

AmeraMex International Reports Second Quarter Financial Results

Company Reports Second Consecutive Profitable Quarter

CHICO, CA – August 16, 2011 – **AmeraMex International, Inc.** (OTC:AMMX), a provider of heavy equipment to infrastructure, shipping, construction and mining companies, today reported financial results for its second quarter, ended June 30, 2011.

Second Quarter Highlights:

- Second consecutive profitable quarter
- 32 percent growth in revenue for the six-month period
- EBITDA increased to \$150,932 for the six-month period
- Strong order backlog: \$50 million potential over 18 to 24 months
- Audit for SEC approval should be completed in early September
- Feasibility study on farming project continues
- Commodities division is poised to ship coffee beans in third quarter

Second Quarter

The company reported revenue of \$1,134,320, a significant increase, when compared to revenue of \$165,417 for the second quarter of 2010. The net income was \$119,890, or net income per share of \$0.0003, compared to a net loss of (\$99,324), or net loss per share of (\$0.0003), for the second quarter of 2010.

Six-Month Period

Revenue for the six-month period was \$2,317,612, a 32 percent increase, when compared to revenue of \$1,761,688 reported for the second quarter of 2010. Net income for the period was \$123,223, or net income per share of \$0.0003, compared with a net loss of (\$183,048), or a loss per share of \$0.0006, for the six-month period in 2010.

On June 23, 2011, the company announced it had acquired a package of used equipment with a projected retail value of approximately \$8 million. The equipment will ship in three phases over the next 24 months. The company has now received the first phase of equipment which has moved into inventory for refurbishing. As the equipment is refurbished, it is being shipped to U.S. and international customers. The retail value of this equipment is approximately \$1.8 million. The second phase containing newer equipment will begin shipping to AmeraMex, as current inventory is depleted. The second phase has a retail value of approximately \$3.0 million. The final phase of equipment is expected to be shipped by early 2013. The retail value of the final phase is projected to be approximately \$4 million.

"Everyone is curious about the company's African projects, and it will not be much longer before we can make some very positive announcements," commented AmeraMex CEO Lee Hamre. "All of the projects that we have discussed are moving forward with finalization on some of them in the near future.

“While we don’t know if there is a double-dip recession looming, we can tell our shareholders that we are experiencing a sharp increase in our trucking business and equipment rental business,” continued Hamre. “With increasing U.S. sales, an inventory of used equipment that is in demand and our projected pipeline in Africa, we are confident AmeraMex offers significant potential to its shareholders.”

About AmeraMex International

AmeraMex International sells, leases and rents heavy equipment to companies within four industries: construction (light and infrastructure), shipping logistics, mining and commercial farming. AmeraMex International's largest product line is specialized container handling equipment that enables stevedoring companies to quickly and efficiently load and offload container and general freight ships dockside. AmeraMex, with customers in the Americas, Africa, Asia and Eastern Europe, has over 30 years of experience in heavy equipment sales and service and inventories top-of-the-line equipment from manufacturers such as Taylor Machine Works Inc. and Terex Heavy Equipment.
