OTCQX TRADED LOCKUP

Guidelines for Co-Branding

When you use the OTCQX traded on logo lockup, we ask that you follow a few simple guidelines:

- Please do not change the design elements of the lockup
- Minimum size the lockup should appear is not less than .5" in width

Maintain the exact proportions between the individual elements in the lockup. Also, please keep the lockup's minimum clear space (25px) from any copy, photography, or other logos.

Font used in the lockup is Nunito Sans Bold and can be downloaded [here](#).

Using the OTCQX traded on lockup serves as an indication to your investors, customers and business partners that you have chosen to trade on our premium markets to improve the quality of information available for investors.
