. The company integrates decentralized Real-World Evidence with secure unification and AI-driven analytics, providing real-time insights. GlohCo commits to improving understanding of behavioral health, mental wellness, and the impact of Social Determinants of Health on overall well-being.

B. List any subsidiaries, parent company, or affiliated companies.

On October 29, 2025, Glow Holdings, Inc., operating as GlohCo, acquired 100% interest in TeleCare Home Health LLC, a Texas limited liability company controlled by Alonzo Pierce.

C. Describe the issuer’s principal products or services.

Glow Holdings, Inc., operating as GlohCo, develops AI-powered healthcare software that enables earlier intervention and improved clinical decision-making. The company’s platform ingests and analyzes medical, behavioral, and wearable data to deliver real-time risk predictions for patient relapse, readmission, and other high-cost health events. GlohCo’s tools integrate with existing electronic health record (EHR) systems and support compliance with HIPAA, FHIR, and other regulatory standards. Its products are designed for hospitals, telehealth providers, and research institutions seeking to improve care quality, efficiency, and outcomes through intelligent automation and data analytics.

5) Issuer’s Facilities

The goal of this section is to provide investors with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer and the extent in which the facilities are utilized.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer. Describe the location of office space, data centers, principal plants, and other property of the issuer and describe the condition of the properties. Specify if the assets, properties, or facilities are owned or leased and the terms of their leases. If the issuer does not have complete ownership or control of the property, describe the limitations on the ownership.

Services are provided through our network of external partners.

6) All Officers, Directors, and Control Persons of the Company

Using the table below, please provide information, as of the period end date of this report, regarding all officers and directors of the company, or any person that performs a similar function, regardless of the number of shares they own.

In addition, list all individuals or entities controlling 5% or more of any class of the issuer’s securities.

If any insiders listed are corporate shareholders or entities, provide the name and address of the person(s) beneficially owning or controlling such corporate shareholders, or the name and contact information (City, State) of an individual representing the corporation or entity. Include Company Insiders who own any outstanding units or shares of any class of any equity security of the issuer.

Note 1: On May 15, 2025, the Company issued a Convertible Promissory Note in the principal amount of \$105,000 to JUDD Holding Corp. The note matures on September 1, 2026 and provides for monthly installment payments. The note does not bear stated interest; however, late fees may be assessed if installment payments are not made within the contractual grace period. Late fees incurred during the year have been recorded as interest expense within general and administrative expenses.

The note is convertible at the option of the holder into shares of the Company's common stock at a fixed conversion price of \$0.025 per share. Upon conversion, the holder is entitled to receive shares equal to the outstanding principal balance plus any applicable late fees and a 15% conversion premium. If fully converted based on the principal amount and contractual premium, the note could result in the issuance of approximately 4,830,000 shares of common stock.

As of December 31, 2025, the outstanding balance of the note totaled \$113,750, inclusive of accrued late fees. The note matures on September 1, 2026 and is therefore classified as a current liability as of December 31, 2025.

The Company evaluated whether the conversion feature resulted in a beneficial conversion feature upon issuance of the note. Due to the absence of sufficient trading volume and observable Level 1 fair value inputs for the Company's common stock on the issuance date, management concluded that no intrinsic value was present and therefore no beneficial conversion feature was recorded.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of Glow Holdings, Inc.

Opinion on the Financial Statements

We have audited the accompanying balance sheet of **Glow Holdings, Inc.** (the Company) as of December 31, 2025, and the related statements of income, stockholders' equity, and cash flows for the year ended December 31, 2025 and the related notes (collectively referred to as the financial statements).

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025, and the results of its operations and its cash flows for the year ended December 31, 2025, in conformity with accounting principles generally accepted in the United States of America.

Substantial Doubt about the Company's Ability to Continue as a Going Concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 3 to the financial statements, the Company had limited cash of \$554, accumulated deficit of \$1,076,217, a working capital deficit, and has incurred recurring losses from operations. These conditions raise substantial doubt about the Company's ability to continue as a going concern for a period of one year after the date that the financial statements are issued. Management's plans regarding these matters are also described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits, we are required to obtain an understanding of internal control over financial reporting, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

Critical audit matters are matters arising from the current period audit of the financial statements that were communicated or required to be communicated to the audit committee and that (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. We determined that there were no critical audit matters.

