Disclosure of Change in Control and Other Material Events:

1. A description of event(s) and relevant date(s) resulting in the Change in Control.[1]

In February 2026, the Company underwent a change in control pursuant to a privately negotiated affiliate stock purchase transaction. As a result of the transaction, Mr. Silva Canelon became the Company's controlling shareholder.

In connection with the closing of the change in control transaction, Tejas Bansilal Parikh resigned as the Company's Chief Executive Officer, President, Chief Financial Officer, Treasurer, Secretary, and Chairman of the Board of Directors, and Sokratis Sokratous and Gabriela Antoniou each resigned as directors of the Company. 4. A description of assets acquired or disposed of in connection with the Change in Control and the names of the purchaser and seller of such assets (if applicable).

Separately, on February 5, 2026, the Company entered into an asset purchase agreement with Francisco Antonio Sbert Mousko pursuant to which the Company acquired certain tangible and intangible assets related to mining services and mineral processing operations in exchange for Series A Preferred Stock. That asset acquisition was separate from and independent of the Change in Control transaction.

5. Amount and form (e.g., cash, equity securities, promissory note) of consideration paid in connection with the Change in Control.

The Change in Control was a private secondary transaction between individuals. The total consideration paid in connection with the transaction was $13,100 in cash, paid directly by Ricardo Enrique Silva Canelon, as purchaser, to Andrew Gaudet, as seller. The Company was not a party to the transaction, did not issue any securities in connection with the transaction, and did not receive any consideration from the transaction.
