Your proxy may be revoked in writing at any time before it is exercised by mail addressed to Edward G. Francis at the address set forth above. If you do not revoke your proxy, the shares represented by the proxy will be voted in accordance with the instructions set forth in the proxy.

Please log in or dial in at least 15 minutes before the commencement of the meeting to ensure timely participation. Please note the voting dates listed on the proxy card; however, we do encourage you to vote at your earliest convenience.

The cost of preparing, assembling, and mailing this Proxy Statement, the Notice of Annual Meeting of Stockholders and the accompanying proxy is being borne by the Company. Only holders of record of our voting common stock, par value \$0.01 per share (“Common Stock”), as of April 30, 2026 (the “Record Date”) may vote at the Annual Meeting. As of the Record Date, there were 11,365,505 shares of Common Stock outstanding and 537,000 shares of the Company’s non-voting common stock, par value \$0.01 per share, outstanding.

There must be a quorum for the Annual Meeting to be held. This Proxy Statement, the enclosed proxy and the attached Notice were first sent to stockholders on or about May 4, 2026.

**ELECTION OF DIRECTORS
(PROPOSAL 1)**

Proposal 1 for the Annual Meeting is the election by holders of Common Stock of 11 directors to hold office until the 2027 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified. The election of directors requires a plurality of the votes cast. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Nominees

The persons named in the following table have been nominated by the Board of Directors of the Company (the “Board”) for election to serve as directors of the Company until the 2027 Annual Meeting of Stockholders or until their successors are duly elected and qualified. With respect to such election, absent any specific instruction in the proxies solicited by the Board, the proxies will be voted in the sole discretion of the proxy holders to effect the election of all 11 of the Board’s nominees, or as many thereof as possible if any persons are nominated other than by the Board. In the event that any of the Board’s nominees are unable to serve as directors, it is intended that each proxy will be voted for the election of such substitute nominees, if any, as shall be designated by the Board. Alternatively, the Board may reduce the size of the Board. To the best of its knowledge, the Company has no reason to believe that any of the nominees will be unable to serve as directors.
