The information provided on the company’s website, press releases, in related materials, and in any documents or communications distributed by Veri Medtech Holdings, Inc. (the “Company”) is for informational purposes only. Company information does not constitute an offer or solicitation to sell shares or securities in the Company or any related or associated entity.

Any such offer or solicitation will be made solely through a Company offering memorandum or similar formal investment documentation, in strict accordance with the terms of all applicable securities laws and regulations.

No information, statements, or analyses presented on this site, on the Company’s website, or in any Company media, or in Company materials, are intended to form the basis of any investment decision, nor do they constitute investment advice, recommendations, or counsel. This material does not constitute or form part of — and should not be construed as — any offer for sale or subscription, or any invitation to offer to buy or subscribe for any securities, nor should it or any part of it form the basis of, or be relied upon in connection with, any contract or commitment of any kind.

The Company expressly disclaims any and all liability for any direct or consequential loss or damage arising directly or indirectly from: (i) reliance on any information provided here or in related materials; (ii) any error, omission, or inaccuracy in such information; or (iii) any action taken or decision made based on such information.

Forward Looking Statements: Cautionary Note Regarding Forward-Looking Statements: This press release contains statements, which may constitute "forward-looking statements" within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995. Those statements include statements regarding the intent, belief or current expectations of Veri Medtech (OTC: "VRHI") and members of its management as well as the assumptions on which such statements are based. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and that actual results may differ materially from those contemplated by such forward-looking statements.
