

Nordique Engages ICP Securities Inc. for Automated Market Making Services

Vancouver, British Columbia – July 8, 2025 – Nordique Resources Inc. (the “Company” or “Nordique”) (CSE: NORD, OTC Pink: NORDF, FSE: V0U) announces that it has engaged the services of ICP Securities Inc. (“ICP”) to provide automated market making services, including use of its proprietary algorithm, ICP Premium™, in compliance with the policies and guidelines of the Canadian Securities Exchange and other applicable legislation. ICP will be paid a monthly fee of C\$7,500, plus applicable taxes. The agreement between the Company and ICP was signed with a start date of July 7, 2025, and is for four (4) months (the “Initial Term”) and may be extended by mutual agreement of the parties. There are no performance factors contained in the agreement and no stock options or other compensation in connection with the engagement. ICP and its clients do not hold any securities of the Company but may acquire an interest in the securities of the Company in the future.

ICP is an arm’s length party to the Company. ICP’s market making activity will be primarily to correct temporary imbalances in the supply and demand of the Company’s shares. ICP will be responsible for the costs it incurs in buying and selling the Company’s shares, and no third party will be providing funds or securities for the market making activities.

About ICP Securities Inc.

ICP Securities Inc. is a Toronto based CIRO dealer-member that specializes in automated market making and liquidity provision, as well as having a proprietary market making algorithm, ICP Premium™, that enhances liquidity and quote health. Established in 2023, with a focus on market structure, execution, and trading, ICP has leveraged its own proprietary technology to deliver high quality liquidity provision and execution services to a broad array of public issuers and institutional investors.

About Nordique Resources

Nordique Resources Inc. is a Canadian mineral exploration company focused on discovering and advancing high-potential gold opportunities, with a strategic mandate to build a diversified portfolio across prospective mineral belts. The Company’s flagship asset is the Isoneva Gold Project in the under-explored Western Finland Gold Belt. Nordique also maintains the early-stage Fairview Project in British Columbia. By pairing modern, data-driven exploration with strong local partnerships, Nordique aims to generate significant shareholder value through new discoveries in key jurisdictions.

CAUTIONARY DISCLAIMER STATEMENT

This news release contains certain forward-looking statements that are “forward looking information” within the meaning of applicable securities laws. All statements that are not historical facts, including without limitation, statements regarding future estimates, plans, programs, forecasts, projections, objectives, assumptions, expectations or beliefs of future performance, including statements regarding the provision of the Services by ICP, the consideration paid for the Services, and the duration of the Term are "forward-looking information". These forward-looking statements reflect the expectations or beliefs of management of the Company based on information currently available to it. Forward-looking statements are subject to a number of risks and uncertainties, including those detailed from time to time in filings made by the Company with securities regulatory authorities, which may cause actual outcomes to differ materially from those discussed in the forward-looking statements. These factors should be considered carefully and readers are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements and information contained in this news release are made as of the date hereof and the Company undertakes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.

The Canadian Securities Exchange has not reviewed and does not accept responsibility for the accuracy or adequacy of this release.
