OTCQX RULES RELEASE NO. 17 (PROPOSED AMENDMENT)

OTC Markets Group has published for comment proposed amendments to the OTCQX Rules for U.S. Companies, OTCQX Rules for International Companies, and OTCQX Rules for U.S. Banks. These proposed Rules are scheduled to become effective December 12, 2019.

Proposed Amendments

The proposed amendments allow certain qualifying companies applying to OTCQX to provide a Letter of Introduction from their outside securities counsel in place of a letter from an OTCQX Sponsor. The proposed amendment also establishes procedures for companies effecting a Change in Control and enhances Corporate Governance eligibility criteria that have been expanded to provide further clarity around Independent Director status. Under the proposed amendments, U.S. companies will be required to disclose all convertible debt arrangements. Companies applying to OTCQX U.S. and OTCQX U.S. Banks will be subject to the new Independent Director standard immediately upon effectiveness of these proposed rules. Companies traded on OTCQX U.S. and OTCQX U.S. Banks as of the effective date of these proposed amendments (December 12, 2019) will be required to comply with the Independent Director standard on or before January 1, 2021. Lastly, the proposed amendments will require Canadian Companies to retain a transfer agent that participates in the Transfer Agent Verified Shares Program by April 1, 2020.
