Alternative Reporting Standard: Disclosure Guidelines for the OTCID Basic Market

Federal and state securities laws require issuers to provide *current information* to the public markets. With a view to facilitating compliance with these laws, OTC Markets Group has created these OTCID Disclosure Guidelines (“Guidelines”) that set forth the disclosure obligations that make up the “Alternative Reporting Standard” for companies on the OTCID™ Basic Market and Pink Limited Market. Companies that do not make disclosure directly to the SEC (via EDGAR), a banking regulator, or a non-U.S. regulatory authority may provide disclosure under our “Alternative Reporting Standard.” We use information provided by companies under these Guidelines and in accordance with the OTCID Rules to determine eligibility for the OTCID Market or Pink Limited Market as applicable.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders of Nuclear Diamond Batteries, Inc.

Opinion on the Financial Statements

We have audited the accompanying balance sheets of Nuclear Diamond Batteries -NDBI- (the “Company”) as of May 31, 2025 and 2024, and the related statements of operations, changes in stockholders’ equity, and cash flows for each of the years in the period ended May 31, 2025, including the related notes (collectively referred to as the “financial statements”).

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of May 31, 2025 and 2024, and the results of its operations and its cash flows for each of the years in the two-year period ended May 31, 2025, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statements based on our audits.

We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (“PCAOB”) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit, we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Substantial Doubt About the Company's Ability to Continue as a Going Concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2, to the financial statements, the Company has incurred recurring losses from operations, has accumulated deficits, and has limited operating revenues and cash flows, which raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued. Management's plans regarding these matters are also described in Note 5. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

The Company's ability to continue as a going concern is dependent upon its ability to generate revenues, obtain additional financing, and achieve profitable operations. These conditions raise substantial doubt about the Company's ability to continue as a going concern.

Our opinion is not modified with respect to this matter.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the financial statements that were communicated or required to be communicated to the audit committee and that:

1. relate to accounts or disclosures that are material to the financial statements; and
2. involved our especially challenging, subjective, or complex judgments.

The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit

matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate. We determined that there are no critical audit matters.

We have served as the Company's auditor since 2026.
