

Baylin Technologies Receives \$1.5 Million (CAD) Award from a Major Broadcaster for its Summit III High Power Amplifier Systems

TORONTO, November 12, 2025 – Baylin Technologies Inc. (TSX: BYL, OTCQB: BYLTF) (“Baylin” or the “Company”) is pleased to announce that its Advantech Wireless Technologies (“Advantech”) subsidiary has received a \$1,500,000 (CAD) purchase order from a major South Asian broadcaster for its latest high power Summit III Genesis amplifiers.

Advantech’s new Genesis solid state amplifiers operate on a CAN-Bus monitor and control operating platform. These modular systems are configured to produce 3.2kW of C-band power while delivering the highest mean time between failures and lowest mean time to repair.

Leighton Carroll, Baylin’s CEO said, “We’re excited to see the continued uptake of our newest technology from Advantech. When it comes to high power applications, such as this for satellite connectivity, Advantech is uniquely positioned with excellent products.”

Forward Looking Statements

This press release includes forward-looking information and forward-looking statements (together, “forward-looking statements”) within the meaning of applicable securities laws. Forward-looking statements are not statements of historical fact. Rather, they are disclosure regarding conditions, developments, events or financial performance that we expect or anticipate may or will occur in the future, including, among other things, information or statements concerning our objectives and strategies to achieve those objectives, statements with respect to management’s beliefs, estimates, intentions and plans, and statements concerning anticipated future circumstances, events, expectations, operations, performance or results. Forward-looking statements can be identified

generally by the use of forward looking terminology, such as “anticipate”, “believe”, “could” “should”, “would”, “estimate”, “expect”, “forecast”, “indicate”, “intend”, “likely”, “may”, “outlook”, “plan”, “potential”, “project”, “seek”, “target”, “trend” or “will”, or the negative or other variations of these words or other comparable words or phrases, and are intended to identify forward-looking statements, although not all forward-looking statements contain these words.

The forward-looking statements in this press release include statements regarding the technical capabilities of Advantech’s high power solid state amplifiers. Forward-looking statements are based on certain assumptions and estimates made by us in light of the experience and perception of historical trends, current conditions, expected future developments, including projected growth and sales in passive and active radio frequency and satellite communications products and services, and other factors we believe are appropriate and reasonable in the circumstances, but there can be no assurance that such assumptions and estimates will prove to be correct.

Many factors could cause our actual results, level of activity, performance or achievements or future events or developments to differ materially from those expressed or implied by the forward-looking statements, including the risk factors discussed in the Company’s most recent Annual Information Form, which is available on the Company’s profile on SEDAR+ at www.sedarplus.ca. All the forward-looking statements in this press release are qualified by these cautionary statements and other cautionary statements or factors in this press release. There can be no assurance that the actual results or developments will be realized or, even if substantially realized, will have the expected consequences to, or effects on, the Company. Unless required by applicable securities law, the Company does not intend and does not assume any obligation to update these forward-looking statements.