GLOW HOLDINGS, INC.
Notes to Financial Statements
December 31, 2025

NOTE 1 — ORGANIZATION AND NATURE OF OPERATIONS

Glow Holdings, Inc. (the “Company,” “we,” “us” or “our”), a Nevada corporation, has a fiscal year end of December 31st and is listed on the OTCID Basic Market under the trading symbol GLOH. The Company had abandoned its business and failed to take steps to dissolve, liquidate and distribute its assets. It had also failed to meet the required reporting requirements with the Nevada Secretary of State, hold an annual meeting of stockholders and pay its annual tax from 2022 to 2024 which resulted in its delinquency with the Nevada Secretary of State. In January 2024, a shareholder filed a petition for custodianship with the District Court of Clark County, Nevada, and was appointed as the Custodian of the Company in February 2024.

The Company was incorporated in the State of Nevada in September 1997 as “Universal Funding Services, Inc.” The issuer changed its name to “Universal Reduction Melting Technologies, Inc.” which it kept until 1999, then it changed its name to “Internet Solutions for Business, Inc.” which it kept until 2005. The issuer then changed its name to “GlobalOne Real Estate, Inc.” which it kept until 2011, when it changed its name to “Glow Holdings, Inc.” which it currently carries.

On February 22, 2024, the District Court of Clark County, Nevada entered an Order Granting Application for Appointment of JUDD Holding Corp as Custodian of the Company. On October 11, 2024, the District Court in Clark County, Nevada granted the Custodian’s Motions to Bar All Unasserted Claims and Discharge the Custodian, and control was returned to the Board.

On May 15, 2025, Patient Path LLC (controlled by Alonzo Pierce) entered into a Securities Purchase Agreement to acquire 234,000,000 shares of Common Stock and 700,000 shares of Special 2024 Series B Preferred Stock from JUDD Holding Corp (controlled by David Duarte) for total consideration of \$170,000 in cash & notes. On May 23, 2025, David Duarte resigned from all Officer & Director positions and appointed Alonzo Pierce as President & Chairman of the Board and the transaction closed.

Subsequent to the change of control, the Company began operations, ceased to be a shell company, and self-reported as a non-shell for the period ended June 30, 2025. On August 15, 2025, the Company’s security counsel filed an opinion affirming its status as a non-shell at the June 30 period end, and the shell designation was subsequently removed.

The Company, operating as GlohCo, develops AI-powered healthcare software that enables earlier intervention and improved clinical decision-making. The company’s platform ingests and analyzes medical, behavioral, and wearable data to deliver real-time risk predictions for patient relapse, readmission, and other high-cost health events. GlohCo’s tools integrate with existing EHR systems and support compliance with HIPAA, FHIR, and other regulatory standards.

On July 23, 2025, the Company, through its Transfer Agent and Securities Attorney, filed a 1:150 Reverse Split application with FINRA for the Company’s Common Stock. On October 10, 2025, FINRA processed the corporate action with fractional shares rounded up which added 2,457 shares to the total at Cede per DTCC’s request.

All share and per-share amounts presented in these financial statements have been retroactively adjusted to reflect the 1-for-150 reverse stock split for all periods presented.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation. The Company’s financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Related Party Transactions. Under ASC 850, an entity or person is considered to be a related party if it has control, significant influence, or is a key member of management personnel or affiliate. The Company presents disclosures about related party transactions and outstanding balances with related parties.

Fair Value of Financial Instruments. The Company follows ASC 825-10-50-10 for disclosures about fair value and ASC 820-10-35-37 to measure the fair value of its financial instruments. The carrying amount of the Company’s

financial assets and liabilities, such as cash, prepaid expenses and accrued expenses, approximate their fair value because of the short maturity of those instruments.

Basic and Diluted Income (Loss) Per Share. The Company computes income (loss) per share in accordance with FASB ASC 260. Basic EPS is computed using the weighted-average number of common shares outstanding during the period. Diluted EPS is computed using the weighted-average number of common shares and the dilutive effect of contingent shares outstanding during the period.

Income Taxes. Income taxes are provided for the tax effects of the transactions reported in the financial statements and consist of taxes currently due plus deferred taxes related primarily to tax net operating loss carryforwards. A valuation allowance is established against deferred tax assets when, in the judgment of management, it is more likely than not that such deferred tax assets will not become available. As of December 31, 2025 and 2024, no liability for unrecognized tax benefits was required to be reported.

