I have also reviewed the Balance Sheets, Statements of Operations, Statements of Stockholders' Equity, Statements of Cash Flows, and Notes to Financial Statements for all Reports listed above.

The information in the Annual and Quarterly filings of the Issuer constitutes (i) "adequate current public information" concerning the securities of the Company, and "is available" within the meaning of Rule 144(c)(2) under the Securities Act, (ii) includes all information that a broker-dealer would be required to obtain from the issuer (i.e., the Company) to publish a quotation for the securities of the Company under Rule 15c2-11 under the Securities Exchange Act of 1934, as amended ("Exchange Act"), (iii) complies as to form with the OTC Markets Guidelines for Providing Adequate Current Information, which are located on the internet at www.otcmarkets.com, and (iv) has been posted through the OTC News Service. However, my opinion does not remove or lessen the professional responsibilities of brokers, dealers, and investors to conduct their own due diligence.

In 2021, the Company changed its fiscal year-end from April 30 to December 31, resulting in a shortened fiscal year. Accordingly, the historical period-end dates for that year may differ from standard calendar-quarter-end dates; therefore, the 2021 period-end dates as posted through the OTC News Service are correct.

I am a U.S. resident and I have been retained by the Issuer solely for the purpose of reviewing the current information supplied by the Issuer. I do not own any shares of the Issuer's securities and will not receive any shares of the Issuer's securities as payment for services rendered, currently or in the future. I have examined such corporate records, e.g. Articles of Incorporation, Bylaws, corporate minutes and other documents and such questions of law as I have considered necessary or appropriate for purposes of rendering this letter. I am authorized to practice law in the State of New York, including the laws of the United States and express no opinion with respect to the laws of any other jurisdiction. I am permitted to practice before the Securities and Exchange Commission (the "Commission") and have not been prohibited from practice thereunder.

I am not currently and have not been in the preceding five (5) years, suspended or barred from practicing in any state or jurisdiction, or charged in a civil or criminal case. I am not currently and have not been in the preceding five (5) years, subject of an investigation, hearing, or proceeding by the Commission, the U.S Commodity Futures Trading Commission ("CFTC"), the Financial Industry Regulatory Authority ("FINRA"), or any other federal, state, or foreign regulatory agency.

To the best of my knowledge, as its filings and history reflect, as confirmed to me by the Company's CEO and Secretary, I am satisfied that neither the Company, any individual officer or director, nor any 5% shareholder is currently under investigation in any jurisdiction.

I have personally met, through Google Meet conferencing: Timothy Paul Baymon, CEO, and Eric Stevenson, Secretary of the Issuer, to discuss and review the above documentation with management of the Issuer and with a majority of the Board of Directors.

The financial statements of the Issuer are not audited. The financial statements were prepared in accordance with US GAAP by management with the preparation help of professionals in the financial industry. Timothy Paul Baymon, CEO, Eric Stevenson, Secretary, and Gregory Bell, CFO of the Issuer, are the Issuer's management who participated in the gathering of the Information for the Issuer's financial statements and have reviewed the Issuer's unaudited financial statements and reports as published with OTC Markets.

The party responsible for the preparation of the Issuer's financial statements, based on information supplied by management, is:

Third-Party Accountant:
John D Motto, CPA
1666 Main Street
Springfield, MA 01103
Phone: 860-490-7364
Email: jdmottocpa@gmail.com
Mr. Motto is a Certified Public Accountant and has been providing accounting and tax services for years.

The Transfer Agent for the Issuer is:
Securities Transfer Corporation
2901 N. Dallas Parkway, Ste 380, Plano, TX 75093
Phone: 469-633-0101
Email: info@stctransfer.com

The Transfer Agent is listed with the Commission and also has Depository Trust Corporation approval.

The Company's Transfer Agent was the source of confirmation of the Issuer's outstanding common shares for the covered period. Such confirmation was provided via email dated August 11, 2026, and the number of outstanding common shares confirmed by the Transfer Agent matches the information published through the OTC Disclosure & News Service.

Based on the Company's Quarterly Report for the period ended June 30, 2026, the Company indicates that it is not currently a "shell company," as it is pursuing an identified business plan, maintains assets valued at $7,500,000, consisting of primarily its proprietary software platform and related intellectual property, which comprise the core technology infrastructure of the Company's business and operations, and reported operating expenses of $7,204. The Company was, however, a "shell company" following the cessation of its operations in 2018 until it resumed its operations on April 15, 2026. Based on the foregoing, I do not believe that the Company is currently a "shell company."

The opinion expressed above is subject to the following assumptions, exceptions and qualifications: (a) We have assumed that (i) all information in all documents reviewed by us is true and correct, (ii) all signatures on all documents reviewed by us are genuine, (iii) all documents submitted to us as originals are true and complete, (iv) all documents submitted to us as copies are true and complete copies of the originals thereof, and (v) each natural person signing any document reviewed by us had the legal capacity to do so. (b) We have made no independent investigation as to the accuracy or completeness of any factual matters contained in the records, documents and certificates that we have reviewed in connection with the foregoing opinion.

In the event that the facts and information in all such documents are determined not to be true, this opinion shall be null and void.

The OTC Markets Group Inc. is entitled to rely on the opinion set forth hereinabove when determining whether to permit quotations in the Issuer's Securities in the OTC Markets Group Inc. quotation venue and the OTC Markets Group Inc. is hereby granted permission to post this letter on the OTC Disclosure and News Service for viewing by the public and regulators. However, this letter and the opinions set forth herein may not be quoted in whole or in part, relied upon by any other person or entity, filed with any government agency or otherwise referred to or utilized for any other purpose, without, in each instance, my prior written consent.

Respectfully submitted,
