

**Alternative Reporting Standard:
Disclosure Guidelines for the OTCID Basic Market**

Federal and state securities laws require issuers to provide *current information* to the public markets. With a view to facilitating compliance with these laws, OTC Markets Group has created these OTCID Disclosure Guidelines (“Guidelines”)¹ that set forth the disclosure obligations that make up the “Alternative Reporting Standard” for companies on the OTCID™ Basic Market and Pink Limited Market. Companies that do not make disclosure directly to the SEC (via EDGAR), a banking regulator, or a non-U.S. regulatory authority may provide disclosure under our “Alternative Reporting Standard.” We use information provided by companies under these Guidelines and in accordance with the OTCID Rules to determine eligibility for the OTCID Market or Pink Limited Market as applicable.²

Current Information

To be eligible for the OTCID Market, Alternative Reporting companies make the information listed below publicly available through OTCIQ.com:

1. Initial Disclosure Obligations

Companies must upload the following documents through OTCIQ.com:

- Annual Report for the most recently completed fiscal year.

- Quarterly Reports are due within **45 days** of the quarter end
- Annual Reports are due within **90 days** of the fiscal year end
- Management Certifications are due within **45 days** of the Annual Report due date

¹ These Guidelines have been designed to encompass the “current information” requirements under state and federal securities laws, such as Rules 10b-5 and 15c2-11 of the Securities Exchange Act of 1934 (“Exchange Act”) as well as Rule 144 of the Securities Act of 1933 (“Securities Act”), and state Blue Sky laws. However, these Guidelines have not been reviewed by the U.S. Securities and Exchange Commission or any state securities regulator. These Guidelines do not constitute legal advice, and OTC Markets Group makes no assurance that compliance with our disclosure requirements will satisfy any legal requirements. These Guidelines may be amended from time to time, in the sole and absolute discretion of OTC Markets Group, with or without notice.

² OTC Markets Group may require companies with securities designated as “Caveat Emptor” or other compliance flags to make additional disclosures to qualify for the OTCID Basic Market.

Other OTCID Eligibility Requirements:

To remain on the OTCID Market, companies must continue to meet all other eligibility requirements of the [OTCID Rules](#) in addition to the disclosure requirements listed above.

NOTE 4 - STOCKHOLDERS' DEFICIT (Continued)

On July 11, 2024, a voting majority of the Company's shareholders and the Company's board of directors approved a change in the Company's name to Ventana Global, Inc., and a 1:20 reverse stock split. This was approved by FINRA and was effective January 14, 2025. The reverse stock split was effected to make the Company more closely aligned with standards for larger companies.

The large number of shares outstanding (in excess of 1 billion) before the reverse stock split would make the credibility of the Company, and appreciation of the price of shares very difficult. Also, the Board of Directors sought to enhance the marketability of the Company's common stock as well as to generate the interest of the financial investment community with a view to raising funding with which to pursue the primary alternate finance objectives of the Company.

Authorized Shares: The Company has reduced its authorized shares from 3,000,000,000 to 500,000,000.

Outstanding Shares: Effective January 14, 2025, the Company has reduced its outstanding shares from 1,075,665,990 shares to approximately 53,783,544 (not reflective of fractional shares), as the result of the reverse stock split.

All per-share amounts in the financial statements have been retroactively adjusted to reflect the new share structure as of the beginning of the earliest period presented.

No other adjustments were necessary to the financial statements because of the reverse stock split, and the overall equity balance remained unchanged.

NOTE 5 – ACCRUED EXPENSES

As of March 31, 2026, the amount of accrued liabilities of the Company at the end of the quarter total \$5,724 and is composed of Colorado income taxes payable in the amount of \$4,254 and accounts payable in the amount of \$1,470.

NOTE 7 – REVERSE MERGER WITH LAUNCHPAD CAFÉ, LTD.

On June 17, 2021, the Company acquired LaunchPad Café, Ltd. in a reverse merger transaction. LaunchPad Café, Ltd. was formed July 21, 2020, and conducted no business through the date of the reverse merger into the Company. The value of the transaction was \$200 which was the cash received to start-up the company in 2020. The Company issued 860,532,792 shares for the acquisition which represented 80% of the total issued shares of the Company. The Company received \$200 in cash.

As the acquisition of LaunchPad Café, Ltd. resulted in the owners of LaunchPad Café, Ltd. gaining control over the combined entity after the transaction, and the shareholders of Ventana Global, Inc. continuing only as passive investors, the transaction is usually not considered a business combination because the accounting acquiree (Ventana Global, Inc.) does not meet the definition of a business under the ASC.

Instead, these types of transactions are considered to be capital transactions of the legal acquiree (LaunchPad) and are equivalent to the issuance of shares by LaunchPad for the net monetary assets of Ventana Global, Inc. accompanied by a recapitalization. As a result of the recapitalization, the historical numbers presented are those of LaunchPad Café, Ltd.

Under generally accepted accounting principles of the United States, any excess of the fair value of the shares issued by LaunchPad Café, Ltd. over the value of the net monetary assets of Ventana Global, Inc. is recognized as a reduction of equity.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events occurring after the balance sheet date through the date these financial statements were issued. There were no additional subsequent events that required recognition or disclosure but for the following.

On April 27, 2026, the Company advanced an additional \$25,000 to the borrowers under the Company's initial lending transaction previously disclosed in connection with the \$100,000 loan issued in January 2026. The additional advance was made on substantially similar terms and conditions as the original loan and is secured by the same collateral.
