

Tartisan Nickel Corp. Announces Rodren Drilling has Commenced Drilling at the Kenbridge Nickel Copper Cobalt Project, Sioux Narrows, Northwestern, Ontario

Toronto, Ontario--(Newsfile Corp. - December 8, 2025) - **Tartisan Nickel Corp. (CSE: TN) (OTCQB: TTSRF) (FSE: 8TA)** ("Tartisan" or the "Company") is pleased to announce that Rodren Drilling Ltd. has formally commenced drilling at the Company's 100% - owned Kenbridge Nickel Copper Cobalt Project, Kenora Mining District, Sioux Narrows, Northwestern, Ontario.

Rodren's crews and equipment are now fully mobilized, and the program is underway. This drilling campaign is designed to advance several key objectives, including resource conversion, testing potential extensions of high-grade nickel-copper sulphide zones, and collecting the technical data required to support upcoming engineering and development studies.

Tartisan President & CEO, Mark Appleby, commented: "Rodren's start to drilling marks an important and well-timed milestone for the Kenbridge Project. As we move into a new phase of technical work, this program is expected to enhance geological confidence, define growth potential, and further demonstrate the strength of Kenbridge as a strategic critical mineral's asset. We look forward to updating shareholders as results come in."

The Company will provide further updates as drilling progresses.
