Notes to Financial Statements (Unaudited)

Note 1 — Nature of Business and Basis of Presentation

Lucent, Inc. ("Lucent" or the "Company") was incorporated in the State of Nevada on December 5, 2017 under the name TipMeFast, Inc. On May 15, 2025, the Company changed its name to Lucent, Inc. The Company is a mineral acquisition and development company whose primary asset is mineral rights to graphite and gold concessions located in Sonora, Mexico. The Company has no revenue and 2 employees as of June 30, 2026.

The accompanying unaudited condensed financial statements have been prepared in accordance with U.S. GAAP for interim financial information and with the disclosure requirements of the OTC Markets Alternative Reporting Standard for OTCID Basic Market issuers. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the three months ended June 30, 2026 are not necessarily indicative of the results that may be expected for the full fiscal year ending December 31, 2026. These interim financial statements should be read in conjunction with the Company's audited financial statements and notes thereto for the year ended December 31, 2025 (as amended May 12, 2026).

Note 2 — Going Concern

As of June 30, 2026, the Company had cash of approximately $1,003, a working capital deficit of approximately $2,377,825, no revenue, an accumulated deficit of $(1,523,552), and negative operating cash flows. These conditions raise substantial doubt about the Company's ability to continue as a going concern within one year of the date these financial statements are issued.

The Company's continuation as a going concern is dependent upon its ability to obtain financing to fund operations, develop its mineral concessions, and ultimately generate revenue. Management is currently pursuing (i) private placements of common stock and/or promissory notes authorized by the Board of Directors on June 12, 2025, and (ii) strategic partnerships and offtake arrangements. During the three months ended June 30, 2026, operations have been substantially funded through advances from the Chief Executive Officer, Mr. Steven C. Arenal. There is no assurance that these efforts will be successful.

Note 3 — Cash and Bank Accounts

As of June 30, 2026, the Company's cash balances were held in two bank accounts:

- Bank of America, N.A. (business checking account #****4556): balance $2.90 as of June 30, 2026.
- Legacy Company bank account: approximately $1,000, unchanged during the reporting period.

Total cash and cash equivalents at June 30, 2026: approximately $1,003.

On June 29, 2026, a check payable to Shapero Law Firm in the amount of $2,269.61 was posted against the Bank of America account. On June 30, 2026, a returned-item credit for the same amount was received, evidencing that the check was not honored. The net cash impact on the reporting period was zero.

Note 4 — Mineral Rights

Mineral rights to graphite and gold concessions located in Sonora, Mexico were acquired pursuant to the December 30, 2024 Mineral Exploration and Purchase Agreement with Mr. Tomas Ramirez Lopez. The mineral rights are carried at cost of $3,410,000. Title to the mineral concessions is held in escrow pending full payment. The mineral concessions are at the exploration stage and are not currently in production. No changes to the mineral rights balance occurred during the three months ended June 30, 2026.

Of this amount, $9,000.00 was paid during the reporting period by Mr. Arenal from his personal accounts (recorded as an increase to "Due to related party — Steven Arenal"); the remaining $17,500.00 has been recorded as an increase to Accounts payable and accrued liabilities as of June 30, 2026.

As an extension of good faith, DST has waived the applicable 18% annual late fee, providing an approximate 9.55% ($1,035.00) discount from the amount that would otherwise apply. Upon Lucent's payment of the $10,842.10, DST will counter-sign the Payment Agreement and the Company's account (currently frozen pending payment) will be released, restoring the Company's ability to process share transfers, issuances, and DRS positions.
