NEWS RELEASE

DISTRICT COPPER ENGAGES INVESTOR RELATIONS SERVICES

July 18th , 2025 - District Copper Corp (the “**Company**” or “**DCOP**”) (**TSXV:DCOP**) announces that it has engaged the investor relations services of 1123963 B.C Ltd. DBA Capitaliz On It (“**Capitaliz**”), a social media influencer focused digital marketing agency out of Vancouver, BC, to increase investor awareness and interest in the Company as well as attracting new investors through various online platforms and a comprehensive digital media marketing campaign for the Company.

The Company has entered into a Consulting Services Agreement (the “**Agreement**”) with Capitaliz, dated effective July 18th, 2025, for an initial term of 6 months with an overall marketing budget of \$100,000 whereby the investor relations services to be provided by Capitaliz will include assisting DCOP to develop a corporate marketing strategy and provide marketing and public relations advisory services, help coordinate marketing, news flow and events, making introductions to Capitaliz’s network of media contacts, internet and social media marketers and other such providers, as well as to assist with various other public relations efforts. The services provided will be facilitated by way of digital venues such as programmatic digital marketing, social media marketing, select television broadcasts and radio advertising, email marketing, influencer outreach and placement of related marketing content on public websites. Other than 1,000,000 Common Shares in the capital of the Company held by Capitaliz, none of Capitaliz nor its affiliates or associates has any other interest directly or indirectly in the Company or its securities, or any right or intent to acquire such an interest. Capitaliz is at arm’s length to DCOP and has no other relationship with DCOP, except as a shareholder and pursuant to this Agreement.

The Agreement is subject to the Company’s filing requirements with the TSXV and TSXV approval.

Cautionary Statement on Forward Looking Statement

Certain information contained in this news release, including management's expectations regarding the services to be provided under the Agreement, constitute "forward looking statements". Actual results may differ materially from those indicated by such statements. All statements, other than historical fact, included herein, are forward-looking statements that involve various risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements.

In connection with the forward-looking information contained in this news release, DCOP has made numerous assumptions regarding, among other things: services to be provided under the Agreement, the effectiveness of the services to be provided under the Agreement and how such services will be facilitated. While DCOP considers these assumptions to be reasonable, these assumptions are inherently subject to significant uncertainties and contingencies.

Additionally, there are known and unknown risk factors which could cause DCOP's actual results, performance, or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information contained herein. Known risk factors include, among others: the dimensions and shape of the mineralized areas may not be as estimated; the targets outlined by the MVI study may not be associated with felsic intrusives porphyry style alteration or mineralization; the proposed surface program may eliminate these areas as potential targets for future exploration; the NNW trending structures may not contain indications of magnetite destruction typical of hydrothermal alteration; uncertainties relating to interpretation of the outcrop sampling results; the geology, continuity, and concentration of the mineralization; the financial markets and the overall economy may deteriorate; the need to obtain additional financing and uncertainty of meeting anticipated program milestones; and uncertainty as to timely availability of permits and other governmental approvals.

A more complete discussion of the risks and uncertainties facing DCOP is disclosed in DCOP's continuous disclosure filings with Canadian securities regulatory authorities at www.sedarplus.ca. All forward-looking information herein is qualified in its entirety by this cautionary statement, and DCOP disclaims any obligation to revise or update any such forward-looking information or to publicly announce the result of any revisions to any of the forward-looking information contained herein to reflect future results, events or developments, except as required by law.