Recently Issued Accounting Pronouncements. The Company has implemented all new applicable accounting pronouncements that are in effect. These pronouncements did not have any material impact on the financial statements.

NOTE 3 — GOING CONCERN

The Company's financial statements have been prepared assuming that the Company will continue as a going concern, which contemplates continuity of operations, realization of assets, and liquidation of liabilities in the normal course of business.

As of December 31, 2025, the Company had limited cash of \$553.51, an accumulated deficit of \$1,076,217, a working capital deficit, and requires additional funds to support its operations and to achieve its business development goals. These factors and uncertainties raise substantial doubt about the Company's ability to continue as a going concern.

Management intends to seek additional capital from new equity securities offerings and debt financing to provide funds needed to increase liquidity, fund internal growth and fully implement its business plan. Management believes that the ongoing revenue operations of TeleCare Home Health LLC will contribute to improved liquidity; however, no assurance can be given that such operations will generate sufficient cash flow to fully alleviate the conditions raising substantial doubt.

NOTE 4 — GAAP ADJUSTMENTS TO HISTORICAL BALANCE SHEET

With all potential claims having been barred by the Court on October 11, 2024, the \$123,725 balance in Current Liabilities was debited and a credit has been recorded to Other Income in the 12/31/24 period end.

Additionally, due to the lack of historical records and bookkeeping available to current management, the Company could not ascertain the status of the historical Accounts Receivable, Prepaid Deposits for Services, and petty Cash. The balance of \$10,350 in Current Assets was written off and recorded as Other Expense in the 12/31/24 period.

NOTE 5 — REVISED BALANCE SHEET ADJUSTMENTS

During the audit, the balance sheet previously filed was revised to reflect audit adjustments as follows:

1. **Accounts Payable & Accrued Expenses:** reduced from \$6,300 to \$0. The balance comprised contractor fees reclassified to expense and credit card payments reclassified as distributions.
2. **Note Payable:** \$113,750 outstanding as of 12/31/25 (principal \$105,000 + \$8,750 late fees) classified as current liability. See Note 9.
3. **Loan Payable:** \$5,000 informal loan. No formal agreement. Repayment expected in the near term. Classified as current liability.
4. **Due to Related Parties:** \$88,237 in advances from officer during the year to fund G&A expenses. Non-interest bearing and due on demand.
5. **Cash:** corrected from \$554 (originally filed) to \$553.51 per bank statement ending balance 12/31/25.

NOTE 6 — ACQUISITION OF TELECARE HOME HEALTH LLC (COMMON CONTROL)

On October 29, 2025, the Company acquired 100% of the membership interests of TeleCare Home Health LLC, a Texas limited liability company previously owned and controlled by Alonzo Pierce, the Company's President and Chief Executive Officer. As both entities were under common control before and after the transaction, the acquisition was accounted for as a transaction between entities under common control in accordance with ASC 805-50. The assets and liabilities of TeleCare Home Health LLC were recorded at their historical carrying values as of the acquisition date. No goodwill or intangible assets were recognized.

As consideration, the Company issued a \$300,000 unsecured promissory note bearing interest at 4% per annum and maturing within 24 months. The note was outstanding from October 29, 2025 through December 11, 2025 and was fully extinguished prior to any interest being accrued or recorded.

On December 11, 2025, the promissory note was fully extinguished in exchange for the issuance of 90,000 shares of restricted common stock. Upon settlement, the note payable was derecognized, common stock was recorded at par value of \$0.001 per share, and the excess was recorded to additional paid-in capital. No gain or loss was recognized on the extinguishment.

NOTE 7 — COMMON STOCK ISSUANCES / ADDITIONAL PAID IN CAPITAL

On November 5, 2025, the Company issued 60,000 shares of restricted common stock to Bengala Technologies LLC (controlled by Arnaldo Detres) pursuant to a Stock in Lieu of Services Agreement. The shares were issued at an acquisition value of \$3.75 per share, for an aggregate value of \$225,000 representing enterprise services provided to the Company.

On December 11, 2025, the Company entered into a Debt Satisfaction and Equity Exchange Agreement with TeleCare Home Health LLC (controlled by Alonzo Pierce) whereby the Company issued 90,000 shares of restricted common

stock in full settlement of the \$300,000 promissory note originally issued on October 29, 2025. The shares were issued at an acquisition value of \$3.33 per share.

