NOTES TO INTERIM CONSOLIDATED FINANCIAL STATEMENTS

March 31, 2026 (Unaudited)

NOTE 1 — BASIS OF PRESENTATION AND INTERIM REPORTING

The accompanying interim consolidated financial statements of Glow Holdings, Inc. (the “Company,” “we,” “us” or “our”) and its wholly-owned subsidiary, TeleCare Home Health LLC, have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) for interim financial information. Accordingly, certain information and footnote disclosures normally included in annual financial statements have been condensed or omitted. In the opinion of management, all adjustments (consisting of normal recurring adjustments) considered necessary for a fair presentation have been included. Operating results for the three months ended March 31, 2026 are not necessarily indicative of the results that may be expected for the full fiscal year.

These interim financial statements should be read in conjunction with the Company’s audited consolidated financial statements and related notes thereto included in the Annual Report for the fiscal year ended December 31, 2025.

NOTE 2 — CONSOLIDATION AND OPERATIONS

The consolidated financial statements include the accounts of Glow Holdings, Inc. and its wholly-owned subsidiary TeleCare Home Health LLC. All intercompany accounts and transactions have been eliminated in consolidation. Substantially all consolidated revenue during the reporting period was generated by TeleCare Home Health LLC, which provides home healthcare services and related consulting to medical providers under service contracts. Revenue is recognized as services are performed in accordance with ASC 606.

NOTE 3 — GOING CONCERN

The consolidated financial statements have been prepared assuming the Company will continue as a going concern. As of March 31, 2026, the Company had cash of \$31,072, an accumulated deficit, and a working capital deficit. Although the Company generated net income of \$31,689 during the three months ended March 31, 2026 (driven entirely by TeleCare Home Health LLC operations), substantial recurring losses from prior periods and significant obligations maturing within the next twelve months, including the JUDD Holding Corp convertible note maturing September 1, 2026, continue to raise substantial doubt about the Company’s ability to continue as a going concern. Management intends to seek additional capital, grow operating cash flow, and negotiate extensions or conversions of current obligations as needed.

NOTE 4 — RELATED PARTY TRANSACTIONS

During the three months ended March 31, 2026, the Company made net distributions to its President and Chief Executive Officer, Alonzo Pierce, and to accounts controlled by Mr. Pierce, totaling approximately \$19,920. These distributions have been recorded as a reduction of the Due to Related Parties liability, which represented the accumulated non-interest bearing advances previously made by Mr. Pierce to the Company to fund general and administrative expenses. The Due to Related Parties balance decreased from \$88,237 at December 31, 2025 to \$68,317 at March 31, 2026. No interest has been accrued on this balance, which remains due on demand.

The related party distributions consist of payments made by the Company on behalf of, or directly to, Mr. Pierce, including direct Zelle payments to Mr. Pierce, cash withdrawals taken from the operating accounts, payment on a credit card controlled by Mr. Pierce, and transfers from the consolidated operating accounts to other bank accounts controlled by Mr. Pierce or used for personal or unclassified purposes (net of any offsetting inflows from those accounts during the period).

NOTE 5 — CONVERTIBLE PROMISSORY NOTE

On May 15, 2025, the Company issued a Convertible Promissory Note in the principal amount of \$105,000 to JUDD Holding Corp (controlled by David Duarte). The note matures on September 1, 2026 and provides for monthly installment payments that commenced October 1, 2025. The note does not bear stated interest; however, late fees are assessed if installment payments are not made within the contractual grace period. Late fees are recorded as interest expense within general and administrative expenses.

No payments were made on the note during the three months ended March 31, 2026. Additional late fees of \$8,750 have been accrued during the reporting period, bringing the total outstanding balance to \$122,500 as of March 31, 2026 (principal \$105,000 plus accrued late fees \$17,500).

The note is convertible at the option of the holder into shares of the Company's common stock at a fixed conversion price of \$0.025 per share, with a 15% conversion premium. If fully converted based on the March 31, 2026 balance and contractual premium, the note could result in the issuance of approximately 5,635,000 shares of common stock. As of March 31, 2026, no conversions have occurred. The note matures on September 1, 2026 and is classified as a current liability.

NOTE 6 — BRIDGE LOAN AND LOAN PAYABLE

On March 6, 2026, the Company received \$10,000 from Killuminati Investments LLC as a non-interest bearing bridge loan. The Company expects to repay or convert the advance in the near term. The amount is classified as a current liability as of March 31, 2026.

The \$5,000 informal loan from Ark Capital Inc. that was outstanding at December 31, 2025 remains outstanding as of March 31, 2026. There is no formal written agreement, and the Company expects to repay the balance in the near term. The amount is classified as a current liability.

NOTE 7 — REVENUE

For the three months ended March 31, 2026, consolidated revenue of \$244,554 was generated entirely by TeleCare Home Health LLC, through a trust/clearinghouse arrangement with Cadence Asset Management & Trust. Revenue is recognized as services are performed in accordance with ASC 606. No revenue was generated in the comparative prior-year interim period (three months ended March 31, 2025), as the Company had not yet commenced operating activities and had not yet acquired its operating subsidiary.

NOTE 8 — OPERATING EXPENSES

General and administrative expenses for the three months ended March 31, 2026 of \$204,115 comprise: payroll and benefits \$133,191; contractor fees \$65,366; rent \$1,296; software subscriptions \$32; professional fees \$2,500; bank fees \$450; and miscellaneous \$1,280.

NOTE 9 — SUBSEQUENT EVENTS

The Company has evaluated subsequent events through April 22, 2026, the date these interim consolidated financial statements were available to be issued, in accordance with ASC 855, Subsequent Events. The Company is not aware of any subsequent events that require adjustment to or disclosure in the accompanying interim consolidated financial statements.
