

SUPPLEMENTAL INFORMATION REPORT

Pursuant to OTCID Disclosure Guidelines

COMPLETE FINANCIAL SOLUTIONS, INC.

A Nevada Corporation

101 Convention Center Dr, Suite 900, Las Vegas, NV 89109

Complete Financial Solutions, Inc. (the “Company” or “CFS”) hereby reports information relevant to the following corporate actions.

On October 4, 2026, the Company’s wholly owned subsidiary, Complete Defense Solutions, Inc., a Nevada corporation (“CDS”), entered into a Binding Letter of Intent (the “Letter”) with Ai Arsenals, Inc (or “AiA”), a sovereign secure AI and defense manufacturing company partnered with CDS, providing for the acquisition by CDS of newly issued shares of AiA Series A Preferred Stock in exchange for shares of the Company’s Series A Defense Preferred Stock (the “Exchange”).

The aggregate value of the Exchange (the “Exchange Amount”) has not been fixed and will be agreed by the Parties in writing at or prior to closing based on the valuations of AiA and CDS at that time and the results of a 90-day due diligence period. The number of shares exchanged will equal the Exchange Amount divided by \$100.00 (the set value of the Company’s Series A Defense Preferred Stock), rounded down to the nearest whole share. At closing, AiA will issue to CDS newly issued shares of a series of AiA Preferred Stock (the “AiA Preferred”), intended to equal 9% of the total valuation of all AiA outstanding shares at the time of the transaction, in exchange for shares of the Company’s Series A Defense Preferred Stock (the “CFS Preferred”) delivered by the Company.

The completed transaction including the Exchange Amount will be made available in the OTCID financial report of the Company, following the proposed transaction closing.