On December 17, 2025, the Company issued 50,000 shares of restricted common stock to Killuminati Investments LLC (controlled by Ryan Cotardi) pursuant to a subscription agreement. The shares were issued at an acquisition value of \$0.30 per share for aggregate cash consideration of \$15,000.

NOTE 8 — G&A; EXPENSES / DUE TO RELATED PARTIES

For the three and twelve months ended December 31, 2025, officer and director Alonzo Pierce advanced \$11,350 and \$88,237, respectively, to the Company to fund general and administrative expenses.

As of December 31, 2025, the total amount due to related parties was \$88,237, representing advances from Mr. Pierce. The advances are non-interest bearing and due on demand.

General and administrative expenses of \$310,692 for the year ended December 31, 2025 comprise (per revised GL): TeleCare payroll \$108,750; contractor fees (Shed) \$38,545; stock-based compensation — Bengala \$225,000; TeleCare note settlement \$300,000 (non-cash); distributions/related party \$9,681; OTC/regulatory fees \$12,000; transfer agent fees \$1,050; bank charges \$280; JUDD note late fees \$8,750; professional fees (D. Keer) \$9,000; miscellaneous \$4,636.

NOTE 9 — PROMISSORY NOTE — JUDD HOLDING CORP

On May 15, 2025, the Company issued a Convertible Promissory Note with principal of \$105,000 to JUDD Holding Corp (controlled by David Duarte). Monthly payments began October 1, 2025. The note does not bear stated interest; however, late fees of \$8,750 have been accrued as of December 31, 2025 and recorded as interest expense within G&A.

Outstanding balance as of December 31, 2025: \$113,750. The note is convertible at the holder's option at \$0.025 per share with a 15% premium; potential dilution of approximately 4,830,000 shares if fully converted. Matures September 1, 2026 and is therefore classified as a current liability as of December 31, 2025.

The Company evaluated whether the conversion feature resulted in a beneficial conversion feature upon issuance of the note. Due to the absence of sufficient trading volume and observable Level 1 fair value inputs for the Company's common stock on the issuance date, management concluded that no intrinsic value was present and therefore no beneficial conversion feature was recorded.

NOTE 10 — LOAN PAYABLE

On September 18, 2025, the Company received \$5,000 from Ark Capital Inc. This represents an informal loan advanced to the Company. There is no formal written agreement. The Company expects to repay the balance in the near term. The amount is classified as a current liability as of December 31, 2025.

NOTE 11 — CONSOLIDATED REVENUES FROM OPERATING SUBSIDIARY

The Company's consolidated revenues for the year ended December 31, 2025 were generated entirely by its wholly owned subsidiary, TeleCare Home Health LLC, which was acquired on October 29, 2025. TeleCare Home Health LLC provides healthcare-related services and consulting to medical providers. Revenues are derived from service contracts and are recognized as services are performed per ASC 606.

For the year ended December 31, 2025, consolidated revenues totaled \$139,706. No revenues were generated during the year ended December 31, 2024, as the Company had not yet commenced operating activities.

The consolidated financial statements include the results of TeleCare Home Health LLC from the acquisition date of October 29, 2025 through December 31, 2025.

NOTE 12 — AMENDMENT TO SERIES A CONVERTIBLE PREFERRED STOCK CERTIFICATE OF DESIGNATION

On November 8, 2025, the Company filed an Amendment to the Series A Convertible Preferred Stock Certificate of Designation with the State of Nevada (Filing No. 20255298388). The Amendment was signed by Alonzo Pierce as President & Chairman and accepted by the State during the fiscal year ended December 31, 2025.

The Amendment provides that upon any Liquidity Event, each Series A holder shall receive consideration equal to the same percentage ownership of the Corporation's outstanding Common Stock, on a fully-diluted as-converted basis, as held immediately prior to such event. The Special 2024 Series B Preferred Stock is excluded from this calculation. All other rights of the Series A class remain unchanged.

As of December 31, 2025, no shares of Series A Convertible Preferred Stock have been issued or are outstanding. This Amended Annual Report is being filed to disclose this Amendment, which was omitted from the originally filed

Annual Report for the same period.

NOTE 13 — SUBSEQUENT EVENTS

The Company has evaluated subsequent events through April 22, 2026, the date these amended consolidated financial statements were available to be issued, in accordance with ASC 855, Subsequent Events. The Company is not aware of any subsequent events that require adjustment to or disclosure in the accompanying consolidated financial statements.
